ANNUAL REPORT

2024-25

University of Agriculture
Faisalabad-Pakistan

Cultivating Knowledge, Inspiring Generations
Since 1906

Advisory Committee/Editorial Board

Preparation of Annual Report 2024-25

Patron-in-Chief:

Prof. Dr. Zulfiqar Ali, Vice Chancellor

Convener:

Prof. Dr. Rao Zahid Abbas, Principal Officer, Academic, Teaching, Research & Incubation

Editor-in-Chief:

Mr. Muzaffar Hussain Salik, Principal Officer, Press & Publications

Members Advisory Committee

Prof. Dr. Muhammad Sohail Sajid, Department of Parasitology

Prof. Dr. Muhammad Imran Arshad, Director, ORIC

Prof. Dr. Imran Pasha, Director General, NIFSAT

Prof. Dr. Abdul Ghaffar, Principal UAF Community College, PARS

Prof. Dr. Imran ul Haq, Department of Plant Pathology

Dr. Saif Ullah, Associate Professor, Institute of Social & Environmental Sciences

Dr. Bilquees Fatima Usman, Associate Professor, Institute of Horticultural Sciences

Dr. Sabahat Parveen, Associate Professor, Department of English and Linguistics

Dr. Imran Mumtaz, Associate Professor/Principal Officer, ITRCDB

Dr. Sidra Altaf, Lecturer, Department of Pharmacy

Mr. Irfan Abbas, Director Planning & Development

Mr. Jahanzaib Tariq, Lecturer/Principal Officer, Directorate of Public Relations

Mr. Mumtaz Ali, Deputy Registrar /Incharge University Press/Managing Editor

Mr. Muhammad Asif Siddique, Deputy Registrar/Technical Staff Officer to VC/Editor (Coordination)

Mr. Muhammad Amin, Office of University Books and Magazines (Secretary)

Editorial Team

Mr. Mumtaz Ali, Deputy Registrar/Incharge University Press/Managing Editor

Mr. Muhammad Asif Siddique, Deputy Registrar/Technical Staff Officer to VC/Editor (Coordination)

Mr. Azmat Ali, Artist/Associate Editor

Mr. Muhammad Asif, University Artist/Graphic Designer/Associate Editor

Mr. Muhammad Ismail, Office Assistant/Associate Editor

Mr. Hafiz Shahzad Majeed, Sub-Editor

Mr. Muhammad Nadeem Akhter, Graphic Designer

Mr. Asif Mehmood, Urdu Typist/Editorial Assistance/Composer

Mr. Qaiser Mahmood, Circulation

Vice Chancellor Prof. Dr. Zulfiqar Ali Receiving Academic Excellence Award 2025
by
The Worthy Chancellor/Governor of The Punjab Sardar Saleem Haider Khan and
The Chairman Superior University Prof. Dr. Chaudhry Abdul Rehman

Foreword

In the enduring journey of the University of Agriculture, Faisalabad—a journey that began with a vision to transform Pakistan's agricultural landscape—the year 2024–25 stands as a defining chapter. It is with immense pride and profound respect for our institutional legacy that I present this Annual Progress Report to the esteemed members of the Senate.

This report is more than an account of achievements; it is the story of a university resolutely advancing toward its destiny as a global leader in agricultural education, research, innovation and outreach.

In academic excellence, UAF has elevated its teaching, research, and outreach to meet and surpass international standards. It has launched forward-looking academic programs, expanded interdisciplinary research, and secured competitive national and international grants.

The scholarly output of our faculty and students in publications, patents, variety registration, trademarks, license agreements and awards have reached record levels, affirming our role as a knowledge leader. According to the QS World Rankings, UAF has achieved 34th position globally in Agriculture & Forestry, evidencing its teaching and research excellence. Innovative initiatives, robust technology-transfer activities, finding solution of intricate problems and significant research commercialization have made it unprecedented and rendered it unparalleled. Strengthened industry–academia partnerships have created pathways for joint ventures, commissioned research consultancy projects, and professional training, ensuring that knowledge flows seamlessly from the laboratory to the marketplace.

UAF fosters conducive environment where talent is the only measure of advancement. Through digitalization, UAF has transformed learning, research, and governance by deploying smart classrooms, AI-powered agricultural analytics, and virtual-learning platforms to expand both reach and efficiency.

In entrepreneurship, our incubation hubs, start-up accelerators, and agri-business ventures have not only nurtured innovators but also laid the foundation for sustainable business models that will make UAF increasingly self-sufficient. Revenue-generating research and advisory/ consultancy services, commercialization of university-developed technologies and industry consultancy are already contributing to institutional sustainability. Importantly, it has enhanced incentives for faculty and students as acknowledgment from research support and international exposure to performance-based rewards ensuring that excellence is nurtured and celebrated.

Looking ahead, our extended strategic plan 2050 envisions UAF as a global hub of agricultural leadership, integrating artificial intelligence, biotechnology, climate-smart agriculture, speed breeding, promotion of sustainable agricultural practices and policy innovation to address food security, rapidly growing population and rural development challenges in Pakistan and beyond.

The achievements of 2024–25 are the result of a shared commitment. I extend my deepest appreciation to our faculty, staff, students, alumni, industry partners, and policymakers whose contributions have made this progress possible. I also thank the Editorial Board & Advisory Committee for preparing this valuable document with care and dedication. Together, we will continue honoring our legacy while charting new frontiers in knowledge, innovation, and affective service delivery mechanism for the betterment of the country.

Prof. Dr. Zulfiqar Ali

Vice Chancellor

University of Agriculture, Faisalabad

VISION

To lead the change through outstanding achievements in learning, discovery, innovation and community services with clear focus on programs of significance to agricultural and rural development

MISSION

In order to make Pakistan a prosperous, food-secure and resilient nation, aims and goals of UAF are as follows:

- ❑ To advance knowledge through basic and applied research
- ❑ To revamp human resource development by transforming the pedagogic process from teaching to learning
- ❑ To facilitate lifelong learning by providing agricultural focused academic programs
- ❑ To promote agrarian reforms through research based agricultural policy
- ❑ To disseminate knowledge to the community through extension and outreach
- ❑ To promote sustainable farming and food systems, from production through consumption

BRIEF ON THE UNIVERSITY OF AGRICULTURE, FAISALABAD-PAKISTAN

A LEGACY OF EXCELLENCE FROM 1906 TO GLOBAL LEADERSHIP

INTRODUCTION

The roots of University of Agriculture, Faisalabad, trace back to 1906, when the Punjab Agricultural College and Research Institute, Lyallpur, was established under the British colonial government. Its aim was to introduce modern agricultural education and scientific farming techniques to the Punjab region. The Institute quickly emerged as a pioneer in agricultural teaching and research in South Asia, with a special focus on soil science, irrigation practices, crop variety improvement (wheat, cotton, sugarcane, pulses), horticulture, plant protection, livestock breeding and

veterinary sciences. It also served as a model farm and training center for farmers, extension workers and researchers, shaping the region's agricultural backbone.

Recognizing its outstanding contributions, the Government of Pakistan upgraded the Institute to the University of Agriculture, Faisalabad in 1961. This transition marked the beginning of comprehensive higher education in agriculture and allied sciences, along with the authority to confer undergraduate, graduate and doctoral degrees. The University expanded its faculties to include Agricultural Engineering, Veterinary Science and Social Sciences and established

collaborations with international institutions such as USAID, FAO and Commonwealth universities. Over the decades leading to the year 2000, UAF evolved from a single-focus agricultural institution into a multidisciplinary university while retaining its leadership in agricultural sciences. Notable milestones include faculty expansion into food science, environmental sciences, business management and rural sociology. UAF played a significant role in Pakistan's Green Revolution especially in developing high-yield Wheat and Cotton varieties and continues to take pride in its accomplishments. Recently, the Punjab Seed Council approved the Durum wheat variety "Chenab Pasta 24", developed under the leadership of Prof. Dr. Zulfiqar Ali is marking a significant contribution to the food industry. In the last two decades, UAF has consolidated its reputation as one of the world's leading agricultural

universities. It consistently ranks among the top global universities in agriculture and forestry. According to the QS World University Rankings 2024, UAF achieved 34th position globally in Agriculture and Forestry a remarkable leap from 49th in 2024.

Under the dynamic leadership of Prof. Dr. Zulfiqar Ali, Vice Chancellor, UAF has aligned its strategies around academic excellence, research innovation, meritocracy, equity, digitalization and entrepreneurship becoming a global think tank for sustainable agriculture. The university is spearheading Pakistan's transition toward climate-smart, technology-driven and export-oriented agriculture, fostering stronger industry academia & government alliances for food security and rural prosperity and cultivating a culture of innovation and equity across all academic and research domains.

Academic Organization

The academic organization is assigned to impart education, conduct research and extension in various disciplines through different Faculties, Constituent Colleges, Directorates, Institutes and Departments. The Faculties are headed by Deans, Sub Campus and Constituent Colleges by Principals, Institutes and Directorates by Directors or Principal Officers and the Departments by one of the senior teachers of the Department, called the Chairman. The University's 9 faculties, 3 Constituent Colleges, 1 Sub-Campus, 11 Institutes, 17 Directorates, 9 Centers, 31 Departments, 7 Public Sector Institutions, a well organized Laboratory School and College System (having 5 branches) affiliated with the University are as follows:

a) Faculties

- Faculty of Agriculture
- Faculty of Social Sciences
- Faculty of Agricultural Engineering and Technology
- Faculty of Animal Husbandry
- Faculty of Veterinary Science
- Faculty of Sciences
- Faculty of Food, Nutrition & Home Sciences
- Faculty of Arts & Humanities
- Faculty of Health & Pharmaceutical Sciences

b) UAF Constituent Colleges

- Toba Tek Singh Campus
- Burewala Campus
- Depalpur (Okara) Campus
- UAF PARS Campus (Community College)

c) Institutes

- Institute of Soil & Environmental Sciences
- Institute of Horticultural Sciences
- Institute of Business Management Sciences
- Institute of Agricultural Extension, Education and Rural Development
- Institute of Agricultural and Resource Economics
- National Institute of Food Science & Technology
- Institute of Home Sciences
- Institute of Microbiology
- Institute of Animal and Dairy Sciences

- Institute of Physiology & Pharmacology
- Punjab Bio-energy Institute

d) Directorates

- Directorate of Research, Innovation and Commercialization
- Directorate of Graduate Studies
- Directorate of Students Affairs
- Directorate of Sports
- Directorate of Financial Assistance and University Advancements
- Directorate of Planning & Development
- Directorate of Academics
- Directorate of External Linkages
- Directorate of Outreach
- Directorate of Procurement & Inventory Control
- Endowment Fund Secretariat
- Directorate of Admission
- Directorate of Human Resource
- Directorate of Internal Audit
- Directorate of Monitoring & Evaluation
- Directorate of Press & Publications
- Directorate of Public Relations

e) Centers

- Center of Agricultural Biochemistry and Biotechnology (CABB)
- Water Management Research Center (WMRC)
- Center for Advanced Studies in Agriculture & Food Security (CAS-AFS)
- Business Incubation Center (BIC)
- Career Development Center (CDC)
- Agri. Policy, Law & Governance Center (APLGC)
- Neurocognitive Behavioral Research Center (NBRC)
- Saline Agriculture Research Center (SARC)
- Professional Training & Skill Development Center (PTSDC)

f) Affiliated Public Sector Institutions

- In Service Agricultural Training Institute, Sargodha
- In-Service Agricultural Training Institute, Rahim Yar Khan
- Pak-German Institute of Cooperative

- Agriculture, Chak-5 Faiz, Multan
- Barani Agricultural Training Institute, Dahgal, Rawalpindi
- In-Service Agricultural Training Institute, Karor Lal Eisan, Distt. Layyah
- Extension Services Management Academy (ESMA) Garhi Dopatta, Muzaffarabad, Azad Kashmir
- Army Service Corps School Nowshera Cantt.

g) **Departments**

There are 31 teaching departments of the University working under different faculties

h) **Women Industrial Home**

Women Industrial Home is working since 1970 for welfare of B and C grade employees of the university and general masses. Accordign to the present setup many short courses are being offered at Women

Industrial Home. Qualified and experienced staff is hired for imparting skill development.

i) **Day Care Centre**

A Day Care Centre has also been established at the Main Campus

j) **Schools**

The University also runs following Lab. Schools:-

- Junior Lab. School (Main Campus)
- Laboratory Girls High School (Main Campus)
- Laboratory High School (Boys) (Main Campus)
- Junior Lab. School/Lab. Girls High School at PARS
- Junior Lab. School at Toba Tek Singh
- Junior Lab. School at Mohalla Usman-e-Ghani, GM Abad, Fsd

CONTROLLER OF EXAMINATIONS

Office of the Controller of Examinations plays a spectacular role in public image building of the University. The students demand timely declaration of result, issuance of various documents like detailed marks certificate, provisional certificate, etc. and an early evaluation of their theses. Final result notification process right from receipt of GS-10/UG-1 forms and award lists have been computerized. The process, which used to take months, now takes days and is almost error free. The documents are issued at the earliest or as and when the due process is complete. The results are received via LMS and online result submission portals. The electronically submitted results are accessed and used for compilation and notification purpose. This has saved a lot of time and labour that was otherwise laborious manual feeding of data.

Declaration of Results

Office of the Controller of Examinations issues the semester result notifications as well as final result notifications. In addition to this, Postgraduate Section of the Controller of Examinations office notifies the award of degrees to the successful candidates thrice in a month. The result notifications of PhD Scholars are issued immediately after all the requisite formalities are fulfilled. During the year under report, 123 scholars were admitted to the degree of PhD (Annexure-I).

Affiliated Institutes

The Controller of Examinations office also conducts the examinations of the students from the affiliated Institutes. There are 6 In-Service Government

Agricultural Training Institutes in different areas of the Punjab and one Extension Services Management Academy (ESMA) at Garhi Dopatta, Muzaffarabad, Azad Kashmir affiliated with the University for three years Diploma course in Agricultural Science (DAS) and two years Livestock Assistant Diploma (LAD) and Two years Poultry Assistant Diploma Course (PAD) at UAF Sub-Campus at Toba Tek Singh. During the year under report 337 DAS, 285 LAD and zero PAD students qualified the above said diplomas.

Economic Measures

As against the previous practice, the PhD thesis are now got evaluated using email in about more than 90% of cases. This has saved a lot of time, money and the number of PhDs produced has markedly increased by using I.T gadgets.

PhD Comprehensive Examination

Comprehensive examination for PhD students was held thrice. During the year 2024-25, 164 PhD. students appeared in the comprehensive examination. The proceedings of the oral part of comprehensive examination are also recorded to ensure unbiased evaluation of the scholar or other possible issues (if any).

GRE (Subject) Type Test

Controller of Examinations office conducts the GRE (subject) type test for admission in PhD studies in different subjects four times in the year under consideration.

Entry Tests

Controller of Examinations office conducted two entry tests (both in the morning and evening sittings) for admission in first degree programme at UAF. The detail is as under:-

Date	Entry Test	Total Candidates
14-07-2024	First degree program	14605
04-08-2024	First degree program	14195

Establishment of Electronic Script Marking Facility

In order to bring complete transparency in the marking of scripts and reducing the time for declaration of results, scripts scanning and preparation of results electronically was established. The capacity of this system was further enhanced by adding more resources and equipments.

DIRECTORATE OF STUDENTS' AFFAIRS

INTRODUCTION

The Principal Officer (Students Affairs) exercises full financial and administrative powers concerning the Directorate of Students Affairs. The Principal Officer also serves as the Chairman of the Students Affairs Committee, providing strategic leadership in policy-making and student welfare initiatives.

One of the core responsibilities of the Directorate is to foster a peaceful, inclusive and respectful campus environment. The office plays a crucial role in resolving issues related to student discipline, transportation, health services, financial matters, library access and co-curricular activities. It also ensures active coordination with other departments to address students' evolving needs efficiently.

The Directorate of Students Affairs at the University of Agriculture, Faisalabad, plays a pivotal role in promoting a supportive and enriching environment for students, contributing significantly to their academic success, personal growth and overall campus experience. The Directorate serves as an essential bridge between students and the University administration, working proactively to ensure that students feel heard, supported and empowered throughout their academic journey.

This vital office is led by the Director Students Affairs and is efficiently supported by a dedicated team comprising four Associate Directors and eleven Deputy Directors. Together, they are engaged round the clock in facilitating a wide range of student-related services, including academic guidance, co-curricular engagement, disciplinary management and logistical support. The team strives to ensure that students are not only academically successful but also well-integrated into the broader campus community.

To uphold a positive institutional image both nationally and internationally, the Directorate consistently works to maintain order, promote student engagement and support diverse student populations. Whether it is through managing routine campus life, handling disciplinary affairs, conducting ID card issuance or overseeing student transport and welfare amenities, the Directorate remains committed to holistic student development.

The following is a summary of services delivered by the various components of the Directorate during the year 2024–2025:

SERVICES DELIVERED DURING 2024–2025

During the academic year 2024–2025, the Directorate of Students Affairs efficiently executed a wide range of responsibilities across its various components to ensure effective student facilitation and campus management.

The Campus Advisory Committee remained actively involved in maintaining discipline and providing counseling services. A total of 15 students (both male and female) were penalized for violations of University rules. Moreover, the Committee provided counseling to 256 students on various issues ranging from academic concerns to behavioral guidance. Additionally, 11 cases were referred to the Disciplinary Advisory Committee for further action, following due process and institutional guidelines.

The Discipline Committee convened 8 formal meetings throughout the year to deliberate on matters related to student conduct, ensuring a fair and consistent disciplinary framework. Similarly, the Students Affairs Committee held 8 meetings, addressing policy matters and student welfare initiatives aimed at enhancing the campus environment and streamlining services.

The I.D. Card Unit remained fully functional, catering to the documentation needs of both students and employees. A total of 5,300 identity cards were printed and issued in various formats according to institutional requirements. This unit continues to serve as a critical support wing for ensuring verified identity and access control across campus facilities.

In managing the affairs of shops, canteens and khokhas, the Directorate oversaw the daily operations of these commercial outlets located across the Main Campus. Activities included the collection of monthly

rent and withholding tax, regular food and hygiene inspections, monitoring of service standards and coordination of procedures related to contract renewal.

The Directorate also facilitated study tours as part of students' academic enrichment. A total of 90 study tours were organized during the year, providing students with practical exposure and experiential learning opportunities in various disciplines.

Maintenance of student welfare facilities also remained a top priority. A total of 36 water coolers installed across the Main Campus were repaired and maintained, ensuring access to clean and cold drinking water for both students and staff throughout the year.

Lastly, the daily campus rounds conducted by the Director Students Affairs and his team served as a proactive measure to monitor and support student welfare. These routine visits allowed the team to observe campus dynamics firsthand, address emerging issues and maintain a strong administrative presence, thereby promoting a healthy and disciplined academic environment.

RESEARCH & DEVELOPMENT (AN OVERVIEW)

Strategic Achievements and National Recognition

In the year 2024–25, the Office of Research, Innovation and Commercialization (ORIC) at the University of Agriculture Faisalabad (UAF) achieved remarkable milestones, reaffirming its dedication to advancing research, innovation and national development. ORIC-UAF secured the top rank among HEC-recognized ORICs for the second consecutive year, earning an additional 15% overhead on HEC-funded projects, a testament to its sustained excellence.

Research and Development Leadership

UAF significantly expanded its research portfolio, attracting funding from national and international agencies to tackle pressing global challenges such as climate change, healthcare, food security, artificial intelligence and sustainable energy. Key accomplishments include:

- Financial support for postgraduate research
- Surge in national and international research publications
- Successful registration of new crop varieties and patents
- Reimbursement of publication fees and intellectual property filings
- Launch of new faculties, institutes and academic programs
- Active participation in the Wheat Enhancement Campaign
- Organization of capacity-building events for government officials, faculty and graduate students

Innovation and Entrepreneurship

UAF strengthened its entrepreneurial ecosystem through initiatives like NICF, BIC, Plan-09 and IP awareness workshops. A landmark achievement was the registration of Agri. Connect Innovations Pvt. Ltd. UAF's first official company designed to support faculty-led startups and commercialize research outputs.

Further, the establishment of the Technology Innovation Support Center and the inaugural Agri. Tech Park by STZA promises transformative support for research commercialization, offering fiscal incentives and attracting foreign investment.

Quality Assurance and Global Standards

UAF maintains rigorous oversight of HEC scholars and PhD supervisors. To align with international export standards, the Institutional Biosafety and Bioethics Committees conducted workshops and online courses, resulting in a rise in certified professionals. UAF now holds 29 NBC licenses for transgenic research, reflecting growing institutional capacity.

Global Rankings and Recognition

ORIC-UAF actively contributes data to global ranking agencies, helping UAF secure the 34th position worldwide in the subject category of Agriculture and Forestry by the QS World Universities Ranking. In overall world university ranking, UAF stands at 654th in general category and 5th best in the country. In HEC's Annual ORIC Self-Assessment Evaluation Report for 2023–24, ORIC-UAF has been highly recognized in "W" category as role model office among the HEC-recognized ORICs of the country.

Central Hi-Tech Laboratory Expansion

The ISO-certified Central Hi-Tech Lab continues to offer advanced analytical services. The recent acquisition of a Zetasizer, funded by ORIC enables nationwide particle size analysis. Ten labs now provide commercial services, generating revenue, while an Instrument Repair Cell is being established to restore non-functional equipment.

During the reporting year, analysis of 6694 samples was conducted with an amount of Rs. 1.742 million earning. The Central Hi-Tech Lab provided Diagnostic Facilities to other Institutes/Organizations including University of the Punjab, Lahore, Islamia University, Bahawalpur, FC College, Lahore, University of Lahore, Lahore, Lahore College for Women, Lahore, Islamia University, Bahawalpur, University of Education, Faisalabad, Govt. College Women University, Faisalabad, University of Education, Lahore (Faisalabad Campus), Bahauddin Zakriya University, Multan, Riphah International University, Faisalabad and Govt. College University, Faisalabad.

The Central Hi-Tech Laboratory entertained 530 students, projects, private organizations for lab analysis of their samples. More than 306 students from UAF, G.C University, Faisalabad, University of Education, Faisalabad, BZU, Multan, The University of Faisalabad, Govt Postgraduate College Faisalabad, GCWU, Faisalabad, Govt College of Science Lahore and Govt Graduate College Faisalabad imparted Hands-on trainings from CHTL on HPLC, Atomic Absorption Spectrophotometer (AAS), Zeta Sizer Spectrophotometer, Scanning Electron Microscope (SEM), Gas Chromatograph, Proximate Analysis and General Laboratory Equipment. Furthermore, 849 students from institutions/organizations were given practical demonstrations of the installed equipment at CHTL.

Collaborative Research Networks

UAF maintains robust partnerships with national bodies like HEC, PSF, PARC/ALP, PAS and provincial governments. International collaborations span institutions such as UC-Davis (USA), University of Kassel (Germany), CSIRO (Australia) and the Chinese Academy of Sciences. These alliances support joint research initiatives, including CPEC and Pak-France programs. University experts are involved in 171 ongoing research projects worth 1899.081 million PKR of various funding agencies and nine (09) research projects of 124.159 million rupees were completed during the reporting year.

Engro Learning Center (ECL)

During the reporting year, the ECL organized 23 outreach activities that include training workshops, seminars, field demonstrations and capacity building sessions with more than 1400 participants. The events were organized with the help of various departments of the university. During this period, nine (09) students were provided paid internship opportunities at Engro Learning Center. There were 3 collaborative research projects worth 21.972 million rupees completed by the experts (i) Prof. Dr. Abdul Wakeel, Dr. Tariq Aziz and Prof. Dr. Hafiz Naeem Asghar of the UAF.

Impact and Strategic Outlook

Competitive grants have empowered postgraduate research, expanded lab infrastructure and supported outreach. Indirect costs have funded innovative research, startup seed money, publication reimbursements and employment.

ORIC's efforts have deepened university-industry linkages, fostering problem-solving research with partners like FCCI and Engro Fertilizers. Looking ahead, UAF is poised to drive national food self-sufficiency and reduce the import bill, contributing meaningfully to Pakistan's GDP.

