“corrupt practice” means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution

“fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Borrower, and includes collusive

practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Purchaser of the benefits of free and open competition.

2. In the event of termination of the Agreement in whole or in part, the Director (P&IC) may procure, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liable to the Purchaser for any excess cost for such similar Goods or Services. However, the Supplier shall continue performance of the Agreement to the extent not terminated.
3. Notwithstanding, the Supplier shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Agreement is the result of an event of Force Majeure.

For purposes of this clause, “Force Majeure” means an event beyond the control of the firm and not involving the firm’s fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the client in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

### O. Termination for Insolvency

The Director (P&IC) may at any time terminate the Agreement by giving written notice to the firm if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the firm, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Director (P&IC).

### P. Termination for Convenience

The Director (P&IC) by written notice sent to the firm may terminate the Agreement, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the client’s convenience, the extent to which performance of the firm under the Agreement is terminated, and the date upon which such termination becomes effective.

The Goods that are complete and ready for shipment within thirty (30) days after the firm’s receipt of notice of termination shall be accepted by the client at the Agreement terms and prices. For the remaining Goods, the Director (P&IC) may elect:

- (a) to have any portion completed and delivered at the Agreement terms and prices; and/or
- (b) to cancel the remainder and pay to the firm an agreed amount for partially completed Goods and Services and for materials and parts previously procured by the firm.

### Q. Arbitration:

- i. If any dispute or difference arises between the parties (firm and the client) in execution of the Agreement, the parties shall make every endeavor to resolve the dispute or difference amicably. If the dispute or difference is not resolved either of the party may see arbitration.
- ii. If the firm intends to go for arbitration, he shall have to give 30 days notice in writing informing the Director (P&IC) of his intention to refer to the points of differences or dispute
