The University of Agriculture, Faisalabad, is currently setting up the Punjab Bioenergy Center on its new PARS campus in Faisalabad. As part of the Center, the setting up of a PV Biogas Hybrid System was proposed to and approved by the government of Punjab. It will provide reliable electricity to university buildings based on local, renewable energy sources, i.e. solar and biomass, and thus be a model project for the region. At the same time, it will function as a research platform for students. The needed feedstock for the biogas plant is grown on using drip irrigation on fields nearby. Manure from cows from surrounding villages is planned to be used for the biogas plant.

Your firm, being one of the firms prequalified to participate in the bidding through a prequalification exercise conducted by the Employer in October 2017, is invited to submit sealed bids (Technical and Financial bids) for the following project:

“Integrated Energy and Agriculture Concept at the Punjab Bioenergy Institute (PBI), University of Agriculture, Faisalabad”

You may obtain further information and acquire the Bidding Documents from the office of the Project Director Rana Basharat, University of Agriculture, Faisalabad.

A complete set of Bidding Documents may be purchased on submission of a written application to the above office and upon payment of a non-refundable fee of PKR 1000.

All bids (Technical & Financial) should be prepared in accordance with the Instructions to Bidders and the Technical Bids must be accompanied by a Bid Security in the amount of PKR 20,000,000 on the Bid Security Form, in the form of a Deposit at call or in form of a Bank Guarantee from a Scheduled Bank in Pakistan or from a foreign bank duly counter guaranteed by a Scheduled Bank in Pakistan, in favor of the Employer and must be delivered to

Project Director Rana Basharat, University of Agriculture, Faisalabad

By 02/02/2018.