RESEARCH PROJECTS

Summary of the Research Projects (2024-25) Funded by HEC, ALP, PARB, PSF, EFS and Industry

Ongoing Research Projects from Pakistan	132	1496.419
Ongoing Research Projects with International Collaboration	39	402.662
Newly launched research projects	26	218.575
Completed research projects during the reporting year	09	124.159

3.	Vermicomposting: An Agricultural Waste Management Technology	Dr. Zubair Aslam	Department of Agronomy	1.86
4.	Evaluation of Tibetan Tea Extract in Prevention and Treatment of Necrotic Enteritis in Broilers	Dr. Muhammad Kashif Saleemi	Department of Pathology	2.43
5.	Economic and Policy Analysis / Market Research Component - I	Dr. Muhammad Amjed Iqbal	Institute of Agricultural and Resource Economics	6.67
6.	Comparative Agronomic Appraisal of Exotic Chinese and Local Hemp (<i>Cannabis sativa</i> L.) for better Fiber Quality Traits and large-Scale Commercialization in Pakistan	Dr. Saddam Hussain	Department of Agronomy	9.68
7.	Monitoring Antimicrobial use and Antimicrobial Resistance in Commercial Poultry Farming in Pakistan	Dr. Mashkoor Mohsin Gilani	Institute of Microbiology	12.54
8.	Assessment of Genetic Variability and Phenotypic Behavior in Quinoa for Heat Stress Tolerance	Dr. Hafeez ur Rehman	Department of Agronomy	1.052
9.	Introduction of Climate Resilient Citrus Germplasm and Establishment of Hi-Tech Citrus Orchards	Dr. Muhammad Azam	Institute of Horticultural Sciences	21.95
10.	Accelerating Genetic Gain in Wheat through Hybrid Breeding in Bangladesh, Ethiopia and Pakistan	Dr. Zulfiqar Ali	Department of Plant Breeding & Genetics	44.90

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
11.	Improving small holder well-being through participation in modern value chains: Sustaining future growth in the Pakistan Citrus Industry (relating to ACIAR Project No. HORT/2020/129)	Dr. Ahmad Sattar Khan	Institute of Horticultural Sciences	46.80
12.	An Empirical Economic Analysis of Agriculture Production among Fresh Producers in Emerging Countries	Dr. Muhammad Amjed Iqbal	Institute of Agricultural and Resource Economics	0.70
13.	Transmission Dynamics of Antimicrobial Resistance in Broiler Production Pyramid: A Farm to Fork Study	Dr. Mashkoor Mohsin Gilani	Institute of Microbiology	2.75
14.	Development of New Soybean Varieties to be Cultivated in Pakistan to Promote Sustainable Agriculture	Dr. Zulfiqar Ali	Department of Plant Breeding & Genetics	10.00
15.	Prevention and Control of COVID-19 in Kazakhstan and Pakistan	Dr. Muhammad Saqib (CMS)	Department of Clinical Medicine & Surgery	2.98
16.	Tools for the Epidemiology of AMR Plasmids, One Health Transmission and Surveillance	Dr. Mashkoor Mohsin Gilani	Institute of Microbiology	12.10
17.	Intelligent Collection of Food-Legumes Genetic Resources for European Agrofood Systems	Dr. Rana Muhammad Atif	Department of Plant Breeding & Genetics	0
18.	Inhibition of Enhanced Eryptosis in Diabetes Mellitus and Chronic Kidney Disease Patients by Plant Based Novel Compounds	Dr. Kashif Jilani	Department of Biochemistry	1.51
19.	The Pakistan-China Joint Laboratory for Sustainable Plant Diseases and Pest Management	Dr. Abid Ali	Department of Entomology	3.39
20.	Research on Applications of Blockchain Technology in Green Supply Chain Management	Dr. Muhammad Hafeez	Institute of Business Management Sciences	4.25
21.	National Foreign Experts Program Cooperative Development for the Overseas Application of Intelligent Crop Monitoring with Remote Sensing (NFE-ICM)	Dr. Iftikhar Ali	Department of Agronomy	10.00
22.	Adapting to Climate Change through Climate Smart Agricultural Practices in Water Limited Landscapes in South Asia	Dr. Muhammad Saqib (Soil Science)	Institute of Soil & Environmental Sciences	24.14
23.	Biotechnology and Data Science for Crop Health, A Step Forward for National Plant Diagnostic and Disease Surveillance Network	Dr. Zunaira Afzal	Department of Plant Breeding & Genetics	2.88

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
24.	Building the Foundation for a National Plant Diagnostic Network (NPDN) in Pakistan	Dr. Zunaira Afzal	Department of Plant Breeding & Genetics	9.17
25.	Enhancing Learner-centered Pedagogical Skills of the Faculty of University of Agriculture, Faisalabad, Pakistan funded by Academics without Borders, Canada	Dr. Babar Shahbaz	Institute of Agricultural Extension and Rural Development	AWB Funded
26.	Desalination of Brackish Water by Capacitive Deionization	Dr. Kashif Kamran	Department of Physics	1.65
27.	Capacity Building Workshop on "Ensuring Urban Food Security by Regulating Agricultural Supply Chains and Discouraging Non-Agricultural Land Use Changes in Peri-Urban Areas of Mega Cities	Prof. Dr. Iqrar Ahmad Khan	Institute of Horticultural Sciences	9.87
28.	Nutritional status, Dietary Modification and Promotion of Healthy Eating Habits to Cope with Micronutrient Deficiencies among University Going Young Girls of District Vehari, South Punjab Region	Dr. Sadaf Shakoor	Sub-Campus Burewala-Vehari	1.57
29.	Nutritional Profiling of Milk from Different Mammalian Species of Pakistan with Reference to Proteomics and Genomic Studies	Dr. Imran Pasha	National Institute of Food Sciences & Technology	8.37
30.	Local Nutrition Specialist Training	Dr. Allah Rakha	NIFSAT	70.53
31.	Investigating of Risk Factors of Subclinical Mastitis in Lactating Women: A Study on Dietary Practices, Breastfeeding Behavior and its Impact on Human Milk Quality	Prof. Dr. Beenish Israr	Institute of Home Sciences	8.35
32.	Specific Nutrient Enforced Recipe Development by Using Locally Available Ingredients: A Way to Improve Child and Community Nutrition	Dr. Mian Kamran Sharif	National Institute of Food Sciences & Technology	0
33.	High throughput Crop Monitoring using Computer Vision for Climate Smart Agriculture	Dr. Sultan Habib Ullah Khan	CABB	14.11
34.	Development Educational Material and Lab Equipment to Promote Entomology Outreach	Dr. Bilal Saeed Khan	Department of Entomology	0.17
35.	Fertilizer Right Pakistan	Dr. Muhammad Aamer Maqsood	ISES	16.19
36.	Development of Soybean Varieties for Pakistani to Maintain Soil Fertility and Forage Use	Dr. Hafiz Mamoon Rehman	CABB	2.78

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
37.	Climate Resilient and Adaptive Water Allocation in Pakistan	Prof. Dr. Asif Kamran	Agri. Policy, Law and Governance (APLG) Centre	10.67
38.	Student / Staff Exchange Program under ICDD	Dr. Zulfiqar Ali	PBG	0

Newly Launched Projects Funded by PARB

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
1	Managing degraded Land Resources with Multipurpose Tree (Forest, Fruit and Medicinal) Plants for Food Security through Optimizing High Valued Biomass Production, Renewable Energy and Income Generation in Addition to Soil Reclamation and Climate Change Impact Mitigation	Dr. Irfan Ahmad	Forestry and Range Management	24.37
2	Development of an Integrated Pest Management Strategy for Brinjal Shoot & Fruit Borer (<i>Leucinodes Orbonalis</i>) and its Utility on Farmers Field	Dr. Muhammad Arshad	Entomology	13.18
3	Development of an Integrated Pest Management Strategy for Brinjal Shoot & Fruit Borer (<i>Leucinodes Orbonalis</i>) and its Utility on Farmers Field	Dr. Imran-ul-Haq	Plant Pathology	14.34
4	Development of an Energy Efficient Pneumatic Multicrop Small Seed Planter with Fertilizer Application Mechanism	Dr. Muhammad Mubashar Omar, Assistant Prof.	Energy Systems Engineering	7.17
5	Development of an Energy Efficient Corn Cobs drying Facility to Reduce Post-harvest Losses	Prof. Dr. Anjum Munir,	Energy Systems Engineering	12.76
6	Determination of Insecticide Resistance Infield Population of Major Insect-Pests of Maize and its Management	Prof. Dr. M. Dildar Gogi	Entomology	6.25

Ongoing Projects Funded by PARB

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
1.	Cabbage and Cauliflower Seed Production in Punjab-A Step Towards Self Sufficiency in Breeding and Seed Production	Dr. Khurram Zia	Institute of Horticultural Sciences	36.932
2.	Improving Yield, Drought and Salinity Tolerance in Wheat through GA-Sensitive Dwarfing Gene System	Dr. Rizwana Maqbool	Department of Plant Breeding & Genetics	47.19
3.	Developing Agricultural Waste Management System to Produce Different Kinds of Organic Fertilizers for Sustainable Agriculture	Dr. Zubair Aslam	Department of Agronomy	42.36
4.	Use of Biodegradable Super-Absorbent Polymers in Rainfed Agriculture for Enhancing Farm-Scale Profitability and Crop Water use Efficiency	Dr. Saddam Hussain	Department of Agronomy	28.85
5	Integrated Pest Management Approach to Mitigate the Fruit Flies Issues in Vegetables through Biocontrol Agents	Dr. Shahid Majeed	Department of Entomology	32.36
6	Exploration of Nutritional Profile with Shelf Life Extension and Value-Added Products of Kamun (<i>Syzygium cumini</i> L.) and Falsa (<i>Grewia asiatica</i> L.) Fruits	Dr. Ahmad Din	National Institute of Food Sciences & Technology	16.047
7	Promotion of Floriculture Industry Through Diversification, Value Addition and Supply Chain Management	Dr. Iftikhar Ahmad	Institute of Horticultural Sciences	11.93
8	Extraction, Characterization and Authenticity of Gelatin Various Local Sources	Dr. Amna Sahar	Department of Food Engineering	22.22
9	Import of High Value Germplasm and Technologies of Elite Exotic Fruits, Vegetables and Medicinal Crops for Diversification and Sustainable Production in Punjab	Dr. Muhammad Usman (Horticulture)	Institute of Horticultural Sciences	83.21
10	Preparation and Commercialization of Coated Micronutrients and Control Release Fertilizers for Improving Yield and Quality of Crop	Dr. Saba Jamil	Department of Chemistry	10.03
11	Development of New Mango Varieties with Superior Traits and Management Strategies Against Vivipary and Under-Skin Browning in Mango Cv. Sufaid Chaunsa	Dr. Raheel Anwar	Institute of Horticultural Sciences	12.26

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
12	Development of Soybean in Pakistan to Reduce the Import bills	Dr. Zaheer Ahmad	Department of Plant Breeding & Genetics	99.77
13	Development of Ecofriendly Plant Based Acaricides for the Effective Control of Cattle Ticks	Dr. Rao Zahid Abbas	Department of Parasitology	16.67
14	Development of Soybean in Pakistan to Reduce the Import Bills (Component-I)	Dr. Ahmad Din	National Institute of Food Sciences & Technology	12.174
15	Integrated Pest Management Approach to Mitigate the Fruit Flies Issues in Vegetables through Biocontrol Agents (Component I)	Dr. Imran-ul-Haq	Department of Plant Pathology	12.64
16	Extraction, Characterization and Authenticity of Gelatin Various Local Sources	Dr. Muhammad Issa Khan	NIFSAT	12.01
17	Extent and Drivers of Crop Diversification in Punjab Pakistan: A Comparative Analysis of Diversified and Non-Diversified Farming for Sustainable Farm Income	Dr. Asghar Ali	Institute of Agricultural and Resource Economics	1.487
18	Linking Academia and Industry with Farmers for Effective Adaptaiont to Climate Change: Exploring Issues and Benchmarking Viable Framework(S) for Effective Linkages to Build Farmers and Community Resilience	Dr. Azhar Abbas	Institute of Agricultural and Resource Economics	2.935
19	Development of Sustainable Value Chain for Fibres Extractive from The Cornhusk Agro-Waste	Dr. Fiaz Hussain	Dept. of Fibre and Textile Technology	13.469
20	Development of Tractor Mounted Vegetable Nursery Transplanter	Dr. Muhammad Zaman	Department of Irrigation & Drainage	19.426
21	Rice Straw Management by Substrate Stimulated Microbial Consortium to Improve Soil and Environmental Health	Dr. Hafiz Naeem Asgher Ch.	Institute of Soil & Environmental Sciences	14.98
22	Development and Commercialization of Tomato developed by Inter-and Intraspecific Hybridization for Tolerant to Virus, Heat, Frost and Improvement in Shelf Life in Punjab	Dr. Muhammad Muzammil Jahangir	Institute of Horticultural Sciences	21.484
23	Population Dynamics Studies and Management of Fall Army Worm on Maize Crop	Dr. Muhammad Arshad	Dept. of Entomology	14.48
24	Population Dynamics Studies and Management of Fall Army Worm on Maize Crop	Dr. Imran-ul-Haq	Department of Plant Pathology	14.81

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
25	Development of Climate Resilient, High Yielding and Low Prussic Acid Sorghum Variety under Various Agro-Ecosystems of Punjab, Pakistan	Dr. Zulfiqar Ahmad Saqib	Inst. of Soil & Environmental Sciences	26.797
26	Dna Fingerprinting of Tomato Germplasm and Molecular Identification of Tomato Hybrids	Dr. Faisal Saeed Awan	CABB	8.038
27	Screening of Developed Hybrid Against Virus in Late Summer	Dr. Luqman Amrao	Dept. of Plant Pathology	2.193
28	Development of Shattering Tolerant Brassica Napus Strains under the Scenario of Climate Change	Ms. Humera Razzaq	Dept. of Plant Breeding & Genetics	12.561
29	Development of Rohi Chicken for Cholistan	Dr. Zia-ur-Rehman	UAF Sub-Campus, Toba Tek Singh	9.96

Endowment Fund Secretariat (EFS) (Completed)

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
1	Appraisal of Hispidulin in Downregulation of Hyperglycemia; A Novel Therapeutic Approach	Dr. Wafa Majeed	Institute of Pharmacy, Physiology and Pharmacology	2.563
2	Institutional Dynamism and Performance of Irrigation Systems Amid Climate, Demographic and Market Changes: Cases from Pakistan	Prof. Dr. Asif Kamran	Agri. Policy, Law and Governance (APLG) Centre	7.776

Ongoing Projects Funded by EFS

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
1	Tunnel Grower's Training of Integrated Disease Management: An Eco-Friendly approach	Dr. Osama Bin Abdul Hafeez	Constituent College, Burewala-Vehari	2.023
2	Field Evaluation for Commercialization of Herbicide-Tolerant (CABB-HTS) and Insect-Resistant and Insect-Resistant (CABB-IRS) Transgenic Sugarcane	Prof. Dr. Muhammad Sarwar (CABB)	Center of Agricultural Bio-Chemistry & Bio-Technology	6.569
3	Marker Assisted Selection for Low Erucic Acid and High Oil Content in Progeny Derived from Indigenous Oilseed Brassica Germplasm Assessed under Rainfed Conditions	Dr. Sidra Iqbal	Constituent College, Depalpur	3.153

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
4	Demonstration of Soybean Genotypes and Cropping Pattern Specific Production Technology at Farmer Field	Dr. Safdar Ali (Agronomy)	Department of Agronomy	3.851
5	Establishment of Low Fruit Fly Prevalence Zone (LFFPZ) at UAF-Main Campus	Dr. M. Dildar Gogi	Dept. of Entomology	3.841
6	Popularization of Home Gardening in Urban and Peri Urban Areas of Punjab	Prof. Dr. Muhammad Jalal Arif	Department of Entomology	8.035
7	Demonstration of Best Production Management Practices for Chickpea Production in Irrigated Areas	Dr. Rana Muhammad Atif	PBG	2.966
8	Enhancement of Germplasm Diversity through Wide Cross Hybridization for Cotton Improvement and Sustainability	Dr. Jamshaid Ali Junaid	Department of Plant Breeding & Genetics	3.108
9	Enhancing Yield and Profitability of Okra Through Technology Transfer and Farmer Training	Dr. Amir Shakeel	PBG	3.216
10	Development of Cost Effective Wheat Rust Surveillance System	Dr. Zunaira Afzal	PBG	1.944
11	Field Testing, Evaluation and Demonstration of Climate Resilient Wheat Lines on Different Locations of Pakistan	Dr. Rizwana Maqbool	PBG	0.09
12	Development of a Biopesticide for the Management of Blackleg of Potato In Pakistan	Dr. Khalid Naveed	Department of Plant Pathology	1.375
13	Promoting the use of Nutricious Grain Flour as a Strategy to Combat Malnutrition and Alleviate Pressure on Wheat Production in Pakistan	Dr. Muhammad Azhar Ali (Food Engineering)	Department of Food Engineering	2.81
14	Development of an Artificial Intelligence (Ai)-Based Small-Scale Automated Citrus Grading Platform for Small Farmers	Dr. Muhammad Yamin	Department of Farm Machinery & Power	1.66
15	Developing Prototype of Real-Time Water Monitoring and Transmission System for Irregular Cross-Sections	Dr. Muhammad Uzair Qamar	Department of Irrigation & Drainage	0.90
16	So Sweet: Stevia Promotion and Cultivation in Punjab	Dr. M. Anjum Zia	Dept. of Biochemistry	3.191
17	Tandem Structured Carbon Quantum Dots and Florescent Dyes for Efficient Semi-Transparent Agri-Photovoltaics	Dr. Muhammad Zahid	Department of Chemistry	4.104
18	MD-TSPM: Thermal Stability Prediction Method for Cancer Associated I-Motifs	Dr. Amen Shamim	Department of Computer Science	1.88

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
19	Development of Intelligent Drone Sprayer Formulation Mobile App	Dr. Saqib Ali (Computer Science)	Department of Computer Science	2.394
20	Development of a Decentralized Crop Insurance System Using Ai and Blockchain	Dr. Syed Mushhad Mustuzhar	Department of Computer Science	1.555
21	3-Hydroxyflavone: A Multi-Targeted Approach to Combat Diabetes Induced Damages in Vital Organs	Dr. Muhammad Umar Ijaz	Department of Zoology, Wildlife and Fisheries	1.835
22	Evaluation of Iodized Oil Injection in the Treatment of Udder Fibrosis and Summer Hyperthermia in Dairy Animals	Dr. Imaad Rashid	Department of Clinical Medicine & Surgery	1.888
23	Technology Transfer of a Prototype Field Screening Test for Equine Glanders (LAT-glanders) for Prospective Commercialization	Dr. Muhammad Saqib (CMS)	CMS	2.604
24	Application of A Non-Antibiotic Oral Formulation for the Treatment of Mastitis in Dairy Animals in District Faisalabad	Dr. Asad Manzoor	CMS	2.235
25	Surveillance of Arthropods and Arthropod-Borne Diseases of One Health Significance at Host-Vector-Environment Interface at Various Agro-Geo Climatic Zones of Punjab Pakistan	Dr. Muhammad Sohail Sajid	Dept. of Parasitology	3.867
26	Development and Evaluation of Chitosan Based Nanocomposites for the Control of Aflatoxicosis in Poultry	Ms. Aisha Khatoon	Department of Pathology	2.861
27	Capacity Building of Small-Scale Farmers to Enhance Productivity and Improve Socioeconomic Status through Institutional Outreach Program	Dr. Qamar Bilal	Institute of Animal and Dairy Sciences	5.134
28	Hybrid Tomato Seed Production Protocol Development	Dr. Khurram Ziaf	Institute of Horticultural Sciences	0.30
29	Production of Mass Scale Lumpy Skin Disease Vaccine and Hyperimmune Serum	Dr. Muhammad Shahid Mahmood	Institute of Microbiology	5.807
30	Standardization and Development of Ready to use Kit for Detection of Vancomycin Resistant Staphylococcus Aureus	Dr. Nayyab Batool	Institute of Microbiology	1.50
31	Profitability Analysis of Oilseed Production and Competing Crop in Punjab, Pakistan	Dr. Asghar Ali	Inst. of Agri. and Resource Economics	0.27

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
32	Acidulated Value-Added Product for Bioactivation of Micronutrients to Improve Yield and Quality of Wheat and Maize	Dr. Muhammad Naveed	IS&ES	4.72
33	Establishment of Laboratory Facility for the Detection of Organophosphate Residues by Developing Colorimetric Biosensor	Ms. Sidra Altaf	Institute of Pharmacy, Physiology and Pharmacology	3.96

Ongoing Projects Funded by ALP

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
1	Dna Barcoding of Quinoa (Chenopodium Quinoa) Germplasm and its Associated Pathogens for Taxonomic Identification to Improve Crop Diversification	Dr. Siddra Ijaz	CABB	10.010
2	Integrating Climate Change Adaptation and Mitigation in Agriculture System through Agroforestry for Ecosystem Conservation	Dr. Fahad Rasheed	Forestry and Range Management	6.99
3	Prospects of Biofloc Technology for Tilapia Culture in Pakistan	Dr. Abdul Mateen	Zoology, Wildlife and Fisheries	5.52
4	Preliminary Therapeutic, Etiological and Preventive Investigations on Parturient Hemoglobinuria in Buffaloes and Cows in Faisalabad and Jhang Districts	Dr. Muhammad Saqib	Clinical Medicine & Surgery	1.92
5	Pathobiology and Molecular Epidemiology of Chicken Infectious Anemia & Infectious Bronchitis (IB) in Commercial Poultry and Immune Pathogenesis of IB Variants	Dr. Muhammad Kashif Saleemi	Pathology	4.91
6	Combined Application of Microbial Antagonists and Chemicals to Avoid Logging of Emitters in Drip Irrigation System	Dr. Imran-ul-Haq	Plant Pathology	6.99

Agricultural Linkages Program (ALP) (Completed)

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
1	Supply Chain Management of Cut Flowers through Optimizing Postharvest Handling Protocols	Dr. Iftikhar Ahmad	Horticultural Sciences	4.43

Newly Launched Projects Funded by PSF

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
1	Developing Innovative and Low-Cost Biochar-Based Materials for Filtration of Arsenic from Drinking Water	Dr. Zulfiqar Ahmad Saqib	IS&ES	7.21

Ongoing Projects Funded by PSF

SN	Title of the Project	Name of PI	Dept./Inst.	Amount Rs. (M)
1	Establishment of Certified Huanglongbin (HLB) Free Citrus Nurseries through Advance Metabolomics Technologies	Dr. Fozia Saleem	CABB	3.43
2	Determination of Weed Crop Competition Time and Economic Threshold of Weeds in Major Crops	Dr. Rizwan Maqbool	Department of Agronomy	1.35
3	Study on the Formation and Conversion Processes of Water Resources and Sustainable use in the Indus Basin	Dr. Muhammad Zaman	Department of Irrigation & Drainage	5.99
4	Development of Silver(I)-N-Heterocyclic Carbene Based Cubosome Hydrogels for Topical Treatment of Burns	Dr. Muhammad Adnan Iqbal	Department of Chemistry	2.945
5	Design, Development and Commercialization of Metal Organic Framework (MOF) Based Efficient Perovskite Solar Cells	Dr. Hafiz. Muhammad Asif Javed	Department of Physics	4.04
6	Treatment of Acute Mycotoxicosis in Poultry and Animals Through Development of Indigenous Mycotoxins Inactivating Liquid Product	Dr. Muhammad Kashif Saleemi	Department of Pathology	5.29
7	Establishing Phenological and Genetic Responses to Seasonal Shifts in Guava (Psidium guajava L.) Germplasm	Dr. Muhammad Usman (Horticulture)	Institute of Horticultural Sciences	5.29
8	Adaptation Mechanism of Water, Food and Ecosystem Security in CPEC under Climate Change	Dr. Muhammad Khalid Bashir	Institute of Agricultural and Resource Economics	3.42
9	Economic Utilization of Salt Affected Soil with the Integration of Chemical and Biological Approaches to Live within Salinity for Sustainable Agro-Ecosystem	Dr. Muhammad Anwar-ul-Haq	Institute of Soil & Environmental Sciences	3.32

Consultancy Projects / Agreements/Academia Industry Linkages Developed

UAF researchers collaborate with industry for the solution of their industrial problems/bottlenecks through Consultancy Projects under UAF Commercialization Policy. During reporting period, Scientists at this campus extended consultancy services as per detail given below

SN	Agreement/ Project	Consultant Name	Agency	Title
1.	Consultancy	Dr. Muhammad Rizwan Tabbassum, Assistant Professor/Incharge PBI	M/s Wajid Iqbal & Co, Faisalabad	Biogas Production and Analysis Towards Environmentally Friendly Technology
2.	Consultancy	Dr. Irfan Ahmad, Associate Professor, Department of Forestry and Range Management	CABI	Agrobiodiversity in Potato Pepsico EEE10030A-A Pakistan
3.	Consultancy	Dr. Muhammad Nadeem, Assistant Professor, Farm Machinery and Power	Asim Mumtaz Agricultural Farm 18 Hazari District Jhang	Consultant Regarding Farm Implements and Improved Farm Structure
4.	Consultancy	Dr. Adnan Mukhtar, Assistant Professor, UAF- Constituent College, Depalpur Okara	M/S Taste Roots, Gujranwala	Consultancy Regarding Dried Fruits, Herbs Spices and Innovative Food Products
5.	Consultancy	Dr. Muhammad Naveed, Professor, IS&ES	Sadiq Abadan (SA) Farm, 17km Khurianwala, Road Jaranwala	Improving the Farm Lad by using Biological/Regenerative Practices, Improve Saline/ Sodic Soils and Achieve a Crop Yield Reasonable Inputs that Financially Viable
6.	Consultancy	Dr. Mashkoor Mohsin Gilani, Associate Professor, Institute of Microbiology	Food and Agriculture Organization (FAO)	Economic Analysis of Various Alternative to Growth Promoters (Antibiotics) in the Poultry Production System
7.	Consultancy	Dr. Muhammad Naveed, Professor, IS&ES	Mission fertilizer & chemical Pvt Limited, Lahore	Development of Waste Decomposer s Multi Strain Biofertilizer and Micronutrient Cocktail: s Mult-Nutrient Crop Supplement for Field Scale Evaluation in Different Ecological Zone

SN	Agreement/ Project	Consultant Name	Agency	Title
8.	Consultancy	Prof. Dr. Muhammad Sana Ullah, Institute of Soil and Environmental Sciences (IS&ES)	South Asia Partnership (SAP) Pakistan	Development of a Comprehensive Training of Trainers Manual and IEC Material for Young Farmers and Community Climate Leaders from Ghotki, Rajanpur and D.I Khan Districts
9.	Consultancy	Prof. Dr. Imran Pasha, Director General, National Institute of Food Science & Technology (NIFSAT)	Global Affairs Canada (GAS-IFPRI)	Mapping the Farm and Market Level Footprint of Zinc Wheat in Pakistan
10.	Consultancy	Dr. Tariq Aziz, Associate Professor, Depalpur	Engro Fertilizer	Forecasting National Agronomic Demands of Nitrogenous Fertilizers for Next Decades
11.	Consultancy	Prof. Dr. Muhammad Asif Kamran, Director, Policy, Law & Governance Center	CABI	Short Term Consultancy to Review Policies and Conduct One Day Workshop
12.	Consultancy	Dr. Ghulam Mustafa, Farm Officer, Constituent College, Burewala	WWF	Development Training Manual for Farmers and Field staff Regarding Improve Soil Health through Implementing Locally Relevant Practices, 4R Soil Management and Alternative Methods Beyond Synthetics Fertilizers
13.	Consultancy	Dr. Khalid Bashir, Associate Professor, IA&RD	RASTA, Pakistan Institute of Development Economic (PIDE), Pakistan	A Vital under RASTA at PIDE, Focus on Improving Urban Governance, Data Driven Policymaking and Sustainable Development Practices) as Local Partner Research Team Consultant
14.	Consultancy	Dr. Rizwan Tabbasum	M/S RevGreen Pakistan, Lahore	Support in Conducting Biogas and Biomethane Testing at their BEVL Biogas Plant Located in Karachi

2	Dr. Tariq Aziz	Depalpur, Okara	Urea Demand Study for next two decades	3.00
3	Prof. Dr. H. Naeem Asghar	ISES, UAF	Formulation of Zinc coated urea enriched with Zinc-solubilizing bacteria	13.47

QUALITY ENHANCEMENT CELL

The QEC was established in 2004 at the University of Agriculture Faisalabad in accordance with the guidelines of the Higher Education Commission (HEC). Since its establishment, the QEC has been actively involved in raising the quality of education across all degree programs at main campus and constituent colleges. The QEC is involved in capacity building of faculty, staff and students, facilitation in institutional self-assessment process and surveys related to human resource development. The QEC scrutinizes Self-Assessment Reports (SARs) for degree programs on an annual basis and ensures the implementation of SARs evaluation outcomes. The QEC is also responsible for checking similarity (plagiarism) in student synopsis and thesis. Furthermore, the QEC at UAF liaisons and facilitates evaluating/accreditation agencies for degree accreditation or for ranking purposes.

