

**AN EXTRACT FROM MINUTES OF MEETING OF COMMITTEE
OF DEANS HELD ON 26.04.2023**

The chair asked the Deans of the Faculties to update the today physically attendance of classes. The Deans of the Faculties one by one briefed that attendance of students is very low due to reason that 29-30, 04, 2023 and 01.05.2023 are falling holidays.

After holding discussion it was decided that:

- Online classes already in vogue since 14.04.2023 shall continue upto 28.04.2023(Friday) to facilitate the students.
- The house desired the Deans of the Faculties to ensure the implementation of time table of classes already notified. The progress of online classes must be brought to the notice of the Vice Chancellor by the Deans.
- The House desired the P.O./Incharge IT Resource and Data Bank to display a flyer on university website indicating that physically classes will be started w.e.f 02.05.2023. The students are directed to join back the University and all faculty members will ensure the physical attendance of the students.
