

# **AGRICULTURAL EXHIBITION**

at the eve of

## **SPRING FESTIVAL 2023**

**(01 TO 07 MARCH)**

The University of Agriculture, Faisalabad is going to organize its Spring Festival on March 01 to 07, 2023. This event will be blended with the learning, festivity and community interaction with the dedicated participation and commitment from the stakeholders. An agricultural exhibition has been organized as major component of the festival at the Exhibition Center, which would provide an excellent opportunity to display research outputs and innovative ideas in the form of products and agri. technologies for the benefits of the end users. This exhibition will certainly attract diversified community including foreign delegates, policy makers, scientist, researchers, farmers, general public, etc. This will provide an excellent opportunity to showcase your organization's contributions and connect with other professionals, potential customers as well as engage with members of the local community.