VISION

To elevate UAF to the status of a world class institution for teaching, research, development and innovation by contributing effectively to maintain the highest standards of education in agriculture and allied sciences

MISSION

The mission of the Quality Enhancement Cell, UAF is to improve the standard of education in the areas of agriculture, veterinary sciences, agricultural engineering along with allied fields and to integrate the concept of quality assurance in education with enhanced levels of international compatibility through capacity building.

OBJECTIVES

- To build capacity and enhance standards of quality education at UAF
- To analyze and review the quality standards by auditing academic standards and quality of teaching, learning and management across all fields of education at UAF
- To provide guidance in the development and implementation of internal and external quality assurance procedures and practices
- To ensure that the quality of academic programs at UAF meet the standards expected by stakeholders
- To facilitate development of a culture of continuous quality improvement to achieve academic excellence and ethical values
- To promote public confidence in the quality education and research conducted at UAF

Overall Impact of the Establishment of QEC at University Level

- Dash Board of the University
- Helpful for University Ranking
- Improvement in Quality of Research
- Enhanced Quality Publications
- Line of Distinction between performers & non-performers
- Discourage plagiarized data documentation.
- Helpful to incentivize best performers
- Meet HEC criteria of performer's indicators
- Provision of Quality in Education

Accreditation of Programs from Relevant Councils

QEC-UAF facilitates other evaluating agencies coming to UAF for degree accreditation or for ranking purpose. In this regards, Accreditation Inspection Committee (AIC) is visiting UAF in September, 2024 for accreditation of following degree programs.

SWOT analysis by AICs of NAEAC-HEC

- Environmental Sciences
- BS Dairy Sciences
- BS Forestry
- Agri Business

QEC office facilitates the accreditation process in calibration with relevant departments.

Membership of Associations / Networks. Talloires Network of Engaged Universities. (Tufts)

The University of Agriculture, Faisalabad (UAF) was founded in 1906 as the Punjab Agricultural College and Research Institute, Lyallpur. UAF organizes a variety of events and programs the benefit the surrounding community including: termite control awareness events, training for small, local farmers, dengue awareness programs and female health programs. They also support a variety of technology transfer and outreach programs based in research being done at UAF.

Anti-Plagiarism Campaign

QEC has started creating the awareness about what is plagiarism and how to avoid plagiarism by holding seminars/workshops, articles, etc. to the students and faculty. QEC has also scrutinized synopsis/thesis of various degree programs and result is as following (2012-2025):

Year	Synopsis			Thesis		
	Checked	SI >19 (n)	%	Checked	SI >19 (n)	%
2012	928	119	12.80	928	47	5.06

PARTICIPATION IN FOREIGN TRAINING NATIONAL / INTERNATIONAL COURSES/ SEMINARS/CONFERENCES/WORKSHOPS/ SYMPOSIA/EXHIBITIONS

Faculty of Agriculture

Department of Agronomy

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
1	Dr. Muhammad Shahid Ibne Zamir, Professor	ISTA online workshop on quality assurance and ISTA Accreditation for early beginners Virtually from France and Switzerland	December 16-18, 2024
2	Dr. Saddam Hussain, Associate Professor	22nd EIHA Conference, BERLIN 2025	June 11-13, 2025
		11th Annual NoCo Hemp Expo, USA	April 10-12, 2025
		Asia International Hemp Expo and Forum 2025" (AIHEF), Thailand	Nov 25-27, 2024
3	Dr. Muhammad Ashfaq Wahid, Associate Professor	Participated in Sustainable and Regenerative Agriculture Global Policy Dialogue at Asian Institute of Technology (AIT), Bangkok, Thailand	November 25, 2024
		Attended the 3rd Global Sustainable Rice Conference and Exhibition, Bangkok, Thailand	November 26-28, 2024
		Completed the Training Workshop on Alternate Wetting and Drying and Basics of Mechanisms and Standards for Measurements organized by International Rice Research Institute (IRRI), Los Baños, Philippines	May 19-23, 2025
4	Dr. Muhammad Zia Ul Haq, Assistant Professor	8th International Conference on Sustainable Livelihood: Climate Smart Agriculture for Food Security, University of Poonch, Rawalakot, Pakistan	July 03-04, 2024
		International Stakeholders Workshop on Industrial Hemp Value Chain: Implications, Challenges and Prospects, University of Agriculture, Faisalabad, Pakistan	January 15-17, 2025
5	Dr. Iftikhar Ali, Assistant Professor	International Training on GHG Emissions in Rice Systems: Basics of Mechanisms and Standard for Measurements, IRRI, Philippines	May 19-24, 2025

SN	Name & Designation	Foreign Training Program/Seminar/ Webinar/Conference and country	Date Commencement/ Period
6	Amina Rashid, Lecturer	International Stakeholder workshop and exhibition on industrial Hemp value-chain	January 15-17, 2025
7	Ms. Muneeba, Lecturer	Prime Minister's Initiative for Capacity Building of 1000 Agricultural Graduates in China (NWF&A university, yangling)	April 16, 2025 to July 17, 2025/3 months

Institute of Soil & Environmental Sciences

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
1.	Dr. Ghulam Murtaza, Professor	Annual Research Program of Work Kharif 2025& Ten Years Road Map for R&D on Soil Salinity for SSRI	May 27, 2025
		International Conference On Cooperatives For Sustainable Agricultural And Rural Development Organized By Faculty Of Social Sciences	May, 28-29, 2025
		One Day Work Shop on Value Addition of Aromatic Floricultural Crops as an Entrepreneurial Entity	June 16, 2025
2.	Dr. Muhammad Saqib, Professor	Training on "S1 Safety Instructions for the Biotechnology Center, The Plant Research Facility and The Greenhouse Facility", Justus-Liebig University, Giessen, Germany	February 18, 2025
3.	Dr. M. Anwar-ul-Haq, Professor	International Training Workshop on Climate Change and Water Safety Effects along with CPEC Organized by China Pakistan Joint Research Centre on Earth Science and Pakistan Academy of Science at Islamabad Pakistan	April 9-14, 2025 / 6 days
		Invited Speaker at 1st International Soil Science Conference at Sindh Agriculture University Tandojam	April 22-23, 2025
4.	Dr. Abdul Wakeel, Professor	Workshop on Alternate Wetting and Drying and Basics of Mechanisms and Standards for Measurements organized by International Rice Research Institute (IRRI), Los Baños, the Philippines	May 19-23, 2025
5.	Dr. Muhammad Sana Ullah, Professor	Workshop on Alternate Wetting and Drying and Basics of Mechanisms and Standards for Measurements organized by International Rice Research Institute (IRRI), Los Baños, the Philippines	May 19-23, 2025

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
6.	Dr. M. Aamer Maqsood, Professor	Training on "Greenhouse Gases Emissions in Rice Systems: Basics of Mechanisms and Standards for Measurements". International Rice Research Institute (IRRI), Los Banos, Laguna, Philippines	November 25-29, 2024
7.	Dr. Hammad Raza Ahmad	Discover Best Practice Farming For Sustainable 2050 (HEC Coursera) University of Western Australia.	March 16, 2025
8.	Dr. M. Nadeem Ashraf	Participation in Three Days Training Workshop on "Greenhouse Gas Measurements in Alternate Wetting and Drying (AWD) in Rice-Wheat Cropping System of Punjab, Pakistan" by Asian Development Bank (ADB) conducted at University of Agriculture Faisalabad from April 14-16, 2025.	April 14-16, 2025
		Participation in two days training on "ISO 17025: Laboratory Management Systems" Organized by Office of the Research Innovation & Commercialization, University of Agriculture Faisalabad, Pakistan.	December 26-27, 2024
9.	Dr. M. Tahir Shehzad	Greenhouse Gas Measurements in Alternate Wetting and Drying (AWD) in Rice-Wheat Cropping System of Punjab, Pakistan" by Asian Development Bank (ADB) conducted at University of Agriculture Faisalabad	April 14-16, 2025
		Improving Mechanistic Understanding of Greenhouse Gas Emission and Measurement Techniques", funded via our joint DAAD project within the German-Pakistan Exchange program 2024-2025, at Geisenheim University, Germany	June 23-27, 2025

Department of Forestry and Range Management

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
1	Dr. Irfan Ahmad, Associate Professor, Chairman	Fourth China-Pakistan Tropical Arid Non-wood Forest Science and Technology Exchange event in Zhengzhou, China	December 02-04, 2024
2	Dr. Muhammad Haroon Rashid, Assistant Professor	Spring School Training (Digital Green Talents) & Germany	May 11-17, 2025

Department of Plant Breeding & Genetics

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
1	Dr. Zaheer Ahmad, Professor	International Conference on Emerging Technologies for Crop Improvement in Pakistan, UAF	February 19-20, 2025
2	Dr. Rizwana Maqbool, Associate Professor	i. Participated in ADB-IRRI Knowledge-Sharing Workshop on Strengthening Climate Resilient and Low Carbon Agriculture, IRRI, Philippines ii. Attended International Wheat Conference in Sydney and Perth Australia iii. Visited University of California Davis, CA, USA for Wheat/Cereal Partnership iv. Visited Washington State University, Pullman, WA, USA under WSU-UAF Collaboration to Discuss Future Collaborations and Visit of Different Facilities v. International Conference on "WHEAT for Climate and Food System Resilience", UAF.	December 11-13, 2024 September 15-28, 2024/ 11 days August 05-09, 2024 July 27 to August 02, 2024 February 25-26, 2025
3	Dr. Rana M. Atif, Associate Professor	i. D-8 Bioinformatics Bootcamp. Two week International Hands-on Training in Computational Genomics. UAF. ii. 5th International Colloquium on "Challenges and Opportunities of Maize, Fodder and Pulses Production. UAF".	June 16-27, 2025 May 19-21, 2025
4	Dr. Raheela Rehman, Assistant Professor	i. D-8 Bioinformatics Bootcamp 2025, two-weeks hands-on training in Computational Genomics organized by the D-8 Research Centre for Agriculture and Food Security, CAS UAF. ii. International Seminar on AI Cultivation: Shaping the Modern Age of Agriculture CAS iii. 2nd Early Career Scientists Training Workshop on Pathogen Population Genomics and Resistance Breeding organized by CIMMYT Pakistan at NARC, Islamabad iv. International Conference on Cooperative for Sustainable Agriculture And Rural Development Organized by UAF	June 15-19, 2025 June 15-16, 2025 June 12, 2025 May 28-29, 2025

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
		v. Pakistan's 1st Two-Days Consultative Meeting for 'Developing National Food Security and Nutrition Research Agenda for Pakistan to Set Priorities and Pathways Organized by GAIN & UAF.	May27-28, 2025
		vi. Three-Days 5th International Colloquium titled "Challenges and Opportunities of Maize, Fodder & Pulses Production" Organized by PBG, UAF.	May19-21, 2025
		vii. Early Career Scientists Training Workshop on Innovative approaches For Wheat Productivity Enhancement Organized by CIMMYT	May 06, 2025
		viii. Two-day International conference on "Climate Challenges and Food Security" organized by PBG & AARI	February 25-26, 2025
		ix. 3rd International workshop on Divarication, Value Addition and Supply Chain Management of Floriculture Industry organized by UAF.	February 24-25, 2025
		x. 1st International Conference on Agriculture Development & Women Empowerment and way forward Organized by Sindh Agriculture University, Tando jam	January15-16, 2025
		xi. Two Days Regional Workshop for Identifying and Strengthening Partnership organized by CIMMYT Pakistan	October 21-22, 2024
5	Dr. M. Ahsan Khan, Assistant Professor	ADB-IRRI Knowledge-Sharing Workshop on Strengthening Climate Resilient and Low Carbon Agriculture. IRRI, Philippines	October 23-24, 2024
6	Dr. Humera Razzaq, Assistant Professor	International Edible and Oilseed Congress. University of Antalya, Turkey	September 21-22, 2024
7	Mr. M. Awais, Lecturer	5th International Colloquium on Challenges and Opportunities of Maize, Fodder and Pulses Production, UAF,	May 19-21, 2025
8	Mr. M. Farhan Khan, Lecturer	International Workshop for Agri Policy	May 19 to June 13, 2025

Institute of Horticultural Sciences

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
1	Dr. Ahmad Sattar Khan, Professor	Two Days International Training Workshop on "Prospects of Citrus Production: Challenges and Opportunities", organized by Faculty of Agri., IHS, UAF (Pakistan)	October 1-2, 2024
		3rd International Workshop on "Diversification, Value Addition & Supply Chain Management of Floriculture Industry" organized by Faculty of Agri., IHS, UAF (Pakistan)	February 24-25, 2025
		BRI-China Pakistan Horticulture Research Workshop 2025 (HZAU, Wuhan, China)	April 21-25, 2025
		9th International Horticulture Conference & Exhpo-2025 "Horticultural Transformation: Sustainable Food Safety & Security", Organized by Department of Horticulture, PMAS-AAUR and PSHS (Pakistan)	April 15-17, 2025
2	Dr. Muhammad Usman, Professor	Symposium On Science & Technology Innovations in Pummelo/Grapefruit industry (19-20 Nov), Shangrao-China	November 19-20, 2024
		Symposium on Henan Joint Int. Research Lab. Of South Asian Fruits and Cucurbits (21 Nov. 2024), Zhengzhou-China	November 21, 2024
		Webinar on Measuring genome size and ploidy in plant species using CytoFlex S Flow Cytometer/Online Select Science-UK	November 05, 2024
		3rd International Workshop on "Diversification, Value Addition & Supply Chain Management of Floriculture Industry" organized by Faculty of Agri., IHS, UAF (Pakistan)	February 24-25, 2025
		9th International Horticulture Conference & Exhpo-2025 "Horticultural Transformation: Sustainable Food Safety & Security", Organized by Department of Horticulture, PMAS-AAUR and PSHS (Pakistan)	April 15-17, 2025
		Two Days International Training Workshop on "Prospects of Citrus Production: Challenges and Opportunities", organized by Faculty of Agri., IHS, UAF (Pakistan)	October 1-2, 2024

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
		International Stakeholders Workshop and Exhibition on Industrial HEMP Value -Chain (Implication, Challenges and Prospects). UAF (Pakistan)	January 15-17, 2025
3	Dr. Iftikhar Ahmad, Professor	3rd International Workshop on "Diversification, Value Addition & Supply Chain Management of Floriculture Industry" organized by Faculty of Agri., IHS, UAF (Pakistan)	February 24-25, 2025
		International Training Workshop on "Innovative Flower & Nursery Production, Postharvest Handling & Value Addition Techniques", at Pattoki, Distt. Kasur	February 27, 2025
		9th International Horticulture Conference & Exhpo-2025 "Horticultural Transformation: Sustainable Food Safety & Security", Organized by Department of Horticulture, PMAS-AAUR and PSHS (Pakistan)	April 15-17, 2025
4	Dr. Adnan Younis, Professor	Unlocking the Power of Scopus Webinar 2: Effective methods of Literature review on Scopus (Online) at Elsevier. (Online)	July 18, 2024
		Two Days International Training Workshop on "Prospects of Citrus Production: Challenges and Opportunities", organized by Faculty of Agri., IHS, UAF (Pakistan)	October 1-2, 2024
		International training workshop on Unlocking the Potential of Urban Horticulture in Pakistan	October 8-15, 2024
		Author Workshop -Essential of writing a research article for high impact journals at HEC Pakistan. (Online)	October 22, 2024
		Refresher- How to Effectively use using ScienceDirect "Read Quality Publish Quality" at HEC Pakistan. (Online)	November 06, 2024
		Author Workshop - Latest Developments in Scientific, Publishing Landscape & Publishing ethics at HEC Pakistan. (Online)	December 12, 2024
		3rd International Workshop on "Diversification, Value Addition & Supply Chain Management of Floriculture Industry" organized by Faculty of Agri., IHS, UAF (Pakistan)	February 24-25, 2025
		BRI-China Pakistan Horticulture Research Workshop 2025 (HZAU, Wuhan, China)	April 21-25, 2025

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
5	Dr. Rashad Waseem Khan Qadri, Professor	Two Days International Training Workshop on "Prospects of Citrus Production: Challenges and Opportunities", organized by Faculty of Agri., IHS, UAF (Pakistan)	October 1-2, 2024
6	Dr. Bilquees Fatima, Associate Professor	Two Days International Training Workshop on "Prospects of Citrus Production: Challenges and Opportunities", organized by Faculty of Agri., IHS, UAF (Pakistan)	October 1-2, 2024
		3rd International Workshop on "Diversification, Value Addition & Supply Chain Management of Floriculture Industry" organized by Faculty of Agri., IHS, UAF (Pakistan)	February 24-25, 2025
		International Stakeholders Workshop and Exhibition on Industrial HEMP Value -Chain (Implication, Challenges and Prospects). UAF (Pakistan)	January 15-17, 2025

21	Qurra Tul Ain, Lecturer	Two Days International Training Workshop on "Prospects of Citrus Production: Challenges and Opportunities", organized by Faculty of Agri., IHS, UAF (Pakistan)	October 1-2, 2024
		3rd International Workshop on "Diversification, Value Addition & Supply Chain Management of Floriculture Industry" organized by Faculty of Agri., IHS, UAF (Pakistan)	February 24-25, 2025

Department of Plant Pathology

SN	Name & Designation	Foreign Training Programs & Country	Commencement Date/Period
1	Dr. Muhammad Amjad Ali, Associate Professor	Seminar delivered titled "Eco-safe Management of Root-Knot Nematodes in Vegetable Crops" delivered at Institute of Plant Protection, Department of Crop Sciences, University of Natural Resources and Life Sciences, Vienna	August 22, 2024
		Seminar delivered titled "Enablement of Plant Defense against Pathogenic Nematodes through the Overexpression of Disease Resistance Responsive Genes involved in Lignin Biosynthesis" delivered at Institute of Plant Protection, Department of Crop Sciences, University of Natural Resources and Life Sciences, Vienna	September 19, 2024

Center of Agricultural Biochemistry and Biotechnology (CABB)

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
1	Dr. Saad Sarfraz, Assistant Professor	Boot Camp for Genomics and Transcriptomics, Turkey, Malaysia	June 16-27, 2025

Faculty of Agricultral Engineering and Technology

Department of Irrigation & Drainage

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
1	Dr. Muhammad Adnan Shahid, Professor	Visit to National Engineering & Technology Center for Information Agriculture, Nanjing Agricultural University (NAU), China and Participation in Field Day of Smart Rice Farming in Jiangsu, China.	October 08-17, 2024
		Participation in "Regenerative Agriculture Policy Dialogue" organized by Yunus-Rizq Water-Energy-Food Nexus (WEFnex) Hub at Asian Institute of Technology (AIT), Bangkok, Thailand	November 25, 2024
		Participation in "3rd Global Sustainable Rice Conference" organized by Sustainable Rice Platform (SRP) at Bangkok, Thailand	November 26-27, 2024
2	Dr. Muhammad Zaman, Associate Professor	GHG Emissions in Rice Systems: Basics of Mechanisms and Standards for Measurement" organized by International Rice Research Institute (IRRI), Philippines	November 25-29, 2024
3	Dr Muhammad Imran Khan, Assistant Professor	International training on "Efficient Cultivation and Management Technologies for Modern Agriculture" China	September 08-21, 2024
4	Dr. Abdul Shabbir, Lecturer	Workshop on Alternate Wetting and Drying and Basics of Mechanisms and Standards for Measurements organized by International Rice Research Institute (IRRI), 19-23 May 2025, IRRI, Los Baños, the Philippines	May 19-23, 2025
5	Dr. Kashif Mehmood, Lecturer	Workshop on Alternate Wetting and Drying and Basics of Mechanisms and Standards for Measurements organized by International Rice Research Institute (IRRI), 19-23 May 2025, IRRI, Los Baños, the Philippines	May 19-23, 2025

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
6	Rao Husnain Arshad, Lecturer	Prime Minister's Initiative For Short-Term Training (3-6 Months) Of 1,000 Agricultural Graduates In China	April 4 to July 10, 2025

Department of Farm Machinery and Power

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
1	Dr. Abdul Ghafoor, Chairman, Professor	To attend workshop and exploratory visit for the potential utilization of rice straw in bio-pellet and bio-plastic production in the Japan International Research Center for Agricultural Sciences (JIRCAS) site in MALAYSIA sponsored by Asian Development Bank (ADB), Malaysia	October 25-26, 2024
		To attend ANTAM workshop on sustainable and climate resilient mechanization organized by the Asian and Pacific Network for Testing of Agricultural Machinery (ANTAM) at Kathmandu, Nepal along with 11th Annual Meeting of ANTAM and 7th Regional Training of Trainers of ANTAM sponsored by Asian Development Bank (ADB). Nepal	December 03-11, 2024
		To attend Knowledge-Sharing Workshops on Agricultural Machinery Standard and Testing Code Development by the Agricultural Machinery Testing and Evaluation Center, the University of the Philippines, Los Banos (UPLB), the Philippines, Philippines	February 24-27, 2025
		To attend Study Tour of the Asian and Pacific Network for Testing of Agricultural Machinery (ANTAM) in Bangkok and Kamphaeng Saen, Thailand, organized by the Centre for Sustainable Agricultural Mechanization (CSAM) of the United Nations Economic and Social Commission for Asia and the Pacific (ESCAP) as ANTAM Secretariat, in collaboration with the Thailand National Agricultural Machinery Center (NAMC) of Kasetsart University, Thailand	February 28, 2025 to March 02, 2025

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
2	Dr. Ahmad Waqas, Assistant Professor	WSU seed system/facilities, greenhouses facilities, WSU technology park and private seed industries in USA, Visit to Ohio State University College of Food Agriculture and Environmental Sciences	July 27 to August 09, 2024

Department of Food Engineering

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
1	Dr. Amna Sahar, Professor	International Cooperation and Exchange Conference on Meat Technology and Innovation, Zhucheng Shandong, China	May 24-26, 2025

Department of Energy System Engineering

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
1	Dr. Anjum Munir, Chairman, Professor & Dr. Waseem Amjad, Assistant Professor	Attended workshop and exploratory visit for the potential utilization of rice straw in bio-pellet and bio-plastic production in the Japan International Research Center for Agricultural Sciences (JIRCAS) site in MALAYSIA sponsored by Asian Development Bank (ADB)	October 25-26, 2024
		Attended ANTAM workshop on sustainable and climate resilient mechanization organized by the Asian and Pacific Network for Testing of Agricultural Machinery (ANTAM) at Kathmandu, Nepal along with 11th Annual Meeting of ANTAM and 7th Regional Training of Trainers of ANTAM sponsored by Asian Development Bank (ADB)	December 03-11, 2024
		Workshops on Agricultural Machinery Standard and Testing Code Development by the Agricultural Machinery Testing and Evaluation Center (AMTEC), University of the Philippines, Los Banos (UPLB) at Los Baños, Laguna, Philippines	February 24-27, 2025
		Asia and Pacific Network for Testing of Agricultural Machinery (ANTAM) Workshop, Bangkok, Thailand	February 28 - March 02, 2025

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
2	Dr. Muhammad Shahzad, Assistant Professor	ISW Facilitator Development Workshop (FDW), Academics Without Borders, Universtaires Sans Frontieres (AWB/USF), Canada	August 30, 2024
		International Conference on IT and Industrial Technologies, FAST, Chiniot-Faisalabad Campus	December 10-12, 2024
3	Dr. Furqan Asghar, Assistant Professor	Generative AI Applications Development Course, Silicon Valley, CA, USA	December – January 2025
		Integrating IEEE eBooks & eLearning Courses in your curriculum: A dedicated session for lecturers	November 26, 2024
		Promoting your research articles: Tools & services, Manager Client Services for Asia-IEEE	August 08, 2024
		Incorporating IEEE Xplore resources into your teaching: A dedicated session for lecturers, Manager Client Services for Asia-IEEE	August 19, 2024
		IEEE Learning & Research for Pakistan students & researchers: An Overview of IEEE Xplore Digital Library	June 24, 2025

Faculty of Food, Nutrition and Home Sciences

National Institute of Food Science & Technology

SN	Name & Designation	Foreign Training Program and Country	Date commencement/ period
1	Dr. Imran Pasha, Director General, Professor	Participant in Fellowship Program on “Exploration of Good Research and Development Approach for Improvement of Agricultural Productivity of Pakistan” at KOICA Center, South Korea	July 27, 2024 to August 09, 2024
2	Dr. Muhammad Issa Khan, Professor	World Halal Summit, Istanbul Expo Center, Turkey	November 26-28, 2024
		International Cooperation and Exchange conference on meat technology and innovation, Zhucheng Shandong, China	May 24-26, 2025

SN	Name & Designation	Foreign Training Program and Country	Date commencement/period
3	Dr. Muhammad Atif Randhawa, Professor	2nd National Conference on "Integrating Nutrition & Public Health: Challenges & Opportunities, jointly organized by Faisalabad Medical University and PKNC, UAF	November 26-27, 2024
4	Dr Rana Muhammad Aadil, Associate Professor	Oral Presentation about the title "Therapeutic impact of bitter gourd seed-fortified crackers on Alloxan-induced diabetic crats" at 3rd IFRC on 6-8 August 2024 in Malaysia	August 6-8, 2024
5	Dr Rana Muhammad Aadil, Associate Professor	Oral Presentation about the titled: 1. How to write research and review articles, increase the scientific collaboration and publications 2. Impact of muskmelon seed flour addition on the physicochemical, textural and nutritional properties of biscuits" at King Saud University, Riyadh, Saudi Arabia at 11 August 2024	August 11, 2024
		Biotechnological Potential of Ultrasonication in Food Processing and Preservation" at BIOCON International Conference in Russia	November 11-13, 2024
6	Dr. Muhammad Inam-ur-Raheem, Associate Professor NIFSAT	2nd National PKNC Conference Integrating Nutrition and Public Health: Challenges & Opportunities, at UAF, Faisalabad	November 26-27, 2024
7	Dr. Usman Mir Khan, Lecturer	Oral Presentation at Thailand Halal Assembly 2024, Thailand (Hybrid mode)	December 19-20, 2025
8	Kinza Javed Iqbal, Lecturer	Cooperatives for sustainable agricultural and rural development (Pakistan)	May 28-29, 2025

