#### **GUIDELINES FOR SUBMISSION OF POL AND UTILITY BILLS**

During the scrutiny of POL (Petroleum, Oil & Lubricants) claims/bills, it has been observed that many bills reflect overcharged amounts due to overstated travel distances recorded by drivers in their logbooks. To avoid overpayments and additional expenditures effectively, I am directed to inform you that bills containing unjustified or inflated travel distances will not be entertained or processed. Furthermore, it has also been noted that utility bills are frequently submitted on or very close to their due dates, which places unnecessary pressure on the Treasurer's Office. To ensure timely processing of such payments, it is requested that all utility bills be submitted at least three working days before their due date. Your cooperation in adhering to these guidelines will help ensure efficient and accurate processing of claims.
