

TEN MORE PhD SCHOLARS PRODUCED BY UAF

On the recommendations of the external examiners and after fulfilling all the requirements, Shameem Kausar D/O Noor Muhammad, Reg. No. 2013-ag-861, Department of Botany, Faculty of Sciences, Tayyiba Aliyam D/O Muhammad Siddique, Reg. No. 2012-ag-814, Department of Chemistry, Faculty of Sciences, Sumaira Younis D/O Rana Muhammad Younis, Reg. No. 2010-ag-706, Department of Chemistry, Faculty of Sciences, Hafiza Nida D/O Shafiq Alam, Reg. No. 2013-ag-1779, Department of Mathematics and Statistics, Faculty of Sciences, Mariam Khaliq D/O Abdul Khaliq, Reg. No. 2016-ag-5936, Department of Chemistry, Faculty of Sciences, Muhammad Mohsin Abbas S/O Allah Bakhsh Jafri, Reg. No. 2001-ag-560, Institute of Microbiology, Faculty of Veterinary Science, Arsalan Said S/O Mian Said, Reg. No. 2016-ag-3225, Department of Parasitology, Faculty of Veterinary Science, Saba Mehnaz D/O Muhammad Nawaz, Reg. No. 2011-ag-2408, Department of Parasitology, Faculty of Veterinary Science, Zohaib Saeed S/O Saeed Ahmad, Reg. No. 2011-ag-2385, Department of Parasitology, Faculty of Veterinary Science, Samia Ali D/O Rahmat Ali, Reg. No. 2014-ag-2769, Institute of Physiology of Pharmacology, Faculty of Veterinary Science, have passed the final examination for the degree of Doctor of Philosophy. The Vice Chancellor is pleased to sanction their admission to the degree of Doctor of Philosophy 2023. The title of their thesis are, "Soil-plant relationship in differently adapted populations of *Cenchrus ciliaris* L. and *Dicanthium annulatum* (Forssk.) Stapf from various ecological zones", "Removal of synthetic dyes from aqueous solution using hybrid materials", "Development of functional nanomaterials for photocatalysis and biosensing applications.", "Modeling and Forecasting climate variability across Pakistan using contemporary statistical approaches", "Application of structurally different free and immobilized complexing agents on basil and evaluation of its chemical and biological properties", "Epidemiological investigation of foot and mouth disease virus in bovines and companion animals", "Epidemiology of some zoonotic parasites in humans, canines and felines in selected districts of Khyber Pakhtunkhwa province, Pakistan", "Epidemiological investigations and molecular characterization of tick-borne pathogens from cattle, buffaloes and ticks from some selected districts of Punjab", "Anticoccidial, growth promoting and immunomodulatory effects of some essential oils in chickens", "Physiological and immunological effects of monoglyceride in inflammatory bowel disease model", respectively. Now the PhD club raised up to 2287.

ASSUMPTION OF CHARGE

Dr. Muhammad Khalid Bashir, has assumed the charge as Director, Directorate of Graduate Studies, UAF w.e.f. 06-10-2023 (FN). In future, all official and demi-official correspondence may please be addressed to him.