Institute of Home Sciences

SN	Name & Designation	Foreign Training Programs & Country	Commencement Date/Period
1	Ms. Hira Iftikhar, Lecturer	Participate International Workshop on Emerging Trends in Organizational Psychology, IBMS, UAF	July 11, 2024
2	Ms. Adeela Manzoor, Lecturer	Participate International Workshop on Emerging Trends in Organizational Psychology, IBMS, UAF	July 11, 2024
3	Anum Asghar, Lecturer	Facilitator Development Workshop (FDW)	Aug 26-30, 2024

SN	Name, Designation & Department/Institute	Foreign Training Program & Country	Commencement Date/Period
4	Ms. Qurat ul Ain, Lecturer	International Workshop on Emerging Trends in Organizational Psychology	July 11, 2024
5	Aisha Mushtaq, Lecturer	Facilitator Development Workshop (FDW)	Aug 26-30, 2024
6	Aisha Mushtaq, Lecturer	International Workshop on Emerging Trends in Organizational Psychology	July 11, 2024

Faculty of Veterinary Science

Institute of Microbiology

SN	Name & Designation	Foreign Training Program & Country	Commencement Date/Period
1	Dr. Muhammad Shahid Mahmood, Professor	3rd International Agro-biodiversity Congress, organized by Yunnan Agricultural Sciences held in Kunming, China	April 20-22, 2025
2	Dr. Mashkoor Mohsin Gilani, Associate Professor	10th Symposium on Antimicrobial Resistance in Animals and the Environment, Berlin, Germany	June 30 to July 2, 2025
		TEAPOTS Meeting – Tools for Epidemiology of AMR Plasmids, One Health Transmission and Surveillance, University of Bath, United Kingdom	June 06, 2024
		FAO Knowledge Dissemination Dialogue on AMR, FAO-UN Webinar Series	April 23, 2024
		Seegene Educational Seminar on One Health and AMR, Seoul, South Korea	April 8, 2024
		14th International Symposium on Antimicrobial Agents and Resistance (ISAAR) & Annual Conference of the Korean Society of Antimicrobial Therapy. Seoul, South Korea	April 8-11, 2024
3	Dr. Muhammad Umar Zafar Khan, Assistant Professor	International Training Workshop on Major Transboundary Animal Disease (TAD) Diagnosis Technology, China	August 24 to September 07, 2024
4	Dr. Faisal Masoud, Lecturer	Livestock Disease Monitoring and Prevention under the Prime Minister of Pakistan's Initiative for Capacity Building of 1000 Agricultural Graduates in China	April 16 to July 17, 2025

Department of Parasitology

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Dr. Rao Zahid Abbas, Professor	Animal Health and Public Health Academic Seminar Organized by International Exchange Program and funded by the College of Veterinary Medicine at Nanjing Agricultural University, China	November 1-7, 2024
		International Scientific and Practical Conference "Ensuring Technical Sovereignty of the Agro-Industrial Complex: Approaches, Problems, Solutions" in Russia Organized by Ural State Agrarian University, Yekaterinburg, Russia	March 13-14, 2025
		3rd International Agro-biodiversity Congress Organized by Yunnan Agricultural University, Kunming, China supported through the Chinese Academy of Agricultural Sciences (CAAS) and the Alliance of Biodiversity International and CIAT, China	May 20-22, 2025
2	Dr. Muhammad Kasib Khan, Associate Professor	15th International Congress on Culture, Tourism and Civilization, Organized by Bitlis Eren University and IKSAD Institute at Bitlis Eren University Conference Center, Bitlis, Turkey.	October 18-20, 2024
		ASES III. International Food, Agriculture and Veterinary Congress, Organized by ASES(Academy of Scientific and Educational Studies) at Antalya, Turkey	March 01-02, 2025
		2nd International Conference on Infectious Diseases, Organized by Scitechseries Publishing Limited, Shelton, Covent Garden, London	April 10-11, 2025

Department of Anatomy

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Dr. Razia Kausar, Associate Professor	6th International Black sea Modern Scientific Research Congress, Turkiye	August 23-25, 2024
		4th joint meeting of veterinary Science in East Asia, Japan	September 8-9, 2024
		International Cukurova Agriculture and Veterinary CONGRESS, Adana/ Türkiye	February 14-15, 2025
		International Food, Agriculture and Veterinary Sciences Congress, Konya Food and Agriculture University, Konya	May 29-31, 2025
2	Dr. Sarmad Rehan, Lecturer	6Th International Mediterranean Congress (Rome – Italy)	August 13-15, 2024
		Biorender webinar (online)	March 13, 2024
		Enhancing Learner Centred Pedagogical Skills (Canada, online)	February 23, 2024

Institute of Physiology & Pharmacology

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Dr. Kashif Iqbal, Lecturer	Livestock Disease Monitoring and Prevention in China	March 16, 2025 to June 17, 2025
		International Acupuncture Training Program in China	May 30, 2025 to June 10, 2025

Department of Clinical Medicine & Surgery

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Muhammad Saqib, Associate Professor	International Training Workshop on Diagnosis of Transboundary Animal Diseases organized by Lanzhou Veterinary Research Institute, CAAS, China	August 24 to September 7, 2024

SN	Name, Designation & Department/Institute	Foreign Training Program & Country	Commencement Date/ Period
2	Dr. Mughees Aizaz Alvi, Assistant Professor	International Training Workshop on Diagnosis of Transboundary Animal Diseases organized by Lanzhou Veterinary Research Institute, CAAS, China	August 24 to September 7, 2024
		One Day National Hands-on Training Workshop on Basic Tools of Bioinformatics for Molecular and Biomedical Research organized by Department of Biochemistry, UAF	April 9, 2025
		Two days National workshop on Data Analysis organized by Department of Medicine in collaboration with ORIC, CUVAS, Pakistan	May 29-30, 2025 (Hybrid mode)
		International Training Course on Zoonotic Infections organized by Kazakh National Agrarian University, Kazakhstan	June 02-15, 2025 (Online)
		Two days National Workshop on Interpreting Post-mortem and histopathology Reports for Scientific Publication organized by Department of Medicine in Collaboration with ORIC CUVAS	June 19-20, 2025 (Online)

Faculty of Animal Husbandry

Institute of Animal & Dairy Sciences

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Muhammad Rehan, Lecturer	Livestock Disease Surveillance, Northwest Agriculture & Forestry University (NWA&FU) China	April 16, 2025 to July 17, 2025
2	Dr. Faisal Ramzan, Assistant Professor	Python for Genomic Data Science an online course authorized by Johns Hopkins University and offered through Coursera.	January 17 to March 24, 2025
		Animal Behavior and Welfare an online course authorized by The University of Edinburgh and offered through Coursera	February 06 to March 17, 2025
3	Dr. M. Mahboob Ali Hamid, Assistant Professor	International Conference, Invited Speaker and Visiting Scientist (Tekirdağ Namik Kemal University's 2024 Annual Meeting and Conference, in Süleymanpasa, Tekirdağ, Türkiye)	December 01-07, 2024

Faculty of Sciences

Department of Physics

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Dr. Yasir Jamil, Professor	Participation in ASLIBS 2025 conference as invited speaker in Wuhan, China.	May 23-26 May 2025 (Online)
2	Dr. Hafeez Anwar, Associate Professor	2nd International Conference on Modern and Advanced Research (Hybrid), Turkey.	January 15-16, 2025 (Online)
		4th International Conference on Recent Academic Studies ICRAS 2025 (Hybrid), Turkey.	March 04-05, 2025 (Online)
3	Dr. Muhammad Yasin Naz, Assistant Professor	5th International Scientific Research Congress, Bursa, Turkey	February 22-23, 2025 (Online)
		Tokyo Summit-9, International Innovative Study & Contemporary Scientific Research Congress, Tokyo, Japan	October 10-11, 2025 (Online)
		International Congress on Health Sciences, Occupational Health and Safety, Igdir University, Igdir, Turkey	April 15-16, 2025 (Online)
4	Dr. Khuram Ali, Associate Professor	Scientific training at Helmholtz Institute Erlangen-Nurnberg for Renewable Energies (HI ERN), Germany	March 24-28 2025

Department of Chemistry

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Mr. Muhammad Nadeem, Lecturer	International Conference on Functional Materials and Emerging Technologies (ICFMET)	November 25-26, 2024
		International Symposium on Food & Water Linking to the Future: Navigating the climate	December 11, 2024
		1st International Workshop on "Advanced Modeling with Machine Learning"	June 16, 2025

Department of Biochemistry

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Dr. M. Anjum Zia, Professor	Visit of: i. Gansu College of Agriculture, Lanzhou. ii. Bailie Vocational College, Shanadan. iii. Shanxi Agriculture University. Plenary/Invited Speaker at: Second China-New Zealand Vocational Education Forum. Zhangye, China.	July 6-16, 2024
2	Dr. M. Shahid, Professor	Ora Land Technical Presentation Recognition and Appreciation of Research Contribution to 6Th International Selcuk Scientific Research congress, Turkiye	March 16-17, 2025
3	Dr. Aftab Ahmad, Associate Professor	Natural and Medical Sciences Research Center (NMSRC), University of Nizwa, Oman	April 30, 2024 to till date
4	Dr. Zahid Mushtaq, Assistant Professor	Training on Insilico Antimicrobial Studies of Flozins Drugs at Pharmacy Department, University of Torun, UMK Bydgoszcz, Poland.	October 27 to November 22, 2024
		Training on Insilico Antimicrobial Studies of flozins drugs at Biochemistry Department, University of Torun, UMK Bydgoszcz, Poland.	November 25-27, 2024

Faculty of Social Sciences

Department of Rural Sociology

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Dr. Sadaf Mahmood, Associate Professor	Paper Presentation at the Migration Conference (TMC), London (Online)	June 11-17, 2025

Institute of Business Management Sciences

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Dr. Hammad Badar, Associate Professor	Writing on Empirical Journal Article Through Aciar Learn, Australia	April 22, 2025
		Artificial Intelligence (AI) for Social Impact ADB Institute	June 19, 2024

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
		Policy Influencing Skills Course Through ACIAR Learn, Aciar	June 16 to September 08, 2024
2	Dr. Burhan Ahmad, Associate Professor	Participated in a Hands-on Training on Impact/Reflection Story Case Studies for R4D Project to be organized in Gatton and Brisbane, Australia from 04 to 10 February.	February 04-10, 2025
		Attended and Paper presented in the Australian Agricultural and Resource Economics Society (AARES) Conference, held in Brisbane from 11 to 14 February, 2025.	February 11-14, 2025
		Attended and Paper presented in 5th International Colloquium: "Challenges and Opportunities of Maize, Fodder and Pulses Production" at CAS, UAF	May 19-21, 2025
3	Dr. Asia Rafiq, Assistant Professor	South West Conference in Asian Studies	November 01-02, 2024
		The Wealth Economy, Sustainable Development and the Law, University of Cambridge	May, 2025
4	Dr. Muhammad Hafeez, Assistant Professor	International Conference on Cooperatives for Sustainable Agricultural & Rural Development, China, USA, Australia	May 28-29, 2025
5	Dr. Muhammad Yousaf Malik, Lecturer	International Conference on Cooperatives for Sustainable Agricultural & Rural Development, China, USA, Australia	May 28-29, 2025/ 2 days
		Capacity Building Workshop on Agricultural Policy	May 19 to June 13, 2025
6	Dr. Robina Rashid, Assistant Professor	International Conference on "Sustainability, Innovation and Climate Change: Transforming the Business Landscape". Islamabad, Pakistan	February 22-23, 2025
		Participation in One-day International Workshop Entitled "Emerging Trends in Organizational Psychology: Opportunities and Prospects." Faisalabad	July 11, 2024
7	Ms. Amen Fiaz, Lecture	IEEE Learning & Research for Pakistan Students & Researchers: An Overview of IEEE Xplore Digital Library	June 24, 2025
8	Ms. Khadija Yasen, Lecturer	International Conference on Cooperatives for Sustainable Agricultural & Rural Development, China, USA, Australia	May 28-29, 2025
		Capacity Building Workshop on Agricultural Policy	May 19 to June 13, 2025

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
9	Ms. Mubashra Saman, Lecture	International Conference on Cooperatives for Sustainable Agricultural & Rural Development, China, USA, Australia	May 28-29, 2025

Institute of Agri. Extension, Education & Rural Development

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
----	--------------------	------------------------------------	----------------------------

i) Foreign Training Program and Country

1	Dr. Babar Shahbaz, Director. Professor	UNFCC Negotiation Training Workshop, Nepal.	May13-14, 2025
---	--	---	----------------

ii) International Training Courses/Seminars/Conferences/Workshops/Symposia/ Exhibitions held in Pakistan

1	Dr. Babar Shahbaz, Director, Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 05-06, 2025 May 28-29, 2025
2	Dr. Shoukat Ali, Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 05-06, 2025 May 28-29, 2025
3	Dr. Muhammad Iftikhar, Associate Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 05-06, 2025 May 28-29, 2025
4	Dr. Ijaz Ashraf, Associate Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 05-06, 2025 May 28-29, 2025

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
5	Dr. Ghazanfar Ali Khan, Associate Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025
6	Dr. Syeda Samina Tahira, Associate Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan.	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan.	May 28-29, 2025
		iii. International Conference on Research and Practices, Pakistan.	April 08-09, 2025
7	Dr. Tahir Mahmood, Associate Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025
8	Dr. R. M. Amir, Associate Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025
9	Dr. Aqeela Saghir, Associate Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025
10	Dr. M. Rafay Muzamil, Assistant Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
11	Dr. Rao Sabir Sattar, Assistant Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025
12	Dr. Gulfam Hasan, Assistant Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025
13	Dr. Syed. M. Amir, Assistant Professor	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025
14	Mr. M. Khushnood Ashraf, Lecturer	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025
		iii. Learning Module Pedagogical / DA-UAF, Canadian AWB / Trainer, Pakistan	Feb. 06-14, 2025
15	Ms. Khazra Noor, Lecturer	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
16	Ms. Saira Khanm, Lecturer	i. International Symposium on Emerging Trends and Best Practices In Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025
		iii. International Conference on Quality Teacher Education. Empowering Education, Transforming Tomorrow, Pakistan	May 26-27, 2025
		iv. International Conference on Advancing Quality Education: Bridging Gaps for a Sustainable Future, Pakistan	October 16, 2024
		v. Faculty Development Workshop by Academics Without Borders Volunteer Canada.	Sep. 09-13, 2024
17	Ms. Sadia Aslam, Lecturer	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025
18	Ms. Ayesha Kiran, Lecturer	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025
19	Mr. Jahanzaib Tariq, Lecturer	i. International Symposium on Emerging Trends and Best Practices in Education, Pakistan	May 05-06, 2025
		ii. International Conference on Cooperatives for Sustainable Agriculture and Rural Development, Pakistan	May 28-29, 2025

Faculty of Health and Pharmaceutical Sciences

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Dr. Imran Arshad, Professor	Seminar and workshop on "Integrated Approach towards control & prevention of Vector Borne Diseases in Pakistan, Washington	May 7-9, 2025
		Training Speed Breeding facility and education/leadership, Philippine	December 10-15, 2024
		Organized A Webinar On Peridot Mobility Grant2025:Bridging Research Between Pakistan and France	July 14, 2025
2	Hafiz Amir Ali Kharl, Lecturer	3rd International Conference on Emerging Research in Science & Humanities (3rd ERS-2025), Saudi Arabia	February 10-12, 2025
3	Dr. Bushra Akhtar, Lecturer	Participated in online and technical exhibition in 4th International Selcuk Scientific Research Congress,	August 24-25, 2024

Faculty of Arts and Humanities

Department of English and Linguistics

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Dr. Atta Ul Mustafa, Assistant Professor	Participation as a Panelist Speaker in a Two Day "International Symposium on Research Methodology in Arts and Humanities"	October 16, 2024
2	Sanabil Mohsin, Lecturer	How to Teach Pronunciation Training by English Language Specialist, Dr. Patricia (Trish) Pashby from USA	December 27, 2024
3	Zunaira Iftikhar Azeem, Lecturer	How to Teach Pronunciation Training by English Language Specialist, Dr. Patricia (Trish) Pashby from USA	December 27, 2024
4	Dr Asim Aqeel, Chairman, Associate Professor	English Access Micro-Scholarship Program (Subject Expert: Monitoring and Evaluation of the Program)	September 11, 2023 to July 31, 2025
		How to Teach Pronunciation Training by English Language Specialist, Dr. Patricia (Trish) Pashby from USA	December 27, 2024
5	Hina Fatima, Lecturer	How to Teach Pronunciation Training by English Language Specialist, Dr. Patricia (Trish) Pashby from USA	December 27, 2024

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
6	Aisha Koukab, Lecturer	How to Teach Pronunciation Training by English Language Specialist, Dr. Patricia (Trish) Pashby from USA	December 27, 2024
7	Aisha Koukab, Lecturer	Fostering Student Motivation and Engagement OPEN MOOC	December 30, 2024
8	Dr. Sabahat Parveen, Associate Professor	Keynote speaker in a two day "International conference on Dermatological influence of Color and Racism in Linguistic interpretation of Literary Texts	June 11, 2024
		Panelist in International Symposium entitled Contemporary Language issues and Challenges in Second Sphere of world.	June 19, 2024
		TESOL Convention Online Training workshop	August 18, 2024
		Session Chair in two Days International Conference on Language Literature and Humanities	February 25-26, 2025

UAF Constituent College Toba Tek Singh

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Dr. Zia ur Rehman, Professor	Training on How to Enhance Agriculture Productivity in Pakistan. Korea International Cooperation Agency. KOICA	July 26 to August 10, 2024
2	Dr. Muhammad Tariq, Associate Professor	3rd International Conference on The Yak (Bos grunniens, Lifeline in High Mountain)	November 21-22, 2024
		Dairy Asia Expo and Seminar on Dairy Reproductive Health, 2025	February 14-15, 2025
3	Dr. M. Farooq Khalid (Assoc. Prof.) Dr. Umar Farooq (Assoc. Prof.) Dr. Maliha Sarfraz (Asst. Prof.) Dr. M. Aoun (Lecture) Hafiz Rao Abdul Latif (Lecturer) Mr. M. Usman (Lecturer) Ms. Urooj Khan (Lecturer) Muhammad Mushahid (Lecturer) Dr. Hafiz Bilal Murtaza, Lecturer	Three Days Exhibition Entitled "International Poultry Expo-2024" at Expo Center Lahore-Pakistan	September 26-28, 2024

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
4	Dr Ali Hasan, Assistant Professor	Actively Completed Online Training Entitled "Fully Funded International Genomics and Bioinformatics bootcamp" organized by Genomac Institute inc	December 31, 2024
5	Dr. Maliha Sarfraz, Assistant Professor Dr Ali Hasan, Assistant Professor	Webinar on the topic "Food and food security: meeting global demand" organized by Department of Zoology, Wildlife and Fisheries, University of Agriculture Faisalabad, constituent college, Toba Tek Singh	October 28, 2024
6	Syed Azkar Hussain Shah Bukhari Lecturer Mathematics	8th UMT International Conference on Pure and Applied Mathematics (8th UICPAM 2025), Lahore	April 14-15, 2025
7	Syed Muhammad Ali Imran Lecture Computer Science	IEEE International Conference on Robotics and Automation (ICRA 2025) live from Atlanta, USA	May 20-22, 2025
		Power User in Locating Technical Resources: An in-depth dive with IEEE Xplore Digital Library	July 03, 2025

UAF Constituent College, Okara

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Dr.Tariq Aziz, Associate Professor	Expert Speaker at "Sustainable Nitrogen Management: A Way Forward for Climate, the Environment and Food Security". (International)	June 16, 2025
		GIZ Bonn Friedrich-Ebert-Allee 36, 53113 Bonn, organized by UAF, CIWF, INI, INMS and UNEP (International)	April 22-24, 2025
		Invited Speaker at 2 International Conference on Climate Change Impacts on Agriculture and Food Security, Organized by (International)	June 27, 2024
		Food Security" at COP29 on Baku Azerbaijan. (International)	February 26, 2024
2	Dr.Masood Iqbal, Associate Professor	GHG Emissions in Rice Systems: Basics of Mechanisms and Standards for Measurements (International)	2024
		The International Rice Research Institute, Philippines Capacity Building Training (ADB-Funded) (International)	April 8-10, 2025

UAF Constituent College, Burewala

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
1	Ms. Fatima Khalid, lecturer, Department of Zoology, Wildlife and Fisheries	Paper Presentation at international Turkic World Congress on Science and Engineering, Azerbaijan Technical University, Baku, Azerbaijan online	September 19-21, 2024
		International Online Conference Organizer Fisheries and Food Security: Meeting Global Demand Speaker: Dr. Zeliha Selamoglu	October 21, 2024
2	Dr. Amnah Yusaf, Lecturer, Department of Chemistry	Invited Speaker "7th International Conference on Materials Science and Nanotechnology (MS-Nano)	February 17-19, 2025
		International Conference on Functional Materials and Emerging Technologies (ICFMET-2024)* UAF, Faisalabad	November 25-26, 2024
		"10th Ankara International Congress on Scientific Research" Ankara Turkey	June 25-27, 2024
		2nd International Brain and Biomedicine Conference (IBBC-2024) GCUF, Faisalabad	May 08-09, 2024
		7th International Antalya Scientific Research and innovation studies congress held in Ankara Turkey	May 11-13, 2024
		Work as Reviewer in Peer Review Process for "International Journal of Environmental Analytical Chemistry"	March 08, 2024
		Work as Reviewer in Peer Review Process for "International Journal of Environmental Analytical Chemistry"	March 09, 2024
		Post Induction Training for New Faculty, UAF, Faisalabad	October 10 to November 01, 2024
		Guest Editor in, Frontiers in Chemical Engineering"	January 20, 2024
3	Anum Najeeb. Lecturer-Organic Chemistry Department of Chemistry	Participated in 1st International Seminar on "DFT: A Multidimensional Exploration (DFT-ME 2024" at University of Agriculture Faisalabad.	July 01, 2024
		Participated in 1st International Conference of "Functional Materials & Emerging Technologies (ICFMET-2024)" at University of Agriculture Faisalabad.	November 25-26, 2024

SN	Name & Designation	Foreign Training Program & Country	Commencement Date / Period
4	Zarish Waheed, Lecturer, Education	Participated in International symposium on “Emerging Trends & Best Practices in Education” at University of Agriculture Faisalabad.	May 06-08, 2025
		Participated in International Conference on “Cooperatives For Sustainable Agricultural & Rural Development” at University of Agriculture Faisalabad.	May 28-29, 2025
5	Dr. Muhammad Yahya Khan, Assistant Professor (TTS)	One Week Research Training on “GHG Emissions in Rice Systems: Basics of Mechanisms and Standards for Measurement” at IRRI, Philippines	May 19-24, 2025

PARTICIPATION IN LOCAL TRAINING COURSES/SEMINARS/CONFERENCES/ WORKSHOPS/SYMPOSIA/EXHIBITIONS

Faculty of Agriculture

Department of Agronomy

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Nadeem Akbar, Professor	International Stakeholders Workshop & Exhibition on Industrial Hemp Value Chain	Jan 15-17, 2025
2	Dr. Muhammad Shahid Ibne Zamir, Professor	ISTA Quality Assurance and Accreditation Requirement for Seed Testing Laboratories	May 15-16, 2025
3	Dr. Muhammad Zia Ul Haq, Assistant Professor	Greenhouse Gas (GHG) Measurement and Alternate Wetting and Drying (AWD) in Rice Wheat Cropping System in Punjab ADB-University of Agriculture, Faisalabad, Pakistan	April 14-16, 2025
4	Dr. Muhammad Ashfaq Wahid, Associate Professor	Attended a High-Level Federal Roundtable on NDCs 3.0 "Addressing the Food Systems-Climate Change Nexus for a Resilient and Nourished Future" Co-Convened by WWF-Pakistan and GAIN Islamabad	January 15, 2025
		Attended a Workshop on Climate Resilient and Low Carbon Agriculture in Pakistan, Islamabad	February 27, 2025
		Served as Member Organizing Committee to hold Two Days International Training Workshop on "Advancing Cropping Systems with APSIM: Performance Analysis and Emission Mitigation in collaboration with Asian Development Bank" held at CAS-UAF.	February 24-26, 2025
		Participated in the Consultative Session organized by Helvetas-Pakistan on Developing National Interpretation Guidelines (NIGs) for the SRP Standard to review the approved TORs, present the action plan and discuss the next steps for finalizing the NIGs held in Lahore	February 27, 2025

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
		Participated in a High-level Meeting with Asian Development Consultation Mission for Just Transition Support Platform (JTSP) Designed to Assist Pakistan in Transitioning to Low-carbon and Climate Resilient Economies and Societies held in CAS UAF	April 9, 2025
5	Dr. Asif Iqbal, Associate Professor	Certificate of participation 3rd Pakistan Seed Congress Seed Innovation for Transforming Agriculture Faisalabad. Venue: University of Agriculture Faisalabad-Pakistan	April 28-30, 2024
		Training Workshop on Seed Coating & Pelleting Technologies, held at University of Agriculture Faisalabad-Pakistan	June 25, 2024
		International Seminar on "Smart Agro-Farming through Modern Innovation" CAS-AFS Auditorium of University of Agriculture Faisalabad	February 23, 2024
6	Dr. Saddam Hussain, Associate Professor	International Stakeholders Workshop & Exhibition on Industrial Hemp Value Chain	January 15-17, 2025
7	Dr. Umair Gull, Assistant Professor	5th International Colloquium: "Challenges and Opportunities of Maize, Fodder and Pulses Production" University of Agriculture, Faisalabad	May 19-21, 2025
		International Training Workshop: Advancing Cropping Systems with APSIM: Performance Analysis and Emission Mitigation University of Agriculture, Faisalabad	February 26-27, 2025
		International Stakeholders Workshop & Exhibition on Industrial Hemp Value Chain (Implications, Challenges and Prospects) University of Agriculture, Faisalabad	January 15-17, 2025
		5-Day Training on Climate Modeling, Risk Assessment and Gender Mainstreaming in Climate Smart Agriculture under CARE Project Park Lane Hotel, Lahore	November 11-15, 2024
8	Amina Rashid, Lecturer	Training Workshop on Plant DNA Profiling for Varietal identification and Authentication	May 27, 2025

