## International Conference on Interdisciplinary Research Innovations

(Transformation of Research  
from Lab to Community)

ICIRI-2022

26<sup>th</sup> - 28<sup>th</sup> October, 2022

Organized By:

**UAF Community College, PARS**  
**University of Agriculture, Faisalabad**  
**PAKISTAN**

## Conference Background

Conferences in academia are organized to introduce and to share innovative research works and to connect across boundaries for the welfare of the humanity. The scientific conferences play significant role in providing opportunities to meet researchers of varying background for discussing ideas and strategies to approach certain research problems. This international conference aims to optimize the research scope of various disciplines including fundamental fields like Chemistry, Physics, Botany, Zoology, Biochemistry, Agri-Sciences, Mathematics & Statistics as well as Arts and Social Sciences. The attendees will present their research papers to collaborate with other researchers while various national and international speakers will share their valuable research knowledge with the participants.

The international conference will be held at **PARS** (Postgraduate Agricultural Research Station), University of Agriculture, Faisalabad. This campus was started in 2009 for providing quality education to the students who want to join agriculture field in future. For this purpose, “**UAF COMMUNITY COLLEGE, PARS**” has been established here which is pioneer in providing practical knowledge to its learners. This is situated at Jhang Road near Faisalabad International Airport Chowk, Faisalabad. We wish you a great learning journey during this enlightened conference at **PARS**.