SITUATION VACANT

- Applications are invited for the post of Fellowship @ 20,000/- per month for the duration of 24 months at UAF Sub-campus Burewala under EFS Funded Project No. TT137-22 entitled "Tunnel Growers Training of Integrated Disease Management: An Eco-Friendly Approach". The appointment will be purely on a contract basis. Applicants must have a B.Sc. (Hons) Agriculture degree with a specialization in Horticulture subject. Applications on the prescribed form (available at www.uaf.edu.pk) along with one most recent attested photograph and attested copies of academic certificates, degrees, testimonials, detailed mark certificates, and experience certificates with specific dates should reach the office of Dr. Osama Bin Abdul Hafeez, Lecturer, Horticulture, UAF Sub Campus Burewala during office hours within 7 days after the publication of this notice. Applications either incomplete or received after the due date will not be entertained. The University reserves the right not to fill vacancies without assigning any specific reason.
- Applications are invited for the two (02) posts of DPLS (as per UAF prescribed rates) for the period not exceeding 89 days in ACIAR funded research project titled "Improving small holder wellbeing through participation in modern value chain: Sustaining future growth in Pakistan Citrus Industry". The appointment will be purely on DPL basis. Application on plain paper alongwith attested copy of CNIC should reach in the office Prof. Dr. Ahmad Sattar, Co-Coordinator/Director, Institute of Horticultural Sciences, UAF during office hours within 15 days after the publication of this notice. Applications either incomplete or received after due date will not be entertained. The University reserves the right not to fill vacancy without assigning any reason.
- Applications are invited for the four (4) posts of DPL (as per UAF prescribed rates) for the period not exceeding 89 days in PARB funded research project No. 22-339 titled "Development and commercialization of tomato developed by inter-and intraspecific hybridization for tolerant to virus, heat and improvement in shelf life in Punjab". The appointment will be purely on daily wages basis. Applications on plain paper alongwith attested copy of CNIC should reach in the office of Project Manager Dr. M. Awais Ghani, Associate Professor, Institute of Horticultural Sciences, UAF during office hours within 5 days after the publication of this notice. Applications either incomplete or received after due date will not be entertained. The University reserves the right not to fill vacancy without assigning any reason.
- Applications are invited for the two (2) posts of DPL (as per UAF prescribed rates) for the period not exceeding 89 days in PARB funded research project No. 22-05 titled "Development of shattering tolerant Brassica napus strains under the scenario of climate change". The appointment will be purely on daily wages basis. Applications on plain paper alongwith attested copy of CNIC should reach in the office of Team Leader Dr. Humera Razzaq, Assistant Professor, Department of Plant Breeding & Genetics, UAF during office hours within 5 days after the publication of this notice. Applications either incomplete or received after due date will not be entertained. The University reserves the right not to fill vacancy without assigning any reason.
- Applications are invited for the one (1) post of DPL (as per UAF prescribed rates) for the period not exceeding 89 days in PARB funded research project No. 22-339 titled "Development and commercialization of tomato developed by inter-and intraspecific hybridization for tolerant to virus, heat and improvement in shelf life in Punjab". The appointment will be purely on daily wages basis. Applications on plain paper alongwith attested copy of CNIC should reach in the office of Team Leader Dr. Luqman Amrao, Associate Professor, Department of Plant Pathology, UAF during office hours within 5 days after the publication of this notice. Applications either incomplete or received after due date will not be entertained. The University reserves the right not to fill vacancy without assigning any reason.

PHD THESIS/SYNOPSIS DEFENCE

- Mr. M Tahir Murad, Regd. No. 2018-ag-134, is a PhD scholar in the Department of Plant Pathology, UAF has already successfully defended his PhD synopsis "Monitoring of cucumber Fusarium wilt disease in open and tunnel farming system in Punjab, Pathogen biology and its integrated management" at university level on 06-01-2023. Now on the recommendation of supervisory

committee his research plant and synopsis title was modified as "Surveillance, pathogen biology and integrated management of cucumber fusarium wilt in Punjab". Now according to the academic requirement he was successfully re-defend his synopsis title on 06-10-2023 at 02:30 pm in seminar room D. 176, UAF.

- Mr. Dawood Naseer, Regd. No. 2012-ag-1113, a PhD student (Pharmacology), Institute of Physiology & Pharmacology will defend his PhD thesis entitled "Preparation, characterization and pharmacological evaluation of Geranium and Lavender essential oils based nano-formulations in FCA induced rheumatoid arthritis" on 11-10-2023 at 11:00 am in the Conference Room, Faculty of Veterinary Science, UAF. All interested are invited to attend the defense of PhD thesis on the scheduled date and time.
- Mr. Muhammad Ahmad, Regd. No. 2010-ag-2673, a PhD student, Department of Agronomy, will defend his PhD thesis on 19-10-2023 at 11:00 am in the Department of Agronomy, Faculty of Agriculture, UAF. The title of his thesis is "Application of thiourea to attenuate the adverse effect of heat stress in camelina and canola". All interested persons are invited to participate.
- Syed Arshad Ali Rizvi, Regd. No. 2007-ag-1540, student Department of CMS will defend his doctoral research thesis entitled "Effect of camel milk and cow milk alone and in combination with metformin on haemato-biochemical, histological profile and pancreatic gene expression in alloxan-induced diabetic rabbits" on 16-10-2023 at 09:00 am in the Seminar room, Faculty of Veterinary Science, UAF. All interested are invited.

AUCTION NOTICE

- An open auction will be conducted at Endowment Fund Secretariat, 06 Main road, UAF for the auction of non-functional/ unserviceable items on 13.10.2023 at 10.00 am on as is where is basis.