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
9	Rukhsar Saleem, Lecturer	Post induction Training and Professional Development for Young Faculty	August 7-21, 2024
		International Conference on Cooperatives for Sustainable Agriculture and Rural Development	May 28-29, 2025
		International Seminar on British Legacy and Role of Layallpur Agriculture College	October 09, 2024
10	Ms. Muneeba, Lecturer	Post induction Training And Professional Development for Young Faculty (UAF)	August 07-21, 2024
		International Stakeholders Workshop on Industrial Hemp Value-chain: implications, Challenges and Prospects (UAF)	January 15-17, 2025

Institute of Soil & Environmental Sciences

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Ghulam Murtaza, Professor	National Conference on "Formulation Of Assimilated Advanced Approaches for Productivity Enhancement of Wheat In Pakistan, Ayub Agricultural Research Institute, Faisalabad	May 22-23, 2025
		Focal Person of Wheat Campaign 2024 for Punjab Province	November 18-30, 2024
2	Dr. Muhammad Saqib, Professor	Annual Research Program of Work Kharif 2025 & Ten Years Road Map for R&D on Soil Salinity for SSRI	May 27, 2025
3	Dr. M. Anwar-ul-Haq, Professor	Organized one Day Seminar on Land Restoration, Dessertification and Drought Resilience at New Senate Hall UAF	June 05, 2025
		Organized one day Seminar on Solidarity with Kashmir & Palestine at Iqbal Auditorium UAF	December 19, 2024
		Short course on Hydroponics: Concept and Application at ISES-UAF	January 28 to February 03, 2025
		Organized Kisan Mela 2024 at UAF	October 2024
4	Dr. Abdul Wakeel, Professor	Methods to Quantify GHG Emission from Rice and Non-Rice Crops in Capacity Building on GHG Measurement	April 08-12, 2025
5	Dr. Muhammad Sana Ullah, Professor	Methods to Quantify GHG Emission from Rice and Non-Rice Crops in Capacity Building on GHG Measurement	April 08-12, 2025

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
6	Dr. M. Imran Khan	Keynote Speaker: One Day Seminar and Awareness Walk on Climate Change: Smog and Health Impacts. Green Youth Movement (GYM) Club, Directorate of Students' Affairs, GCUF, Pakistan.	November 27, 2025
7	Dr. Tayyaba Naz	3rd One Day National Hand-on Training Workshop on "Basic Tools of Bioinformatics for Molecular Biology and Biomedical Research" Department of Biochemistry, University of Agriculture Faisalabad	April 9-10, 2025
8	Dr. M. Tahir Shehzad	Negative Environmental and Health Impacts of Single-Use Plastics/ National and International Obligations on Plastics (Seminar)	Nov. 19, 2025

Department of Forestry and Range Management

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Irfan Ahmad, Associate Professor	International Conference on "Climate Change Mitigation and Environmental Amelioration through Plants and Other Sustainable Practices" University of Karachi, Karachi, Pakistan	February 11-13, 2025
2	Dr. Irfan Ahmad, Associate Professor, Chairman	NDMA's Water Scarcity and Food Security Workshop in NDMA, Islamabad on	January 16, 2025
3	Dr. Irfan Ahmad, Associate Professor, Chairman	Climate Application Forum (CAF), Marriot Islamabad	May 29, 2025
4	Dr. Fahad Rasheed Associate Professor	International Conference on "Climate Change Mitigation and Environmental Amelioration through Plants and other Sustainable Practices",	February 11-13, 2025
5	Dr. Muhammad Haroon U Rashid, Assistant Professor	International Conference on "Climate Change Mitigation and Environmental Amelioration through Plants and other Sustainable Practices", Awareness walk on "National Tree Plantation Day" at UAF & Pakistan.	February 11-13, 2025 August 19, 2024
6	Dr. Umar Aftab Abbasi, Assistant Professor	Crop Monitoring using KISAN360 App – Funded by ADPC	October 10, 2024

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
7	Dr. Umar Aftab Abbasi, Assistant Professor	Post – Induction Training and Professional Development	October 10 to November 01, 2024
		Professional Development Series – Leveling the Playing Field in Higher Education: Systematic Strategies for Inclusive Excellence	April 07-16, 2025
		Plant DNA Profiling for Varietal Identification and Authentication / Faisalabad	May 27, 2025
		Application of Molecular Techniques in Forest Management and Conservation	June 16-19, 2025
8	Akhtar Munir, Lecturer	Plant DNA profiling for Varietal identification and Authentication / Faisalabad	May 27, 2025
		Post – Induction Training and Professional Development	August 07-21, 2024
9	M. Husnain Khan, Lecturer	Post – Induction Training and Professional Development	August 07-21, 2024

Department of Plant Breeding & Genetics

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Zaheer Ahmad, Professor	i. Agri-Data and Smart Stats Bootcamp for Faculty, UAF.	November 25-26, 2024
		ii. Stakeholder Conference on Soybean, UAF.	January 25, 2025
2	Dr. Rizwana Maqbool, Associate Professor	2nd Early Career Scientists Training Workshop on Pathogen Population Genomics and Resistance Breeding, NARC, Islamabad.	June 12, 2025
3	Dr. Rana M. Atif, Associate Prof. PBG	World Pulses Day 2025, NIAB, Faisalabad.	February 10, 2025
4	Dr. M. Ahsan Khan, Assistant Professor	Workshop on DUS studies/morphological description of wheat organized by FSC&RD at Khanewal	April 10, 2025
5	Dr. Raheela Rehman	i. Seminar on “A Journey of Innovation: Transforming Ideas into Impact” organized by BIC, UAF.	April 04, 2025
		ii. Two-Day Hands-on Training on Emasculation, Pollination and Oil Extraction Methods in Brassica Napus organized by PBG, UAF.	February 12-13, 2025
		iii. National Summit “Transforming Pakistan 2025” organized by YPDC-UAF.	February 20, 2025

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
6	Dr. M. Azam Khan, Assistant Professor	Training Workshop on Climate Change and Its Impact on Pakistan	July 02-04, 2024
7	Dr. Raheela Rehman	i. Seminar on "A Journey of Innovation: Transforming Ideas into Impact" organized by BIC, UAF. ii. Two-Day Hands-on Training on Emasculation, Pollination and Oil Extraction methods in Brassica napus organized by PBG, UAF. iii. National Summit "Transforming Pakistan 2025" organized by YPDC-UAF.	April 4, 2025 February 12-13, 2025 February 20, 2025
8	Dr. M. Munem Khan, Lecturer	Sugarcane varieties identification and production technology	June 19, 2025
9	Mr. M. Awais, Lecturer	i. Post Induction Training and Professional Development for Young Faculty (Batch-3), UAF, ii. One day workshop on DUS studies/ Morphological Description of Maize, FSCRD & PBRR Sahiwal iii. One day workshop on DUS studies/ Morphological Description of Wheat, FSCRD & PBRR Khanewal iv. Agri Data and Smart Data Bootcamp, UAF. v. Statistical and Biometrical Techniques Used and Agriculture and Biological Sciences, NIAB	June 23 to July 01, 2025 May 23, 2025 April 10, 2025 December 16-17, 2024 December 10-12, 2024
10	Mr. M. Farhan Khan, Lecturer	i. Training for CABI HEC cooperation and Digital Resource Sharing ii. Seed Workshop iii. Annual Program for Research Work KSK iv. Post Induction Training UAF v. Agri-data and Smart Stats Bootcamp	December 02, 2024 May 27, 2025 May 20, 2025 June 23 to July 01, 2025 December 16-17, 2025
11	Mr. Rana M. Azhar Ali, Lecturer	i. Post Induction Training and Professional Development for Young Faculty (Batch-3), UAF ii. Agri Data and Smart Data Bootcamp, PBG, UAF	June 23 to July 01, 2025 Dec 16-17, 2024
12	Mr. M. Sarmad Iftikhar, Lecturer	Agri-data and Smart Stats Bootcamp, UAF. (organizer)	December 16-17, 2024

Institute of Horticultural Sciences

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Ahmad Sattar Khan, Professor	"Annual Chrysanthemum and Autumn Flower Show 2024", organized by Faculty of Agri., IHS, UAF	December 10-12, 2024
		"International Day of Forests" organized by Department of Forestry and Range Management, UAF	March 21, 2025
		Workshop on "Value Addition of Aromatic Floricultural Crops as an Entrepreneurial Entity" organized by Faculty of Agri., IHS, UAF	June 16, 2025
2	Dr. Muhammad Usman, Professor	2nd Seminar on "Introduction of Exotic Fruit Crops for Diversification and Sustainable Production" organized by IHS, UAF	October 03, 2024
		Commonwealth Networking Reception Globalization/British Council-Lahore	October 31, 2024
3	Dr. Iftikhar Ahmad, Professor	"Annual Chrysanthemum and Autumn Flower Show 2024", organized by Faculty of Agri., IHS, UAF	December 10-12, 2024
		Outreach Training Workshop on "Flower Production, Postharvest Handling & Value Addition Techniques", Sahiwal, Distt. Sargodha	January 30, 2025
		Outreach Training Workshop on "Flower Production, Postharvest Handling & Value Addition Techniques", at Tibba Sultan Pur Distt. Vehari	January 31, 2025
4	Dr. Adnan Younis, Professor	2nd Seminar on "Introduction of Exotic Fruit Crops for Diversification and Sustainable Production" organized by IHS, UAF	October 03, 2024
5	Dr. Adnan Younis, Professor	"Annual Chrysanthemum and Autumn Flower Show 2024", organized by Faculty of Agri., IHS, UAF	December 10-12, 2024
6	Dr. Rashad Waseem Khan Qadr, Professor	Prospects of Balanced Nutrients Management for High-quality Citrus Production/ Toba Tek Singh	May 24, 2025
7	Dr. Rashad Waseem Khan Qadri, Professor	Prospects of Citrus Production: Introduction of Climate Resilient Citrus Germplasm and High-density Planting System/ Sargodha	May 27, 2025

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
		Papaya Production, Postharvest Challenges and Solutions/ Samundri, Faisalabad	May 31, 2025
		Prospects of Papaya Cultivation and Postharvest Management with Eco-friendly Chemicals/ UAF, Faisalabad	June 03, 2025
8	Dr. Bilquees Fatima, Associate Professor	Hands-On Training on "Emasculation, Pollination and Oil Extraction Methods in Brassica napus L." Organized by Oilseeds Research Laboratory PBG Department UAF.	February 11-12, 2025
9	Dr. Khurram Ziaf, Associate Professor	"Annual Chrysanthemum and Autumn Flower Show 2024", organized by Faculty of Agri., IHS, UAF	December 10-12, 2024
		2nd Seminar on "Introduction of Exotic Fruit Crops for Diversification and Sustainable Production" organized by IHS, UAF	October 03, 2024
		Workshop on "Value Addition of Aromatic Floricultural Crops as an Entrepreneurial Entity" organized by Faculty of Agri., IHS, UAF	June 16, 2025
10	Dr. Raheel Anwar, Associate Professor	Webinar on "Preparation of Mango Orchards for Next Crop by Effective Management Techniques" (Online)	September 04, 2024
		Seminar on "Sustainable strawberry strategies: Next-generation Nursery Practices for Enhanced Productivity"/ Rawalakot	September 9-10, 2024
		2nd Seminar on "Introduction of Exotic Fruit Crops for Diversification and Sustainable Production" organized by IHS, UAF	October 03, 2024
		Workshop on "Value Addition of Aromatic Floricultural Crops as an Entrepreneurial Entity" organized by Faculty of Agri., IHS, UAF	June 16, 2025
		Webinar on "Demonstration of Methods for Quality Seed Production of Vegetable Crops" (Online)	June 24, 2025
11	Dr. Syed Summar Abbas, Associate Professor	Prospects of Citrus Production: Introduction of Climate Resilient Citrus Germplasm and High-density Planting System/ Sargodha	May 27, 2025

SN	Name & Designation	Local Training Program and City	Commencement Date / Period

		Organizer One Day Workshop on "Grammar Challenges in Writing Skills"	December 18, 2024
		Organizer One day Training/camp on "Mind-Body Synergy: A Holistic Approach to Nutrition and Development" under the Concept of Eoto-Each one teaches one, IHS,UAF	April 29, 2025
		Participate Seminar on "Raising Parents" in Collaboration with UNICEF, UAF.	June 30, 2025

Faculty of Veterinary Science

Institute of Microbiology

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Sultan Ali, Associate Professor	1st International Microbiology Conference (IMC-2024) Microbial World: Innovations, Challenges and Future Prospective, GCU Faisalabad	November 13-15, 2024
2	Dr. Naveed Anwar, Assistant Professor	Participated as Speaker in "International Conference on Integrative Life Sciences" Islamabad	September 25-27, 2024
		workshop on "Author Workshop -Essential of Writing a Research Article for High Impact Journals", HEC Islamabad	October 22, 2024
3	Dr. Mashkoor Mohsin Gilani, Associate Professor	International Conference on Integrative Life Sciences (ICiLS).— National University of Sciences and Technology (NUST), Islamabad, Pakistan	September 25-27, 2024
4	Dr. Mashkoor Mohsin Gilani, Associate Professor	1st International Microbiology Conference (IMC), Government College University, Faisalabad, Pakistan	November 13-15, 2024
		One Health AMR Conference. Organized by Fleming Fund (UKAiD), Marriott Hotel, Islamabad, Pakistan	November 19, 2024
		International Seminar on Poultry Health Challenges in Pakistan.Organized by WVPA and Department of Pathology, UAF, Faisalabad, Pakistan	November 21, 2024
		International Symposium on Antimicrobial Use and Resistance in Food Animals, UAF, Faisalabad, Pakistan	March 05, 2025

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
		Multi-Stakeholder Workshop on Reducing Antimicrobial Use and Resistance in Poultry in Pakistan.— Co-organized by ICARS, Denmark and University of Agriculture, Faisalabad (UAF), Pakistan	April 15, 2025
		15th Biennial International Conference 2025. Pakistan Society for Microbiology, Quaid-i-Azam University, Islamabad, Pakistan	April 16-18 2025

Department of Parasitology

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Rao Zahid Abbas, Professor	Using Knowledge Dissemination Platforms to Strengthen Research and institutional Reputation. The Superior University, Lahore-Pakistan	August 13, 2024
		The Art of Writing and Publishing Quality Scientific Articles & Tips for Identifying Fake Journal. The University of Faisalabad-Pakistan	August 20-21, 2024
2	Dr. Muhammad Sohail Sajid, Professor	1st International Consultative Session On Livestock & Range Land Development In Dera Ghazai Khan Region, South Punjab, Pakistan	May 15, 2025
		One-day Hands-on Workshop On GIS Mapping: Visualizing Pathogen and Animal Science, KBCMA CVAS, Narowal	April 23, 2025
		3rd Hands-On Training Workshop On Arthropods & Arthropod-borne Diseases, Organized by Molecular, Parasitology Laboratory, Department of Parasitology, University of Agriculture, Faisalabad	December 10, 2024
		First International Microbiology Conference (IMC), Institute of Microbiology, Government College University Faisalabad	November 13-15, 2024
3	Dr. Muhammad Kasib Khan, Associate Professor	Cooperatives for Sustainable Agricultural and Rural Development, Organized by Faculty of Social Sciences, University of Agriculture, Faisalabad	May 28-29, 2025

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
4	Dr. M. Imran. Assistant Professor	One Day Hands on Training Workshop "Arthropods and Arthropods borne Diseases of One Health Significance" organized by Faculty of Veterinary Science, University of Agriculture, Faisalabad.	December 10, 2024
		3rd one day National Hands-on-Training workshop (two days replica) Basic Tools of Bioinformatics for Molecular Biology and Biomedical Research orgnzied by Dept. of Biochemistry, University of Agriculture, Faisalabad.	April 9-10, 2025

Department of Pathology

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. M. Kashif Saleemi, Professor	Poultry Science Conference and International Poultry Expo (I-PEX) 2024 at Expo center Lahore	September 26-28, 2024
		Post-Induction Training and Professional Development for Young Faculty, organized by Directorate of Academic & Teaching Resource Centre, University of Agriculture Faisalabad	August 07-21, 2024
2	Dr. Al Hafiza Shafia Tehseen Gull, Associate Professor	1st meeting of ORICs Forum-2025, at CAS-UAF	May 26, 2025
		"Training Program Regarding ISW Facilitator Development Workshop" Organized by Academics Without Borders, Universitaires Sans Frontières and Directorate of Academics UAF.	August 30, 2024
3	Dr. Aisha Khatoon, Assistant professor	Crop Monitoring using Kisan 360 APP under APDC-funded project titled: High Throughput Crop Monitoring using Computer Vision for Key Smart Agriculture UAF, Faisalabad	October 01, 2024
4	Dr. Muhammad Imran, Assistant Professor	Crop Monitoring using Kisan 360 APP under APDC-funded project titled: High Throughput Crop Monitoring using Computer Vision for Key Smart Agriculture UAF, Faisalabad	October 01, 2024
		Attended an Awareness Session for Faculty Members in collaboration with NICE.	July 07, 2024

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
5	Dr. Muhammad Nasir, Assistant Professor	Attended a Capacity Building Workshop for Early Career Researchers (Assistant Prof. & Lecturers) by ORIC-UAF.	July 25, 2024
		Attended a Bootcamp for Research Commercialization- organized by BIC-UAF.	June 24-25, 2025
		Post Induction Training and Professional Development, organized by Directorate of Academic & Teaching Resource Centre, University of Agriculture Faisalabad	October 10 to November 01, 2024
		Crop Monitoring using Kisan 360 APP under APDC-funded project titled: High Throughput Crop Monitoring using Computer Vision for Key Smart Agriculture UAF, Faisalabad	October 1, 2024
		Training on CABI-HEC Cooperation and Digital Resource Sharing with Academia UAF, Faisalabad	December 02, 2024

Department of Anatomy

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr.Razia Kausar, Associate Professor	International Layer Quality Conference, University of Agriculture, Faisalabad	November, 2024
		Meeting of ORIC forum, CAS Auditorium,UAF	May 26, 2025
2	Dr.Sarmad Rehan, Lecturer	One Day Seminar On "Quality Assurance In Teaching And Research" At Uaf, Pakistan	June 26, 2024

Institute of Physiology & Pharmacology

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Faiza Hassan. Lecturer	International Conference on Cooperatives for sustainable Agriculture and Rural development UAF. Pakistan	May 28-29, 2025

Faculty of Animal Husbandry

Institute of Animal & Dairy Sciences

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Safdar Hassan, Lecturer	Plant Based Drug Discovery: Bridging in-Silico and Lab Approaches - Pakistan	February 21-22, 2025
		International Stakeholders' Workshop and Exhibition on Industrial Hemp Value-Chain	January 15-17, 2025
		Agriculture Policy Workshop - Pakistan	May 19 to June 13, 2025
		Agri. Data and Smart Stats Boot Camp for Faculty	December 16-17, 2024
		Post-induction Training and Professional Development for Young Faculty	August 07-21, 2024
2	Dr. Urooj Anwar, Lecturer	One-Week Hands on Training (HPLC) 2025, Central Hi Tech laboratory, UAF	April 28 to May 02, 2025
3	Dr. M. Usama, Lecturer	Post Induction Training and Professional Development for Young Faculty	August 07-21, 2024
		Fitness Fundamentals of Event Horses in Pakistan	October 02, 2024
		Advancing Animal Science Education and Professional Skills in China	October 09, 2024
		CABI-HEC Workshop	December 11, 2024
		International Stakeholders' Workshop & Exhibition on Industrial Hemp Value-Chain	January 15-17, 2025
		International Conference on Cooperatives for Sustainable Agriculture and Rural Development	May 28-29, 2025
		International Workshop on Business Plan Development	July 03, 2025
		Diploma in CDC through Cooperative CDC-07	October 22, 2024 to April 22, 2025
		Skill Oriented Certificate Courses for Internship Students	January 27 to February 09, 2025

Faculty of Sciences

Department of Physics

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Yasir Jamil, Professor	Two Days Symposium on Sustainable Energy, Baba Guru Nanak University	April 17-18, 2025
		Examining How Radiation Interacts with Atmospheric Components and Affects Climate, Superior University Lahore, Faisalabad Campus.	October 29 to November 08, 2024
		2nd International Conference on Advanced STEAM: Emerging Trends and Applications (ICASE-2024), The University of Faisalabad	November 07-08, 2024
2	Dr. Hafeez Anwar, Associate Professor	Two Days Symposium on Sustainable Energy, Baba Guru Nanak University	April 17-18, 2025
3	Dr. Muhammad Yasin Naz, Assistant Professor	7th International Conference on Materials Science & Technology 2025, Government College University Faisalabad, Pakistan	February 17-19, 2025

Department of Biochemistry

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. M. Anjum Zia, Professor	International Symposium on "Green Energy, Nanomaterials, Data Science and Artificial Intelligence. Jointly Organized by UAF and Kohsar University, Murree	September 26-27, 2024
		Two-Day workshop on "Capacity Building and Professional Development Workshop for New Inducted Faculty at PARS". University of Agriculture, Faisalabad	November 28-29, 2024
		Natural Products: Biological and Pharmaceutical Applications. Ripah International University, Faisalabad	December 18-20, 2024
		2nd International Conference on Advanced STEAM (ICASE-2024), The University of Faisalabad.	November 07-08, 2024

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
2	Dr. M. Shahid, Professor	Three-day 2nd National and 1st International Conference Cum Workshop on "Natural Products: Biological and Pharmaceutical Applications" Organized by Department of Biochemistry and Pharmaceutical sciences, Riphah International University, Faisalabad	December 18-20, 2024
3	Dr. M. Shahid, Professor	International Conference on Food & Applied Sciences (ICFAS-2024) Nathia Gali	August 19-21, 2024
		3rd International Conference on Sustainable Development in Agriculture, Health and Food Security (SDAHFS-2024)	November 20-21, 2024
		2nd International Conference on "Innovations in Chemistry, Biochemistry, Biotechnology and Bioinformatics (ICBBB-2024), organized by Institute of Biochemistry, Biotechnology and Bioinformatics, The Islamia University of Bahawalpur	December 16-18, 2024
		1st International and 4th National Training Workshop on "Plant-based drug discovery: Bridging In silico and Lab. Approaches"	February 21-22, 2025
		2nd One-day National Hands-on Training Workshop on "Basic Tools of Bioinformatics for Molecular Biology and Biomedical Research, Paras, UAF	February 25, 2025
		3rd One-day National Hands-on Training Workshop on "Basic Tools of Bioinformatics for Molecular Biology and Biomedical Research, UAF	April 09-10, 2025
4	Dr. Fatma Hussain, Associate Professor,	One-day National Hands-on Training Workshop on Basic Tools of Bioinformatics for Molecular Biology and Biomedical Research	February 25, 2025
		1st International and 4th National Training Workshop on "Plant-based drug discovery: Bridging In silico and Lab. Approaches"	February 21-22, 2025
	Dr. Kashif Jilani Associate Professor	One-day National Hands-on Training Workshop on Basic Tools of Bioinformatics for Molecular Biology and Biomedical Research	February 25, 2025
		1st International and 4th National Training Workshop on "Plant-based drug discovery: Bridging In silico and Lab. Approaches"	February 21-22, 2025

Department of Mathematics and Statistics

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Madiha Ghamkhar, Assistant Professor	Workshop on recent trends in fluid Mechanics with application in natural sciences applied mathematics, UAF	September 12-13, 2024
		Workshop on Solving Engineering Problems using Mathcad Applied Mathematics, UAF	May 08-09, 2025

Faculty of Social Sciences

Institute of Agri. Extension, Education & Rural Development

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Ghazanfar Ali Khan Associate Professor	1. Induction Training Program as Resource Person, Faisalabad. 2. Training Program on Enhancing Pedagogical Skills of the Faculty of UAF as Resource Person.	October 17, 2024 Feb. 10-14, 2025
2	Dr. Aqeela Saghir Associate Professor	Research, Management and Commercialization, ORIC, UAF, Faisalabad.	July 30 to August 01, 2024
3	Dr. Syed. M. Amir, Assistant Professor	Role of Community Mobilization in Rural Development, PARD, Peshawar.	May 27-29, 2025
4	Mr. M. Khuhnood Ashraf, Lecturer	1. Teacher Training Workshop / UAF / Trainer 2. Outreach to Sheikhpura for Data Collection / Sharukpur / Member. 3. Awareness Session BIC, NICF / UAF / Participant. 4. Training in Social Research Methodologies online / PARD / Participant. 5. Capacity Building workshop for researchers / UAF / Participant.	July 11, 2024 July 12, 2024 July 23, 2024 July 29-31, 2024 July 30, 2024

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
5	Ms. Khazra Noor, Lecturer	1. Workshop on Fostering a Growth Mindset Through Conducive Learning Behavior, Faisalabad 2. Training on Social Research Methodology & Techniques, Peshawar 3. Training Workshop on Promoting Self-Regulated Learning of Students Through Learner Centered Pedagogical Skills, Faisalabad 4. Post-Induction Training and Professional Development for Young Faculty, Faisalabad 5. Workshop on Research Project Writing Techniques, Faisalabad	July 9-10, 2025 July 29-31, 2024 July 10-11, 2024 Aug 7-21, 2024 March 13-14, 2025
6	Ms. Saira Khanm, Lecturer	1. Two-Day Workshop on Fostering a Growth Mindset Through Conducive Learning Behavior, Faisalabad 2. One-Day Workshop on "Business Plan Development" by Ibms Fss,UAF 3. Induction Training Program as Resource Person 4. Training on Social Research Methodology & Techniques, Peshawar 5. Two-Day Training Workshop on Promoting Self-Regulated Learning of Students Through Learner Centered Pedagogical Skills, Faisalabad	July 9-10, 2025 July 1, 2025 June 20-29,2025 July 29-31, 2024 July 10-11, 2024
7	Mr. Jahanzaib Tariq, Lecturer	1. Post Induction Training 2. Conference on Agricultural Research In Punjab, Challenges and The Way Forward	June 18-26, 2025

Institute of Business Management Sciences

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Burhan Ahmad, Associate Professor	Organized and Presented in A Seminar On "Why Pulses Matter: From Farm to Fork" on February 27, 2025 at Awari Hotel Faisalabad in Connection with the World Pulses Day. Organized and Presented in A Seminar on "Scaling Up Impact of Value Chain Interventions Adopted at Farm Level in Lawa and KOR Sarang (Chakwal)	February 27, 2025 December 08-09, 2024

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
2	Dr. Asia Rafiq, Assistant Professor	Emerging Trends and Best Practices in Education	May 05-06, 2025
3	Dr. Kashif Hamid, Assistant Professor	International Conference on Applied Sciences and Technology, Nankana Sb	October 24-25, 2024
4	Dr. Kashif Hamid, Assistant Professor	International Conference on Sustainable Development, Sargodha	November 14-15, 2024
5	Dr. Muhammad Hafeez, Assistant Professor	Seminar on Data and Econometric Theory, Riphah International University, Fsd	May 17, 2025
		ICBMC, 2025 Newsport Institute of Communication and Economics, Karachi	April 09-10, 2025
6	Dr. Robina Rashid, Assistant Professor	Participation in two days training on use of Generative AI in Higher Education	August 28-29, 2024
7	Dr. Robina Rashid, Assistant Professor	Participation in training on Digital marketing and AI organized by Arfa Karim Technology Incubator. Faisalabad	June 15 to July 15, 2024
8	Mr. Adnan Adeel, Lecturer	Training Workshop on ISTA Quality	June 2-3, 2025
9	Mr. Adnan Adeel, Lecturer	Training Workshop on Vegetables Seed	June 24, 2025
10	Ms. Amen Fiaz, Lecturer	Author Workshop - Latest Developments in Scientific Publishing Landscape & (Publishing ethics) at HEC Pakistan,	December 12, 2024
		Nominations for Capacity Building Workshop for Early Career Researchers (ASSISTANT Prof. & LE (TURERS) by ORIC UAF	July 09, 2024
		The "Post-Induction Training and Professional Development for Young Faculty" Program	August 07-21, 2024
11	Ms. Ayesha Noreen, Lecture	Post Induction Training Professional Development, UAF + USDA	August 7-21, 2024
		Futme Youth Enders Conference	February 18, 2025
12	Ms. Khadija Yasen, Lecturer	Newsport Institute of Communication and Economics, Karachi	April 9-10, 2025
		HEC Forman Christian College, CLT, FC, Lahore	April 7-16, 2025
13	Ms. Mubashra Saman, Lecturer	Newsport Institute of Communication and Economics, Karachi	April 9-10, 2025

Department of Rural Sociology

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Dr. Naveed Farah, Associate Professor	International Conference on "Food Security & Value Chain Systems: Challenges & Opportunities in Emerging Economies" at MNS University of Agriculture, Multan	December 9-10, 2024
		International Conference on "Cooperatives for Sustainable Agricultural and Rural Development" at UAF	May 28-29, 2025
		International Professional Development Series Leveling the Playing Field in Higher Education: Systemic Strategies For Inclusive Excellence Forman Christian University, Lahore	April 07-16, 2025
2	Dr. Sadaf Mahmood, Associate Professor/ Chairperson	International Conference on Cooperatives for Sustainable Agriculture and Rural Development, University of Agriculture, Faisalabad	May 28-29, 2025
		Seminar on Super-Efficient Sustainable Cooling Solution for All Applications (S2C001)", with the UKRI. University of Agriculture Faisalabad	May 26, 2025
		S2cool Workshop at LUMS, Lahore, Pakistan	April 28, 2025
		AVIKNCRD-AARDO's Regional Offices' Collaborative One-Day National Seminar on "Good Governance: Issues & Possible Solutions"	May 22, 2025
3	Dr. Naveed Farah, Associate Professor	One-day seminar on "Population Issues" at New Senate Hall, UAF	July 10, 2025
		Empowering Green Leaders: UI Green Metric Workshop for Sustainable Pathways in Pakistani Universities at UEIT Rahim Yar Khan	August 22, 2024
		Capacity Building Workshop Regarding Research Management, Commercialization And Promotion of An Entrepreneurial Ecosystem at Campus UAF. Faisalabad	July 30- August 01, 2024

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
4	Dr. Naima Nawaz, Assistant Professor	Seminar on Population Issues	July 10, 2024
		Narcotics Awareness	September 24, 2024
		Seminar on Dissemination of Social & Behavior Change Communication (SBCC) Strategy Under Punjab Family Planning Program (FPPP)	November 12, 2024

		Statutes and Regulations related to the Degree Awarded by the University of Agriculture, Faisalabad	April 07-08, 2025
		Organizer of 13th Evolution's International Conference on Food & Applied Sciences (ICFAS-2025), Okara	February 18-20, 2025
12	Rao Aqil Shehzad, Lecturer, Chemistry	Induction Training and Professional Development of Faculty", University of Agriculture, Faisalabad.(Local)	November 01, 2024
		Vertical Poly Tunnel Farming System	June 02-04, 2025
		One-day Workshop on "Statutes and Regulations Related to the Degrees Awarded by the University of Agriculture, Faisalabad", Constituent College Depalpur, University of Agriculture, Faisalabad	December 16, 2024
13	Haris Pervaiz, Lecturer, CS	International Conference on Food & Applied Sciences 2025, Pakistan	April 07-08, 2025
		National Potato Congress, Okara/Sahiwal/ Lahore	March 20-26, 2025 to April 6-10, 2025
		Master Trainer-Level Training On High Performance Computing (HPC) Cluster	May 26-27, 2025
		Training Session on ERP Software	July 01, 2025
14	Dr. Sidra Noreen, Lecturer, Sociology	Addressing Food Insecurity Through Awareness And Behavioral Change (Local)	October 30, 2024
		Induction Training and Professional Development of Faculty", University of Agriculture, Faisalabad	November 01, 2024
		Vertical Poly Tunnel Farming System	June 02-04, 2025
		Seminar on Mental wellbeing of the Youth	October 10, 2024
		Conference on Environmental Multilateralism and Human Development University of Nairobi and United Nations	June 23-25, 2025
15	Mrs. Faiza Ishtaiq, Lecturer	Development of Faculty", University of Agriculture, Faisalabad (Local) Vertical Poly Tunnel Farming System" (Local)	June 02-04, 2025

UAF Constituent College, Burewala

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
1	Waqas Ahmad, Lecturer, Department of Computer Science	Participated in "Post Induction Training and Professional Development for Young Faculty" at University of Agriculture Faisalabad.	October 10 to November 01, 2024
		Participated in One-Day Seminar for "Precision Agriculture Kisan 360 AI Driven Crop Monitoring System" at UAF Constituent College Burewala (Vehari).	November 01, 2024
		Participated in "One Day Seminar on Business Idea Competition 2024" at UAF Constituent College Burewala (Vehari).	December 12, 2024
		Participated in One Day Event on "Inter-University E-Gaming and Speed Programming Competition" at UAF Constituent College Burewala (Vehari).	March 18, 2025
		Organized One Day Event on "Technology Idea Competition" at UAF Constituent College Burewala (Vehari).	May 30, 2025
2	Dr. Amnah Yusaf, Lecturer, Department of Chemistry	Post Induction Training for New Faculty, UAF, Faisalabad	October 10 to November 01, 2024
3	Anum Najeeb, Lecturer, rganic Chemistry, Department of Chemistry	Participated in "Post Induction Training and Professional Development for Young Faculty" at University of Agriculture Faisalabad.	October 10 to November 01, 2024
		Participated in Seminar on "World soil day 2024" at University of Agriculture Faisalabad.	December 05, 2024
		Participated in Seminar on "Smog: A Growing Concern for Environmental Health" at University of Agriculture Faisalabad.	November 26, 2024
4	Dr.Munazzah Manzoor, Lecturer, Department of Sociology	Participated in "Post Induction Training and Professional Development for Young Faculty" at University of Agriculture Faisalabad.	October 10 to November 01, 2024
		Participated in one day Event on "Inter-University E-Gaming and Speed Programming Competition" at UAF Constituent College Burewala (Vehari).	March 18, 2025
		Participated in two day Event on "Cultural Day (Exhibition)" at UAF Constituent College Burewala (Vehari).	March 14-15, 2025

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
5	Seher Muneer, Lecturer, (Agri. Economics) Department of Business Administration	Participated in "Post Induction Training and Professional Development for Young Faculty" at University of Agriculture Faisalabad	June 23 to July 01, 2025
		Organized "One Day Seminar on Business Idea Competition 2024" at UAF Constituent College Burewala (Vehari).	December 12, 2024
		Participated in "Two Days Workshop on Academic Writing and Publishing: Strategies for Success in Reputable Journals." Organized by Pakistan Economic Forum with Collaboration of University of Wah	April 12-13, 2025
		Participated in Three Days workshop "3-Days Hands on Workshop on R (Programming Language) (Basic level)" Organized by Pakistan Economic Frontier	June 21-23, 2025
		Participated in Two Days Event on "Cultural Day (Exhibition)" at UAF Constituent College Burewala (Vehari).	April 14-15, 2025
6	Maria Ahmad Lecturer, Botany	Participated in "Post Induction Training and Professional Development for Young Faculty" at University of Agriculture Faisalabad.	August 07-21, 2024
		Participated in 'Smog: A Growing Concern for Environmental Health'	November 26, 2024
		Participated in 'Caring for Soils: Measure, Monitor, Manage'	December 05, 2024
7	Mr. Umair Rafiq Lecturer, Agribusiness Department of Business Administration	Participated in "Post Induction Training and Professional Development for Young Faculty" at University of Agriculture Faisalabad.	August 07-21, 2024
		Organized "One Day Seminar on Business Idea Competition 2024" at UAF Constituent College Burewala (Vehari).	December 12, 2024
		Participated in one day Event on "Inter-University E-Gaming and Speed Programming Competition" at UAF Constituent College Burewala (Vehari)	March 18, 2025
8	Zarish Waheed. Lecturer, Education	Participated in "Post Induction Training and Professional Development for Young Faculty" at University of Agriculture Faisalabad.	June 23 to July 01, 2025

SN	Name & Designation	Local Training Program and City	Commencement Date / Period
10	Dr. Yasmeen Bano, Lecturer, Food Science and Technology	"Capacitating of Faculty as a Catalysts for Lasting Change with an Objective of Developing Resilient Food Systems through Academic Leadership." Multan	June 16-17, 2025
		"Data Analysis Workshop on PLS-SEM." Online	April 20, 2025
		Consultation on Food Systems Transformation/ Nutrition Research Agenda, Pak Korea Nutrition Centre, Faisalabad	May 27-28, 2025
11	Dr. Muhammad Awais Rasool, Assistant Professor (TTS)	One day seminar on "Threats to Wildlife Conservation in Pakistan" on World Wildlife Day, at UAF Sub-Campus Burewala (As a Organizer).	December 04, 2024
		One day Seminar on World Soil Day 2024 Titles "Caring for Soils: Measure, Monitor, Manage" (as committee member).	December 5, 2024
12	Dr. Muhammad Yahya Khan, Assistant Professor (TTS)	Three-Days Research Training on "Greenhouse Gas (GHG) Measurement and Alternate Wetting and Drying (AWD) in Rice-Wheat Cropping System in Punjab at Water Management Research Farm, Renala Khurd, Okara	April 08-10, 2025
13	Ms. Noor Mehboob Lecturer, Department of English	Participated in "3rd International Conference on Linguistics and Multidisciplinary Research (ICLMR, 2024)" at The Women University Multan, Pakistan.	December 09-11, 2024
14	Muhammad Umair Zulfiqar. Lecturer, HRM Department of Business Administration	Participated in Training on "Post Induction Training and Professional Development for Young Faculty" at University of Agriculture Faisalabad.	August 07-21, 2024
		Participated in Seminar on "Precision Agriculture Kisan 360 AI Driven Crop Monitoring System" at UAF Constituent College Burewala (Vehari).	November 01, 2024
		Organized Workshop on "Statistical Toolkit: Analyzing Data Effectively" at UAF Constituent College Burewala (Vehari).	November 05-06, 2024
		Organized Seminar on "Business Idea Competition 2024" at UAF Constituent College Burewala (Vehari).	December 12, 2024
		Participated in an Event on "Inter-University E-Gaming and Speed Programming Competition" at UAF Constituent College Burewala (Vehari).	March 18, 2025

AWARDS FOR MERITORIOUS SERVICES IN TEACHING AND RESEARCH

SN	Name, Designation & Department/ Institute	Type of Award
1.	Dr. Muhammad Haroon U Rashid, Assistant Professor & Department of Forestry and Range Management	Digital Green Talent Award 2024, Germany (International)
2.	Dr. Raheela Rehman, Assistant Professor, PBG	1- Jerome P. Miksche Travel Grant Award to attend Plant and Animal Genomics (PAG-32), San Deigo, USA 2024 2- Wheat Initiative Early Career Travel Award to present paper in International Wheat Conference (IWC-2024) September 22-26, 2024, in Perth, Australia
3.	Dr. Amnah Yusaf, Lecturer Chemistry, UAF, constituent College Burewala	Pakistan Membrane Society” Best Research Paper Award 2024
4.	Prof. Prof. Dr. Beenish Israr, Director IHS,UAF	Waste to Taste Product Innovation Challenge/Shield of 8th Position/2000 Rs
5.	Dr. Benash Sarwar, Lecturer, Consultant Dietitian and Community Nutritionist/IHS	Waste to Taste Product Innovation Challenge/Shield of 2nd Position/7000 Rs
6.	Ms. Nizwa Itrat, Lecturer, IHS	Waste to Taste Product Innovation Challenge/Shield of 1st Position/15000 Rs
7.	Dr. Naeem Saddique Assistant Professor, Department of Irrigation & Drainage	Springer Nature Editor of Distinction Award 2025-May, 2025

COMMERCIALIZATION AT UAF

INTELLECTUAL PROPERTY RIGHTS PROTECTION THROUGH PATENTS

Patents Submitted

SN	UAF Researcher	Designation/ Deptt	Patent No.	Title of Patent in Process
1.	Dr. Muhammad Yasir Javed	Associate Professor, Physics	513/2024	An Energy Dense Novel Electrode Material for Hybrid Supercapacitors with Extend Operating Time Based on PbS/ ZnS Composites
2.	Dr. Fiaz Hussain,	Assistant Professor, Department of Fiber and Textile Technology	682/2024	Technological Development of Sustainable Fibers Derived from Cornhusk for Textile Applications
3.	Prof. Dr. Amer Jamil	Biochemistry	683/2024	A Novel Anti-Aging Nano Emulsion Cream
		Biochemistry	790/2024	A Novel Aloe vera Anti-Aging Nano Emulsion Cream
4.	Dr. Sidra Altaf, Lecturer	Pharmacy	30/2025	Nano Gold Sensor Engineered with Novel Biomolecules for Chlorpyrifos Residue Detection
5.	Prof. Dr. Imran Pasha	NIFSAT	797703	Pak-Korea Nutrition Center
6.	Prof. Dr. Sultan Habibullah Khan	CAS-AFS	75/2025	CRISPR/Cas9- Mediated Editing of GhJAZ2 gene in Cotton for Enhanced Fiber Quality and Method thereof
7.	Dr. Bushra Akhtar, Lecturer	Department of Pharmacy, UAF	138/2025	Novel Diagnostic Strips-based on Gold Nanoparticles – Antibody Conjugates for Visual Detection of Ceftiofur Residues in Dairy Milk
		Department of Pharmacy, UAF	138/2025	A Novel Oral Nano-formulation of Diosmetin for Management of Induced Arthritis
		Department of Pharmacy, UAF	140/2025	A Novel Formulation with Biodegradable Nanoparticles of Apigenin for Arthritis
		Department of Pharmacy, UAF	141/2025	A Novel Product of Organic Acid Nanoparticles for Arthritis

Patent Registered

SN	UAF Researcher	Designation/ Deptt	Patent No.	Title of Patent in Process
1.	Dr. Nabeel Khan Niazi	Associate Professor/ IS&ES	144012	A Hydroxyl-Based Magnesium/ Carbon Novel Complex Formation and Its Application

1. Varieties Approved/Submitted for Approval during 2024-25

Name of Crop	Name of Variety
Durum Wheat	Chenab Pasta-24
Quinoa	UAF- QS
	UAF- Q29
	UAF- Q7
Flower	Rosa Centifolia
	Golden Princes
	Golden Beauty (Gul-e-Ashrafi)
Okra	Okra-3A (P-21)
Chia	Chia-UA
Maize	PB-ProA-2017
Brassica	UAF-11

Variety (Submitted/Under Process)

Name of Crop	Name of Variety
Cotton	PB-896
	PB-93 (Bt)
Sunflower	Sunflower Hybrid (HZFA-4)
Wheat	WV-1038

12.	Characterization of Soybean Mosaic Virus (SMV) Homeologs and CRISPR- Cas9 Mediated Genome Editing Enhance the Viral Resistance in <i>Glycine max</i> L.	Soybean Biotechnology	Prof. Dr. Zaheer Ahmad
13.	To Conduct Genome Editing of Host Susceptibility Factors to Engineer Resistance Against Cotton Leaf Curl Gemini Viruses.	Soybean Biotechnology	Prof. Dr. Sultan Habibullah Khan
14.	CRISPR-Cas9 Editing to Knockout Negative Regulating Gene of Heat Tolerance in Soybean (<i>Glycine max</i> L.)	Soybean Biotechnology	Prof. Dr. Zaheer Ahmad
15.	To Conduct Engineering Broad Spectrum Disease Resistance in Abiotic Stress Tolerant Elite Tomato Line	Tree Pathology	Dr. Zunaira Afzal
16.	Multiplex Gene Editing of IPK1A, IPK1 and MRP4 Genes in Maize.	Cotton Biotechnology	Dr. Aftab Ahmad
17.	Characterization of 1000 Grain Weight Genes and their Homeologues and CRISPR/Cas9 Mediated Genome Editing to Increase Yield in <i>Triticum aestivum</i> L.	Wheat Biotechnology	Dr. Rizwana Maqbool
18.	Characterization of Male Sterility Genes and their Homeologues and CRISPR/Cas9 Mediated Genome Editing to Increase Yield in <i>Triticum aestivum</i> L	Wheat Biotechnology	Dr. Rizwana Maqbool
19.	Enhancing Floret Fertility by Manipulating Grain Number Increase-1 Gene in Wheat (<i>Triticum aestivum</i> L.) through CRISPR-CAS Mediated Gene Knockout	Wheat Biotechnology	Dr. Rizwana Maqbool
20.	To Conduct CRISPR/Cas9 Mediated Genome Editing to Lower the Erucic Acid Content in Brassica Rapa	Wheat Biotechnology	Dr. Rizwana Maqbool
21.	Characterization of Resistance Starch Genes and their Homeologues and CRISPR/Cas9 Mediated Genome Editing to Increase Quality of Starch in <i>Triticum aestivum</i> L.	Wheat Biotechnology	Dr. Rizwana Maqbool
22.	Characterization of 1000 Grain Weight Genes and their Homologues and CRISPR/Cas9 Mediated Genome Editing to Increase Yield in <i>Triticum aestivum</i> L.	Wheat Biotechnology	Dr. Rizwana Maqbool

SN	Case Title	Group/Lab	Principal
23.	Genetic Improvement of Wheat (<i>Triticum aestivum</i> L.) lines for Batter Iron Content through Genome Editing Tools.	Wheat Biotechnology	Dr. Rizwana Maqbool
24.	Improvement of Fiber Quality in <i>Gossypium Hirsutum</i> L. by CRISPR/Cas9- Based Editing of GhJAZ2 gene	Cotton Biotechnology	Prof. Dr. Sultan Habibullah Khan
25.	CRISPR/Cas9 Mediated Genome Editing of PPO Genes in potato (<i>Solanum Tuberosum</i>) for Reduction of Enzymatic Browning	Tomato target gene (PPO)	Prof. Dr. Zaheer Ahmad
26.	CRISPR/Cas9 Mediated Genome Editing of SIMAPK1 in (<i>Solanum lycopersicum</i>) for Heat Tolerance	Tomato target gene SIMPAKI	Prof. Dr. Zaheer Ahmad
27.	Genetic Improvement in Shelf-life of Tomato (<i>Solanum lycopersicum</i>) Using CRISPR/Cas9 Mediated Editing of Pectate Lyase (PL) gene	Tomato target gene Pectate Lyase (PL)	Prof. Dr. Zaheer Ahmad
28.	Application for CRISPR/Cas9 Mediated Genome Editing for Enhancing the Tolerance against Frost in <i>Solanum lycopersicum</i>	Tomato (target gene SIPP4)	Prof. Dr. Zaheer Ahmad
29.	Application for CRISPR/Cas9 Mediated Genome Editing in Potato for Late Blight Resistance	Potato (target gene CHI/gene)	Prof. Dr. Zaheer Ahmad

Consultancy Projects / Agreements/Academia Industry Linkages Developed

UAF researchers collaborate with industry for the solution of their industrial problems/bottlenecks through Consultancy Projects under UAF Commercialization Policy. During reporting period, Scientists at this campus extended consultancy services as per detail given below:

SN	Agreement/ Project	Consultant Name	Agency	Title
1.	Consultancy	Dr. Muhammad Rizwan Tabbassum, Assistant Professor/Incharge PBI	M/s Wajid Iqbal & Co, Faisalabad	Biogas Production and Analysis Towards Environmentally Friendly Technology
2.	Consultancy	Dr. Irfan Ahmad, Associate Professor, Department of Forestry and Range Management	CABI	Agrobiodiversity in Potato PepsiCo EEE10030A-A Pakistan
3.	Consultancy	Dr. Muhammad Nadeem, Assistant Professor, Farm Machinery and Power	Asim Mumtaz Agricultural Farm 18 Hazari District Jhang	Consultant regarding Farm Implements and Improved farm structure

SN	Agreement/ Project	Consultant Name	Agency	Title
4.	Consultancy	Dr. Adnan Mukhtar, Assistant Professor, UAF- Constituent College, Depalpur Okara	M/S Taste Roots, Gujranwala	Consultancy regarding Dried Fruits, Herbs Spices and Innovative Food Products
5.	Consultancy	Dr. Muhammad Naveed, Professor, IS&ES	Sadiq Abadan (SA) Farm, 17km Khurianwala, road Jaranwala	Improving the Farm Lad by using Biological/ Regenerative Practices, Improve Saline/Sodic Soils and Achieve a Crop Yield Reasonable Inputs that Financially Viable
6.	Consultancy	Dr. Mashkoor Mohsin Gilani, Associate Professor, Institute of Microbiology	Food and Agriculture Organization (FAO)	Economic Analysis of Various Alternative to Growth Promoters (Antibiotics) in the Poultry Production System
7.	Consultancy	Dr. Muhammad Naveed, Professor, IS&ES	Mission fertilizer & chemical Pvt Limited, Lahore	Development of Waste Decomposer a Multi Strain Biofertilizer and Micronutrient Cocktail: a Multi-Nutrient Crop Supplement for Field Scale Evaluation in Different Ecological Zone
8.	Consultancy	Prof. Dr. Muhammad Sana Ullah, Institute of Soil and Environmental Sciences (IS&ES)	South Asia Partnership (SAP) Pakistan	Development of a Comprehensive Training of Trainers Manual and Lec Material for Young Farmers and Community Climate Leaders from Ghotki, Rajanpur and D.I Khan Districts
9.	Consultancy	Prof. Dr. Imran Pasha, Director General, National Institute of Food Science & Technology (NIFSAT)	Global Affairs Canada (GAS- IFPRI)	Mapping the Farm and Market Level Footprint of Zinc Wheat in Pakistan
10.	Consultancy	Dr. Tariq Aziz, Associate Professor, Depalpur	Engro Fertilizer	Forecasting National Agronomic Demands of Nitrogenous Fertilizers for Next Decades

SN	Agreement/ Project	Consultant Name	Agency	Title
11.	Consultancy	Prof. Dr. Muhammad Asif Kamran, Director, Policy, Law & Governance Center	CABI	Short Term Consultancy to Review Policies and Conduct One Day Work Shop
12.	Consultancy	Dr. Ghulam Mustafa, Farm Officer, Constituent College, Burewala	WWF	Development Training Manual for Farmers and Field Staff Regarding Improve Soi Health trough Implementing Locally Relevant Practices for Soil Management and Alternative Methods Beyond Synthetics Fertilizers
13.	Consultancy	Dr. Khalid Bashir, Associate Professor, IA&RE	RASTA, Pakistan Institute of Development Economic (PIDE), Pakistan	A Vital under RASTA at PIDE, focus on Improving Urban Governance, Data Driven Policymaking and Sustainable Development Practices) as Local Partner Research Team Consultant
14.	Consultancy	Dr. Rizwan Tabbasum,	M/S RevGreen Pakistan, Lahore	Support in Conducting Biogas and Iomethane Testing at their BEVL Biogas Plant Located in Karachi

STRENGTHENING TECHNOLOGICAL INFRASTRUCTURE

Executive Summary

Information Technology (IT) has become an integral part of teaching, research and learning across academic institutions worldwide. At the University of Agriculture, Faisalabad (UAF), the IT infrastructure plays a pivotal role in facilitating the academic and administrative needs of the university community. UAF's IT department has significantly expanded its services, providing seamless, 24/7 connectivity and technical support to students, faculty, researchers and administrative staff.

This report provides a comprehensive overview of UAF's IT landscape, key milestones, services and future plans. It highlights the efforts made to strengthen digital infrastructure, promote research, enhance learning experiences and ensure reliable communication across all campuses.

1. Role of IT in Research, Teaching and Learning

In the modern academic environment, teaching, research and learning are inextricably linked with Information Technology. Staying aligned with rapid technological changes is essential to meet the dynamic needs of education and innovation.

UAF has established a robust IT infrastructure that meets the multi-dimensional requirements of the academic community. The IT team operates around the clock, ensuring uninterrupted support and guidance to researchers, students and staff, thereby enhancing productivity and efficiency.

The Higher Education Commission (HEC) has ranked UAF at the top among 140 universities in Pakistan for its research output. Building on this success, UAF aims to focus on the timely dissemination and translation of research findings into practical applications and ensure their visibility through regular updates on the university's website.

2. UAF Initiative on Internet and Society

As part of its digital advancement, UAF has launched the Interdisciplinary Research Initiative on Internet and Society. This cross-university program aims to explore the evolution of cyberspace and examine its implications in business, technology, economics, law and society.

The initiative is geared toward:

- Understanding cyber-related challenges,
- Promoting interdisciplinary research,
- Developing strategic solutions to address these challenges

The future direction involves keeping pace with technological progress, maintaining global connectivity and empowering the academic community to deliver innovative solutions for societal benefit.

3. Information Technology Resource Center and Data Bank (ITRCDB)

Established in December 2010, ITRCDB is the central hub for IT services at UAF. It operates on two core pillars:

- Network Infrastructure
- Software Development

Key Functions and Services:

- 24/7 high-speed internet access
- Centralized data management using Oracle 11g Release 2
- Real-time bandwidth distribution of 1.7 Gbps across academic, administrative and residential areas
- Integration with Pakistan Education & Research Network (PERN2)
- IT support across all UAF campuses including PARS, Toba Tek Singh and Burewala

Data Center Infrastructure:

- Firewall: Huawei USG 6600 UTM
- Core Switches: Huawei S12800, Quadway S5700
- Servers: Dell PowerEdge
- Operating Systems: Windows Server 2012R2, VMware 6.5, CentOS Linux 8
- Communication Tools: Microsoft Office Communicator Server
- Wi-Fi coverage across all hostels and sub-campuses

4. Key IT Services Provided by ITRCDB

- 24/7 uninterrupted, high-speed internet access
- Biometric attendance system management
- Deployment of campus-wide Active Directory
- Network-based surveillance and security systems
- System support and maintenance services
- Hardware repair and troubleshooting
- Web hosting and email services
- Digital Library and E-library access
- Video conferencing facilities
- IP telephony infrastructure
- Virtual Desktop Infrastructure via VMware Horizon
- LAN-based resource sharing
- Secure remote access for faculty
- Data backup and archiving solutions
- Network expansion for existing and new departments
- IT procurement advisory and technical support
- Virtualized environments using VMware and Hyper-V for optimized resource use and energy efficiency
- Deployment of High-Performance Computing (HPC) services to support advanced research

5. Network Development: Milestones and Achievements

Campus-wide Networking Initiatives:

- o In 2004, UAF launched the "Campus-wide Networking and Computerization" project, deploying fiber optics to support 400 nodes, which expanded to 1500 by 2008.
- o The infrastructure was later upgraded under the "Strengthening of IT Infrastructure" project, resulting in:
- o 2800+ network nodes
- o Wireless connectivity in all hostels
- o New state-of-the-art data center

Cloud Migration and System Upgrades:

- Successfully migrated to Microsoft Office 365, including Exchange, SharePoint, OneDrive and Skype for Business.
- Entire campus now operates on high-speed fiber optics using Cisco's Layer 3 hierarchical model.

Software and Security Enhancements:

- Provision of licensed Microsoft Windows, Office, Antivirus and productivity tools.
- Deployment of Huawei UTM for deep-level application security.
- Network surveillance under the Smart Safe Campus Project funded by HEC.

6. Sub-Campus Connectivity and Expansion

UAF, in collaboration with PERN and ITRCDB, has extended internet services to its sub-campuses:

- Dedicated 60 Mbps fiber optic links installed at:
- PARS
- Toba Tek Singh
- Burewala campuses
- Wi-Fi deployment in all hostels and academic areas at sub-campuses

7. Completed IT Projects

- Migrated to Microsoft Office 365 cloud-based services
- High-speed fiber optic connectivity across all faculties
- Provision of licensed software and project management tools
- Installation of full-mesh Wi-Fi access points
- Upgrade from Cisco core/access switches to Huawei systems
- VMware Horizon-based Virtual Desktop Infrastructure (VDI) implementation
- Deployment of Data Network, VoIP and Surveillance across sub-campuses
- Installation of hybrid (analog + IP) telephone exchange
- Implementation of secure UTM firewall for cyber protection
- Real-time Internet access to all departments and hostels
- Internet connectivity for PARS and PBI hostels
- Connectivity to new Jinnah Hostel (2000 student capacity)
- Installation of 94 IP CCTV cameras under Smart Safe Campus HEC project
- Network services extended to Amphitheater, CBC Training Center, CBC Residential and Maryam Hostel

8. Future Outlook

UAF is committed to:

- Scaling up research-oriented digital infrastructure
- Increasing bandwidth to meet growing internet demands
- Expanding secure and energy-efficient computing environments
- Enhancing real-time data systems for student engagement and learning metrics
- Collaborating with partners for content development and program scaling

SOFTWARE SECTION

Information Technology Resource Center and Data Bank (ITRCDB) has also developed modules for different departments of UAF.

Real-Time Fee Integration

In 2017-18 fee collection system has upgraded with real time bank integration. First time ever in university history ABL and MCB introduce real time fee collection mechanism, Students can submit university dues in any branch of banks as well as through ATM and get the real time confirmation in UAF system and on students' portal.

By introducing this system following changes and upgradation has happen:

- Fee submission facility of all ABL and MCB branches all across Pakistan
- Real time reporting to offices relating to finance i.e. treasure office, Fee section, Accounts department, Chief of hall warden office.
- Elimination of 24 hours gap from entries test vouchers verifications.
- Generation of merit list on frequently basis
- Generation of revenue reports
- Faster Bank reconciliation process
- Bank scroll summaries and reports

Online Admission & Record Information System

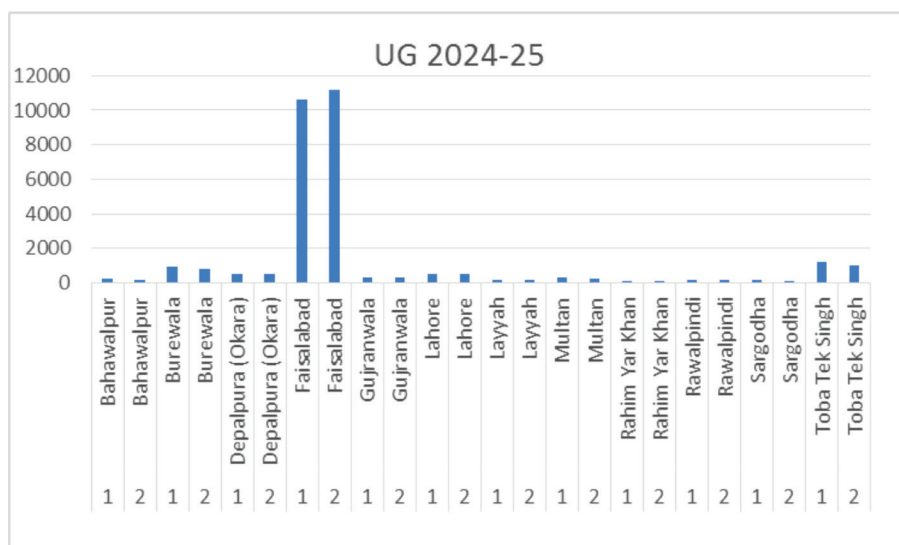

In 2014, UAF lunched online admission system (Admissions & Enrollment of undergraduate and postgraduate) that was capable of taking the applications online. During the session 2016-17 we can proudly announce that first time ever all the process from entry test to admission and fee collection of first semester is done through online admission portal which is a great achievement for us. This summery report will describe all the process of admission in step by step.

Entry Tests:

Undergraduate

UAF Conduct two entry tests with various stream for the admission of undergraduate's session 2024-2025 in which almost 36000+ candidates registered with our Entry test portal and submitted the 30583+ application for entry test for all the 12 test centers.

Below graph will describe the Campus wise number of applications of candidates.

Test Center Wise Comparison:

Application Submitted:

After Entry test there are 3583 + application is submitted through online portal in undergraduate session 2023-2024.

- Merit Generation system: IT has provided Undergraduate merit generation system from admission session 2024-25 to all departments/campuses, where any of focal person nominated by department/campus HOD can generate merit lists as much as their good office required. They can scrutinize any application by viewing their documents, set the seat allocation against any degree. system have the option to print merit lists in excel format for finalizing lists and publish for website.

Postgraduate

Online Registration & Entry Testing:

Candidates register online, receive a unique registration number and proceed through the entry test. The entire process including registration, document uploading, test attendance, result verification and fee submission is executed through our centralized online system.

Integrated Admission Processing

Following the entry tests, the admission procedure is automatically initiated. All applications are inspected in detail and merit lists are generated based on predefined rules within the system. This integration facilitates a smooth transition from test performance to final admission.

Documentation Management

Essential documents such as DMCs, provisional certificates, character certificates and other relevant records are managed centrally through the designated account and treasury offices. This ensures accurate record keeping and expedited processing.

Support Services

Our Admission Help Desk, managed by the IT Directorate, remains available via phone, email, or in-person visits to address any queries related to both undergraduate and postgraduate admissions.

1. GAT Session 2024-25: Entry Test Data

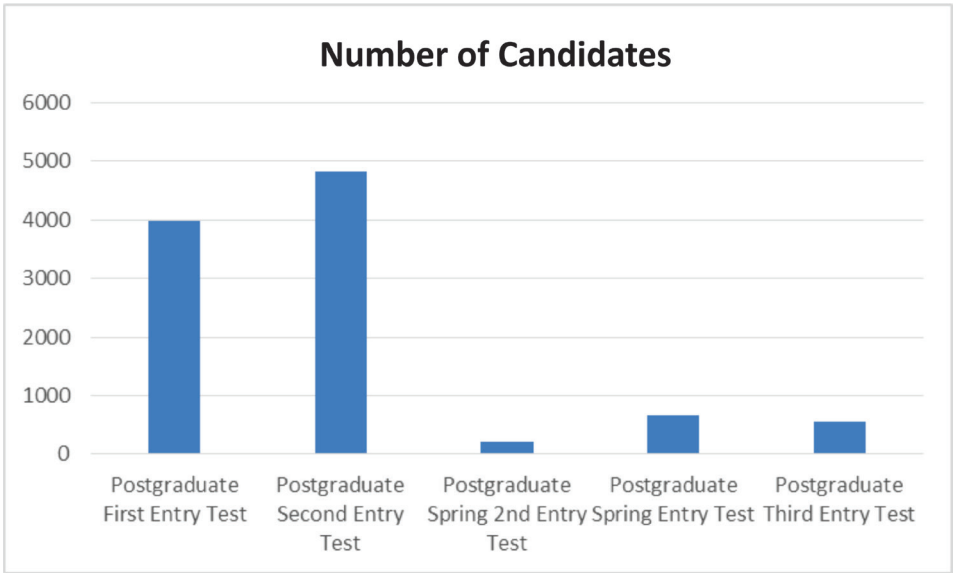

The following statistics reflect the performance in the GAT entry tests conducted during the 2024-25 session:

- 1st Entry Test:
- o

Candidates Appeared: 3971
- 2nd Entry Test:
- o

Candidates Appeared: 4811
- 3rd Entry Test:
- o

Candidates Appeared: 553

2. GRE Session 2024-25: Entry Test Data

Similarly, the GRE entry test data for the 2024-25 session is summarized below:

- 1st Entry Test
- o

Candidates Appeared: 3971
- 2nd Entry Test
- o

Candidates Appeared: 4811
- 3rd Entry Test
- o

Candidates Appeared: 553

The GRE data reflects our commitment to maintaining rigorous assessment standards while accommodating the varied candidate profiles and performance levels.

3. Technology & System Integration

- **In-House Admission Software:**
Our proprietary admission and record management software continues to serve as the backbone of the admissions process. By engaging the latest technologies (e.g., ASP.NET Core), the system allows access from multiple locations, ensuring flexibility and convenience for all users.

- **Automated Merit Generation:**

The system automatically calculates and updates merit lists based on the entry test scores and application data, ensuring transparency and fairness throughout the admission cycle.

- **Digital Document Management:**

The transition to an entirely digital process for document submission and verification has significantly reduced processing times and enhanced the overall efficiency of our admission operations.

Commencement of Online Classes and Online Exam

With the collaboration of HEC, UAF deployed Learning Management Solution (LMS) that is catering around 20,000 students. During the COVID-19 pandemic situation, ITRCDB trained faculty members to conduct online classes using existing LMS system integrated with MS Teams for video streaming. UAF has successfully conducted online exams as well and more than 95% students made appearance. All the course material is published on LMS site which not only proving central repository for course management but also facilitating the faculty for managing attendance, online quizzes & midterms, assignments and audio/video lecture delivery. Chat section for teacher with class, Turnitin Assignment module, Enrollment of Students, Digital library. UAF posted a list of MOCCs on LMS as well which are free for general audience and farmers. Technical Support: ITRCDB has established a Technical Support Cell to extend all necessary support for the transition to online or hybrid mode of learning. ITRCDB start capacity building process with the help of QEC and trained university faculty for online classes and online examination during the COVID-19 pandemic ITRCDB achieved the objective Protect Health and Lives of all stakeholders including students, faculty members and employed in universities as well as complete the semester in time through online education/examination.

Digital Library & Book Bank Information System

- Robust Library Management software is developed in house to facilitate computerized book record, e-search facility of books, journals and thesis and track issuance records of books.
- Digital library program from HEC is playing a key role in the availability of electronic resources for the students at UAF. There are couple labs established at the library for male and female students who have access to digital library 24/7. ELIN & Ebrary are the popular ones among the students.
- Process of book issue, Book rents and fine all is controlled by this in-house system.

Web Portal

- FTP server is configured by the ITRCDB to cater the staff and faculty for uploading/downloading files.
- Microsoft Cloud services are also being used to share the data within the organization. Data is posted and retrieved through a single sign on process using email credentials.
- Use of E-Calendar is introduced campus-wide that facilitate all the faculty and staff to stay connected and schedule their appointments using electronic method.

Mobile Apps

UAF launched few android apps in last 4 months that are designed for information distribution and student & staff interaction. UAF campus app helps students to stay tuned with latest news and updates and access to information on few clicks. They are also facilitated with online admission through app, checking merit lists and many more other options to explore.

Electronic Generation of DMCs, Degrees and Award Lists

Controller of Examination office is also equipped with in house developed software which is capable of generating DMCs, Degrees, Award list generation and management, subject enrollments of all postgraduate and undergraduate students and result lists generation. Right after the admission of any student of postgraduate or undergraduate, process start from registrations of students till DMC issued is all controlled by in house system and centralized database.

Electronic printing of Identity Cards

- In 2014, ITRCDB developed an application that is capable of allocating hostel form one central database. Hostel management system is completely capable of storing and maintains hostel wise student records. This system is fully integrated with fee section system and data is limited in access to Fee office for printing of fee vouchers of boarder students. The system stores complete history of all students from the time of admission till degree completion and furthermore it has capacity of credentials-based access by the male and female hostels.
- Recently IT office has updated student identity card on RFID card system with newly standard designs with separation of Boarding and Non-boarding students' categories. This increase the system capability for tracking of students records with RFID system components.

Maintain Student Records Electronically

Student Record Branch Information System is capable of maintaining and managing student records electronically.

Electronic Printing of Fee Slips

Undergraduate and Postgraduate Fee Management System is also major software which is capable of keep track of all fees paid by students in each semester. Fee slips are being generated by using this software automatically for last few years. This software is providing financial management assistance of funds to the treasurer office. With this system, fee vouchers can be printed at department levels. which is completely designed credential based.

Accounts Management System

IT has developed a system for managing income account where all the dues directly created to university income account. This system managing all type of vouchers such as for students DMC, character certificate, NOC, etc. and for employee's wheat vouchers, income transfer from other banks, parking accounts etc. after submission all type of reports of verified dues also been managed.

Electronic Hostel Allocation System

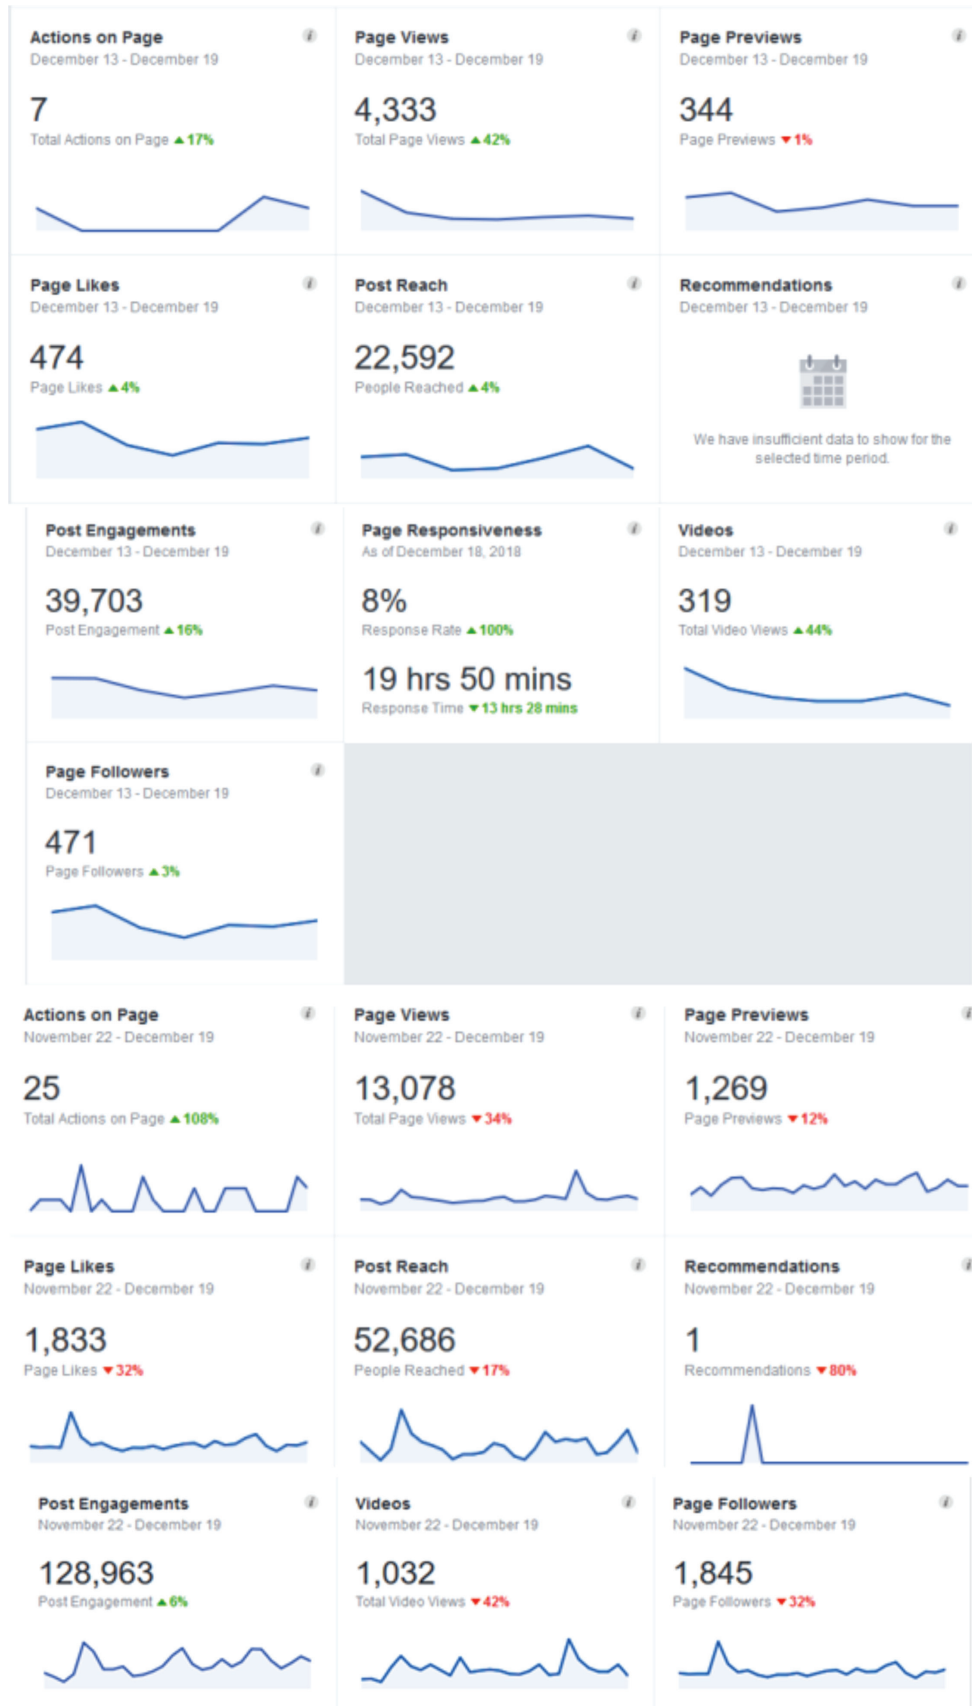

In 2014, ITRCDB developed an application that is capable of allocating hostel form one central database. Hostel management system is completely capable of storing and maintain hostel wise student records. This data is limited in access to Fees office for printing of boarder vouchers. The system stores complete history of all students from the time of admission till degree and furthermore it has capacity of credit based access by the male and female hostels.

Social Media & UAF

- Use of Social Media has become a major pillar of campus life. UAF is aggressively working on Twitter, Facebook, LinkedIn, RSS Feed, YouTube University Channel to stay connected with students and global world to help them and provide them information related to campus activities and other News and Information related to campus life. All the news and announcements are broadcast using Twitter, RSS Feed and Facebook pages.
- Both teachers and students are looking at social media as a tool to engage, support and connect students, teachers and institutions. Social media is becoming an integral part of life online as social websites and applications proliferate. Most traditional online media include social components, such as comment fields for users.

ITRCDB Web Development and Maintenance

The Centre is also administrating the following websites.

- University website www.uaf.edu.pk which is the richest source of comprehensive and up-to-date information about the campus' life, research, academic activities, academic calendar, documentaries, photo galleries and publications. UAF's website is also facilitating the student, staff and faculty by providing web based catalog interface for Central Library of UAF the end users can search Books, theses and journals effectively & efficiently and also download soft copies of them.
- In 2015 UAF launched Online Entry Test registration for Undergraduate Program that was capable of taking the application online and facilitate the students.
- The Department of ITRCDB also launched the online registration for DICE -2015 www.uaf.edu.pk/pages/dicestp1.aspx (Distinguished Innovations, Collaboration & Entrepreneurship). DICE is a strategic initiative of DICE Foundation aimed at fostering innovation culture in the country.
- A new website for USPCAS uspcasafs.uaf.edu.pk/ has also been developed and managed by the center. U.S.-Pakistan Center for Advanced Studies in Agriculture and Food Security (USPCAS - AFS) is an initiative by USAID. The USPCAS-AFS will serve as a focal point for collaborative research and training among all nodes of agricultural sciences related to food security.
- opaclibrary.uaf.edu.pk/ is providing web-based interface of library management software to provide information of book, thesis and journals available at library online. Students and employees can access this information without visiting library.
- A web-based forum for current student and alumni www.alumni.uaf.edu.pk has also been developed and managed by the center. It develops a social network of Old and New students and become the centralized platform for current students as well as alumni of UAF to keep in touch with each other. Students/alumni can chat, send email, post jobs and can share old memories with each other by adding other students in their friends list.
- Online employees repository and papers repository www.repository.uaf.edu.pk also has been developed and managed by this center. These repositories are providing all information about employees and publication so far.
- www.icdd.uaf.edu.pk is another website that is managed by the center; this site is UAF's consortium with other universities globally to perform research in the field of agriculture.
- Web section is also managing employees official email system which is hosted on Google servers known for remarkable security and identity theft protection. Employees are encouraged to get their official email IDs to let they communicate with outer world with their official identities.
- In 2015 Department started to create official email address for the post graduate students, students can now use their official email ids for their research and publications
- <http://student.uaf.edu.pk> for printing of semester-wise regular fee vouchers from world wide web.
- Online Books system has introduced, running on following link <http://onlinebooks.uaf.edu.pk/>
- Employees and journals information is developed by ITRCDB <http://staff.uaf.edu.pk/Login.aspx>

Software Enhancements Projects in Pipeline

- Virtualized Eco-friendly Data Bank environment
- Assessment and Initialization towards migration to Cloud
- Campus Management Solution: Assessment and Deployment of Enterprise Resource Planning (ERP)
- Deployment of in-house upgraded testing and development environment
- Deployment of Virtual Learning environment: Instructor-led Online & Self-paced Online
- Secure data sharing and transfer
- Introducing and implementing IT policies and procedures
- Deployment of IT asset management application
- Online Registration for the university Scholarships

Deployment of Enterprise Resource Planning (ERP) and Campus Management System (CMS)

ITRCDB is in the process to deploy Enterprise Resource Planning (ERP) and Campus Management System (CMS) through HEC funded project titled "Establishment of I.T and Library Infrastructure for new Disciplines of Food and Energy Engineering and Science at University of Agriculture, Faisalabad. Project aims to deploy following SAP S/4HANA based ERP and CoC based Campus Management software modules to automate business functions of University:

ERP Modules

1. Financial Management System
2. Tender, Procurement & Inventory Management
3. Human Resource Management System
4. Payroll Management System
5. Pensioner Management System
6. Voluntarily Provident Fund Management System
7. Provident Fund Management
8. Benevolent Funds Management System
9. Endowment Fund Management System
10. Vehicle Management System
11. Research Grant Management System

CMS Modules:

- | | |
|--|-----------------------------|
| 1. Online Admission System | 2. Academics |
| 3. Learning Management System (LMS) | 4. Fee Management System |
| 5. Examination Management System | 6. Auto-Attendance System |
| 7. Library Management System | 8. Hostel Management System |
| 9. Student Complaint Management System | 10. Student Record Branch |
| 11. Students/Parents/Faculty portals | 12. Mobile Apps |

STRENGTHENING PHYSICAL INFRASTRUCTURE

DETAIL OF DEVELOPMENT & NON-DEVELOPMENT PROJECTS

SN	Name of Project	Approved Cost	Status
A. ADP FUNDED PROJECTS (2024-25)		(Rs. in Million)	
1	Import Substitution and Export Enhancement Through Promotion of Sesame, Soybean and Canola-Soybean Genetics and Seed Supply Chain Center (SGSSCC) at University of Agriculture Faisalabad.	516.266 (PDWP)	On-going
2	Piloting Precision Agri. Technologies in the Selected Agro-Ecological Zones of Punjab	295.820 (DDSC)	Completed
3	Scheme for 50 Overseas PhD. Scholarships	656.083 (PDWP)	On-going
4	Establishment of Facilitation Center for Day Scholar Girls	269.929 (DDSC)	On-going
5	Establishment of Capacity Building Center (CBC)	231.510 (DDSC)	On-going
6	Provision of Lodging Facility to 1000 Female Students (Maryam Hall)	919.853 (PDWP)	On-going
B. PSDP FUNDED PROJECTS (2024-25)		(Rs. in Million)	
1	Establishment of Pak Korea Nutrition Centre (PKNC) to Improve Child & Community Nutrition (Revised)	4069.953 (CDWP)	On-going
2	Quality Seed Production and Supply to the Farming Community for Ensuring Food Security in Pakistan (Revised)	4518.053 (CDWP)	On-going
3	Gene Editing of Biological Agents for Nutritional, Biochemical and Therapeutic purpose (Estt. of National Center for Genome Editing for Crop Improvement and Human Health (NCGE)	500.960 (DDWP)	On-going
4	Establishment of National Center for Big Data & Cloud Computing -Precision Agri. & Analytics Lab. (NCBC- PAAL)	137.858 (CDWP)	On-going
5	National Centre of GIS and Space Applications (NCGSA)/ Agricultural Remote Sensing Lab	81.781 (DDWP)	On-going
6	Establishment of Kamyab Jawan Sports Academies (High Performers & Resources Centers) and Olympics-HEC	448.957 (DDWP)	On-going
C. PROJECTS (OUT OF NON-DEVELOPMENT FUNDS) (2024-25)		(Rs. in Million)	
1	Construction of Arts, Culture & Humanities Building at University of Agriculture Faisalabad (A Component of Project Titled "Teaching Block/Arts & Humanities Building")	494.387	Ongoing
2	Construction of Math/Stat Building	280.765	Ongoing
3	Construction of Pharmacy Block	280.536	Ongoing
4	Construction of Farm Display and Lodging Facility (Funded by Endowment Fund Secretariat)	537.513	Ongoing
5	External Development of Student Facilitation Center at PARS Campus	7.019	Ongoing

SN	Name of Project	Approved Cost	Status
6	Construction of 30 Nos. of Residences Near Young-Wala, at Main Campus	100.722	Ongoing
7	Installation of 1.5 MW Solar System	194.000	Completed
8	D-Ground Amphitheater	42.733	Completed
9	Construction of Motor Pool Near G.P Gate	237.510	Completed
10	Construction of Scholars Block at UAF (Funded by Endowment Fund Secretariat) (EFS, UAF)	77.000	Completed

PROJECTS IN PIPELINE / FUTURE PROJECTS

SN	Name of Projects	Total Cost Rs. In Million	Duration
1	Crop Diversification, Germplasm Enhancement and Nursery Distribution	3014.898	36 Months
2	Piloting Industrial Hemp for Multi-Sectoral and Industrial Value Chains	783.660	36 Months
3	Agrifood System Transformation Models for Soil Health and Climate Resilience	790.000	36 Month
4	Establishment of UAF Research Station at Hafizabad	3220.000	36 Months
5	Provision of Missing Infrastructure at UAF Constituent College, Burewala	790.000	36 Months
6	ICT Revamping and Hi-Tech Lab Modernization	611.500	24 Months

PAK-KOREA NUTRITION CENTER (PKNC)

TO IMPROVE CHILD AND COMMUNITY NUTRITION

The project titled “Establishment of Pak-Korea Nutrition Center (PKNC) to Improve Child and Community Nutrition” is a flagship initiative between the Islamic Republic of Pakistan and the Republic of Korea (South Korea) hosted by University of Agriculture Faisalabad (UAF) in a comprehensive support from Chungnam National University (CNU), South Korea. It is financially supported by the Higher Education Commission (HEC) of Pakistan and the Korea International Cooperation Agency (KOICA) of South Korea. The primary objective of this project is to improve the nutritional status of children, mothers and communities across Pakistan. This goal is being pursued through scientific research, development of nutrition-related products, capacity-building through training programs and policy advocacy.

The project achieved significant milestones in its progressive timelines. The construction of state-of-the-art PKNC building is completed and inauguration ceremony was held on September 19th, 2024. It marks a major milestone by providing a dedicated space for research, development and training activities. The building houses Four Nutrition Laboratories and Four Training Rooms, dedicated for the training of Lady Health Workers, School Advisors, Clinical Dietitians and activates of Policy Advocacy & Outreach equipped with cutting-edge technology and research instruments provided by KOICA from South Korea.

The PKNC has partnered with various educational and healthcare institutions across the country to support its agenda. This includes five provincial partners: University of Agriculture Peshawar (KPK), Bolan University (Balochistan), Faisalabad Medical University (Punjab), Sindh Agriculture University (Sindh) and Karakoram International University (Gilgit Baltistan) along with two Outreach Centers in Quetta and Narowal. The initiative promotes advanced knowledge, skills and innovative practices in nutrition.

The establishment of the Food and Agriculture Museum/ Agri. Heritage Museum at the University of Agriculture, Faisalabad (UAF) represents another major milestone under the PKNC project. This museum is envisioned as a dynamic space dedicated to preserving and exhibiting Pakistan’s rich culinary and agricultural legacy, creating a meaningful connection between traditional practices and modern advancements. Currently, the museum is in its construction phase

An important element of the PKNC project involves the establishment of the PKNC Outlet, dedicated to the marketing and distribution of fortified, nutritious and organic products supported with indigenous raw materials ready to leverage PKNC products developed through in-house research.

Furthermore, PKNC has awarded multiple Research Grants to national scholars through a competitive application process to advance the nutrition research agenda and support innovative startups. These awards include (5) five applied research grants, (2) two policy research grants, (1) one COVID-19 focused

policy grant and (4) four startup grants.

PKNC has six thematic Chairs covering areas like 1- Nutrition & Public Health, 2- Food Fortification, 3- Food Processing, 4- Product Development and value addition, 5- Compositional Analysis and Database, 6- Policy Advocacy and Outreach. There are three training groups for I. Clinical Dietitians, to train clinical practitioners directly involved with food habits of the society II. Lady Health Workers, to train the frontline workers to educate community mothers and III. School Advisors, directly involved in education of school going teachers to educate children. In its third year, the project trained approximately three thousand frontline workers in preventive nutrition.

	Status
No. of Trainees	Achieved/Trained (2937)
End Beneficiaries	29,370

The Clinical Dietitians Training Group at PKNC, UAF has successfully trained 1,325 clinical dietitians across various institutions across the Punjab. Similarly, the Lady Health Workers Training Group has conducted multiple sessions, training 766 Lady Health Workers and supervisors. Additionally, the School Advisor Training Group has trained 944 school advisors and teachers at diverse educational institutions.

Alongside the training conducted by PKNC, Master Trainers from Provincial Partners are delivering sessions across urban and rural areas of KPK, Balochistan, Punjab, Sindh and Gilgit Baltistan. Notably, each trainee has shared their knowledge with at least ten end beneficiaries including children, mothers and community members thereby significantly amplifying the project’s overall impact.

Master Trainers representing Faisalabad Medical University, University of Agriculture Peshawar, Bolan University of Medical & Health Sciences Quetta, Sindh Agriculture University Tandojam and Karakoram International University Gilgit Baltistan have conducted extensive training for hundreds of frontline workers across diverse and underserved regions of Pakistan.

Achievements of PKNC-Provincial Partners	Trainees
The University of Agriculture, Peshawar	320
Bolan University of Medical & Health Sciences, Quetta	305
Sardar Bahadur Khan Women’s University, Quetta	436
Faisalabad Medical University, Faisalabad	619
Sindh Agriculture University, Tandojam	300
Karakoram International University, GB	300
No. of Trainees	2,280
End Beneficiaries	22,800

The Nutrition & Public Health Chair at PKNC has made significant progress in developing nutrient-rich, value-added foods for a school meal program targeting children aged 6–9. It conducted a dietary survey of 360 patients in hospitals of Punjab to assess iron and zinc deficiencies and developed a validated food directory with 253 standardized recipes. These efforts address key health issues like micronutrient deficiencies and chronic diet-related diseases.

The Food Fortification Chair at PKNC has made significant technological advancements, including 3 Fortification technologies and the development of 12 fortified products enriched with vitamins A and D, along with 8 composite flour and multi-mix products. These innovations ensure effective commercialization

and distribution of essential nutrients to address widespread vitamin deficiencies. The chair also engaged in coating and dusting techniques to fortify locally available salt and spices with iron and zinc, targeting anemia and micronutrient deficiencies.

The Food Processing Chair at PKNC focuses on sustainable, innovative, optimized food processing methods like microwave, ultrasonic and other green technologies. These approaches improve nutritional value and reduce energy usage. The chair developed 2 cutting-edges sustainable technologies namely Ohmic Heating and Green Technology and also worked in optimizing four key processes.

The Product Development & Value Addition Chair at PKNC undertakes research initiatives, including comprehensive nutrition surveys that yield critical insights into dietary patterns, nutritional status and regional food composition. In collaboration with large-scale producers, the chair has developed and commercialized 24 value-added food products, while sustaining strategic private partnerships for mass production. These efforts are instrumental in shaping Pakistan's nutritional landscape and informing priority areas for innovative food development.

The Compositional Analysis & Database Chair at PKNC has analyzed 140 local, indigenous and fortified food products for nutritional and chemical profiles to establish a comprehensive databank, supporting dietary guidelines and policy formulation. To enhance community engagement and public awareness, the project launched a robust digital presence, including a dedicated website, (PKNC Diet Planner, PKNC Food Composition, PKNC Survey), mobile apps and active social media platforms, facilitating widespread dissemination of nutrition and healthy eating information.

The Policy Advocacy and Outreach Chair at PKNC serves as a cornerstone in influencing national nutrition policy and programs. It is actively engaged in policy dialogues involving government, academia, industry and civil society to craft strategic interventions for Pakistan's nutritional improvement. Furthermore, the chair developed eight educational materials for community nutrition. A notable event was the policy dialogue, which was complemented by the development of comprehensive nutrition-related strategies Academia-Industry collaboration with Global Alliance For Improved Nutrition (GAIN) and Bakeparler Karachi, constitutes a strategic pillar of the PKNC project, facilitating the scale-up of innovative nutritional product manufacturing.

At PKNC, targeted community nutrition programs have demonstrated remarkable competence in fostering sustainable behavior change and improving dietary practices. The PKNC's dedicated efforts in strategic advocacy have begun to influence policy and practice at the national level. PKNC has also credited from KOICA Pakistan Office in its 15th year celebrations ceremony in which PKNC stall was only entity at the venue obtaining the acknowledgment and attraction from notables. In conclusion, the third year of the "Establishment of Pak-Korea Nutrition Center (PKNC) to Improve Child and Community Nutrition" project has marked notable advancements in enhancing nutritional and health outcomes across Pakistan. This period witnessed the shipment and installation of laboratory equipment and furniture from South Korea. Now the laboratories at PKNC are fully operational for in-house research and analysis with state-of-the-art facilities. The successful execution of capacity-building initiatives for healthcare services providers, targeted community nutrition programs and strategic advocacy to influence policy and practice continues to embark its journey at PKNC.

CENTER FOR ADVANCED STUDIES IN AGRICULTURE AND FOOD SECURITY (CAS-AFS)

Center for Advanced Studies in Agriculture and Food Security (CAS-AFS) at UAF has been recently designated as a D-8 Research Center by the D-8 Organization. The D-8, also known as Developing-8, is an intergovernmental organization of eight developing countries (Bangladesh, Egypt, Indonesia, Iran, Malaysia, Nigeria, Pakistan and Turkey) established to improve member countries' position in the global economy, diversify and create new opportunities in trade relations, enhance participation in decision-making at international level and improve standards of living. CAS-AFS was selected due to its state-of-the-art research and academic resources in the domain of agriculture and food security and its location in the top agricultural institution of the Pakistan.

The center was originally established by HEC with funding from USAID to build capacity in crucially important areas for a sustainable growth in agriculture and food security as per SDG#2. The center worked to improve governance of UAF (training of key persons, development of policy and operational manuals), revamp pedagogy and upgrade research capacity to meet societal needs. Under curricular reforms programs, CAS launched three postgraduate degree programs (Climate Change, Seed Science & Technology and Human Nutrition and Dietetics) and a short course on One Health. This initiative particularly benefitted students to access higher education on merit and need based as well as capable faculty to conduct innovative research through competitive grants. Through a scholarly exchange program in collaboration with the University of California-Davis and Washington State University-Pullman, the Centre built a cohesive scientific community capable of doing cutting edge research and transfer relevant knowledge and technology to society at large. A fully trained faculty having capability of competitive research and resource mobilization has been placed in the center's new building to serve as a nucleus to initiate interdisciplinary research and training programs related to agriculture and food security. It is ensured that its research agenda meets the client's needs and attracts private sector funding in future to become sustainable. Five chairs were established for addressing the most important areas to address emerging issues in food security.

Utilization of latest advancements in the field of agriculture in D-8 countries is crucial for their sustainability and self-reliance. With unique infrastructure, location and ongoing activities at CAS-AFS, it can work as an R&D hub to help institutions of D-8 Countries in building their capacity in research, academics and outreach and adopt latest technologies and innovations.

CAS-AFS Facilities/Infrastructure

Covering a 56196-sq. ft., the Centre's building is an architectural landmark located in the heart of the main UAF campus. This energy- and space-efficient three-story building houses state-of-the art research and teaching laboratories, fully equipped conference/lecture theatre, advanced computer and electronic labs and a dedicated library. In addition to perform modern teaching and research, the building has the capacity to convene policy dialogues, conferences and training workshops for stakeholder consultation and broad dissemination of knowledge and technologies. The building houses a whole range of modern equipment for research in focus areas. The following is the list of fully equipped thematic lab under CAS setup:

1. One Health Lab
2. Cell and IVF Lab
3. Wheat Biology Lab
4. Chickpea Lab
5. Soybean Lab
6. Tree Pathology Lab
7. Transformation Lab
8. Cotton Biotechnology Lab
9. Precision Agriculture Lab
10. Climate Change Lab
11. Central Analytical Lab
12. Equipment Repair Lab

In addition to recently developed resources at CAS, the UAF is a rich source of infrastructure and facilities like experimental farms, greenhouses, Hi-Tech lab and several equipment present in different departments of faculties. Resources of CAS as well as UAF are readily available for use by every researcher and student. CAS-AFS was developed with an effective management structure with clearly defined roles and responsibilities. It had several dedicated management sections, each headed by a key personnel/Line manager. These sections included Monitoring & Evaluation, Administration, Finance & Grants, Procurement, Communications and Internal Audit. The USAID built the capacity of each section through professional training courses at LUMS along with development of procedural manuals (HR Manual, Finance Manual, Grants Manual, Procurement Manual and Internal Audit Manual) which are followed in letter and spirit for all processes at CAS-AFS. It was due to effective management, monitoring and evaluation mechanisms of CAS that the center surpassed in achieving all mandatory targets of the project in the given time frame.

A. Community Services and Outreach

1. Stakeholder Conference on Soybean (January 25, 2025)
2. D-8 Bioinformatics Bootcamp 2025 (June 16 2025 – June 27, 2025)
3. From microscope to machine learning: Hands on Training in Plant Disease Diagnosis (Sep 25, 2024 – Sep 27, 2024)
4. Two-day International conference on WHEAT for climate and food system resilience (Feb 25, 2025 – Feb 26, 2025)
5. International Seminar: AI Cultivation: Shaping the Modern Age of Agriculture (June 16, 2025)
6. Capacity Building Workshop on Agricultural Policy (May 19 2025 - June 03, 2025).

B. Foreign Visits

1. Prof. Dr. Sultan Habibullah Khan visited Iran on April 28, 2025 - May 04, 2025 for the INOTEX 2025 for Lol Signing with D8TTEN.
2. Prof. Dr. Sultan Habibullah Khan visited Turkey on May 26 to June 3, 2025 to participate in the D8 Commission Meeting.
3. Participated at Washington State University, Pullman, WA, USA under WSU-UAF collaboration to discuss future collaborations and visit of different facilities from July 27th to August 2nd, 2024
4. Visited University of California Davis, CA, USA for wheat/cereal partnership for future from 5th August to 9th, 2024.
5. Attended ACIAR funded research project meeting and International Wheat Conference in Sydney and Perth Australia from September 15 to September 28th, 2024
6. Participated in ADB-IRRI Knowledge-Sharing Workshop on Strengthening Climate Resilient and Low Carbon Agriculture on 11-13 December 2024, IRRI, Los Banos, Laguna, Philippines (funded by ADB)

C. Development of International Linkages (MoU)

1. Iran-Pakistan MoU Signed at INOTEX 2025 for Single-Tube PCR Kit Production

D. Research Grants & Knowledge Products

Completed Projects

1. ADPC funded High Throughput Crop Monitoring using Computer Vision for Climate Smart Agriculture was an international project (2023-2025) funded by ADPC with \$100,000, directed by Prof. Dr. Sultan Habibullah Khan, resulting in the Kisan360 platform.
2. HEC funded Low cost domestic production of Taq Polymerase enzyme for research and diagnostics was a national project completed in 2024, funded by HEC with Rs. 7 million, led by Prof. Dr. Sultan Habibullah Khan, producing Magic Tubes technology.
3. Establishment of Precision Agriculture & Analytics Lab (PAAL) under the National Center in Big Data and Cloud Computing was a national infrastructure project (2018-2024) funded by Ministry of Science & Technology and HEC, involving multiple Co-PIs including Prof. Dr. Asif Kamran, Prof. Dr. Saqib Ali and Rana Muhammad Atif, with industrial partners.
4. Field testing, evaluation and demonstration of climate resilient wheat lines on different locations of Pakistan was a national agricultural project (2023-2024) funded by EFS-UAF, led by Dr. Rizwana Maqbool as PI working with farmer partners.
5. Linking UoM and UAF wheat researchers to improve global health was an international collaboration (2023-2024) funded by Crawford Training Funds-Australia with \$20,000 (5.71 million PKR), led by Dr. Raheela Rehman as PI with academic partners.
6. 100-acres Soybean Demonstration Trials in Pakistan was a national agricultural project (2023-2024) funded by EFS with 1.0 million PKR, co-led by Dr. Raheela Rehman, involving farmer partners.
7. High Throughput Crop Monitoring using Computer Vision for Climate Smart Agriculture was an international project (2023-2025) jointly funded by ADPC and World Bank with \$100,000, led by Prof. Dr. Saqib Ali as PI.
8. Demonstration of Elite Soybean Lines at Farmers' Fields was a national agricultural demonstration project (2023-2024) funded by EFS UAF with 0.8 million PKR, led by Prof. Dr. Zaheer Ahmad as Principal Investigator.

Ongoing Projects

1. The National Center for Genome Editing (NCGE) is a national project running from 2021 to 2025, funded by the Ministry of Science & Technology (MoST) with a budget of Rs. 501 million, led by Project Manager Prof. Dr. Sultan Habibullah Khan.
2. The Demonstration of best production management practices for chickpea production in irrigated areas of Punjab is a national initiative (2022-2025) funded by the Endowment Fund Secretariat, with Dr. Rana Muhammad Atif as Principal Investigator, involving farmer partners.
3. Accelerating genetic gain in wheat through hybrid breeding in Bangladesh, Ethiopia and Pakistan is an international collaboration (2020-2025) supported by ACIAR, with Dr. Rizwana Maqbool serving as Co-Principal Investigator, working with both farmer and industrial partners.
4. The Dissemination of biofortified wheat germplasm in district Lasbela, Balochistan to overcome hidden hunger is a national project (2024-2026) funded by EFS-UAF, with Dr. Rizwana Maqbool as Co-PI, collaborating with farmer partners.
5. Development of cost-effective wheat rust surveillance system is a national project (2024-2026) funded by EFS-UAF, led by Dr. Rizwana Maqbool.
6. Commercialization of lysibody and bacteriophage therapy for drug resistant diseases of public health is a national initiative (2023-2024) funded by NIC, with Prof. Dr. Imran Arshad as Principal Investigator.
7. Genomic epidemiology of environmental niches in persistence of Salmonella typhi and mapping community immune patterns of typhoid vaccination is a national project (2023-2024) funded by NIH with 3 million PKR, led by Prof. Dr. Imran Arshad as PI.
8. Genetic and soluble biomarkers of hepatocellular carcinoma and fatty liver disease in human exposed to environmental co-factors is a national research (2023-2025) funded by HEC with 1.812 million PKR, under Prof. Dr. Imran Arshad's leadership.
9. Integrated Research Training on Vector Borne Diseases in Pakistan: Virology, Vector Biology and Epidemiology is a national project (2024-2028) funded by NIH, with Prof. Dr. Imran Arshad as Co-Principal Investigator.

10. Molecular epidemiology, genotyping and pathology of public health concern *Chlamydia psittaci* in birds is a national study (2022-2025) funded by HEC with 3.96 million PKR, co-led by Prof. Dr. Imran Arshad.
11. Development of soybean in Pakistan to reduce the import bills is a national agricultural project (2021-2026) funded by PARB, managed by Prof. Dr. Zaheer Ahmad.
12. Import substitution and export enhancement through promotion of sesame, soybean and canola is a national initiative (2024-2027) funded by ADP with 857.386 million PKR, led by Prof. Dr. Zaheer Ahmad as PI.
13. Development of High-Yielding, Heat-Resistant, Photoperiod-Insensitive, Widely Adapted, Multipurpose Soybean Germplasm for Cultivation in Pakistan is a national agricultural research (2022-2025) funded by HEC, under Prof. Dr. Zaheer Ahmad's leadership.
14. Demonstration of Heat-Resistant Soybean Elite Lines and Industry Linkages is a national project (2023-2027) jointly funded by EFS UAF and HEC with 100 million PKR, led by Prof. Dr. Zaheer Ahmad.
15. Enhancing Zinc and Iron Bioavailability in Wheat for Improved Public Health and Nutritional Security in Pakistan is an international collaboration (2024-2026) funded by PKNC with 5.996 million, led by Dr. Raheela Rehman as PI with farmer partners.
16. Development of Intelligent Drone Sprayer Formulation Mobile APP is a national technological project (2024-2026) funded by Endowment Fund, UAF, led by Prof. Dr. Saqib Ali.
17. AgroChain - A Wheat and Sugar Traceability Solution using IoT and Blockchain is a national digital agriculture project (2023-2026) funded by NRPU, HEC, under Prof. Dr. Saqib Ali's leadership.
18. Building the Foundations for a National Plant Diagnostic Network (NPDN) in Pakistan is an international collaboration (2023-2025) funded by USDA, with Dr. Zunaira as Co-PI.
19. Biotechnology and Data Science for Crop Health; a step forward for National Plant Diagnostic and Disease Surveillance Network is an international project (2023-2025) funded by AWB, with an unnamed Co-Principal Investigator.
20. Development of Cost-Effective System for Early Detection of Wheat Rust is a national agricultural technology project (2024-2026) funded by EFS.

PUNJAB BIOENERGY INSTITUTE (PBI)

To meet the market demand for trained human resources, a two-year associate degree program in Renewable Energy Technologies (RET) for the academic year 2025-26 has been initiated under the guidelines of the Higher Education Commission (HEC). A Memorandum of Understanding (MOU) between China and Pakistan through the University of Agriculture Faisalabad (UAF) for establishing the Punjab Bio-energy Institute (PBI) at UAF for strengthening energy R&D in Punjab has been signed.

A project worth 272.425 million has been awarded by Pak Suzuki Motor Company (PSMC) for the production of gaseous transport fuel from waste. The consultancy services are being provided by the University of Agriculture (PBI), Experts on Fuel and Fertilizer production. Information dissemination and creating linkages with sister institutions abroad, Interaction for Research collaborations for knowledge sharing and information dissemination have been established with the following institutions in Pakistan and abroad.

National Linkages:

- Ministry of Climate Change
- United Nations Development Program
- Punjab Government, Agriculture, Energy and Environment Wing
- PARC NARC Islamabad
- UP-CASE, NUST University
- Farmers associations
- Faisalabad Waste Management Company, Faisalabad
- Government College University, Lahore
- University of Haripur, KPK
- University of Engineering and Technology (UET), Lahore
- PCSIR, Lahore

International Linkages:

- Guangzhou Institute of Energy Conversion, Chinese Academy of Sciences. China
- EGE University, Izmir, Turkey
- Pak Suzuki Motor Company (PSMC)

This year, flare tests on Biogas production have been conducted successfully, followed by a formal request being made to NEPRA for the approval of the Tariff on the Biogas Power project. Research proposal has been submitted to various funding agencies to establish research and development activities at PBI worth 45.000 million. Postgraduate research on energy and water conservation, enhanced biomass production, application of green fertilizers and yield enhancement (such as Wheat, rice and maize) has been conducted.

WATER MANAGEMENT RESEARCH CENTER (WMRC)

1. Summary

The Water Management Research Centre (WMRC), University of Agriculture Faisalabad, continued its dynamic efforts to advance agricultural water management and sustainable crop production. Key developments over the past year included multiple collaborative research experiments, advanced monitoring infrastructure and stakeholder engagement. This report summarizes the center's major activities, accomplishments and future plans.

2. Organized Events

- **Field Demonstration:**
 - o A visit by Agriculture Department (Extension Wing) officials and progressive farmers showcased the benefits of Direct Seeded Rice (DSR) on raised beds.
 - o A delegation from Sri Lanka visited WMRC farm to see the on-going research activities.
- **World Water Day 2025 Walk:** The WMRC, in collaboration with the Department of Agronomy and the Irrigation & Drainage, actively participated in organizing an awareness walk aimed at highlighting the importance of water for Pakistan's agriculture and economy.
- **Research Collaboration Launch:** Partnership with Syngenta Pakistan Ltd. to address pesticide residue management on rice to ensure export-compliant produce.
- **Weather Station Installation:** A weather monitoring station was installed in collaboration with the Department of Irrigation and Drainage for high-frequency climate data.
- **Undergraduate Classes:** Undergraduate students from various departments visited the WMRC for field exposure and hands-on learning.

3. Achievements

3.1 Research Execution

- Experiments Conducted:
 - o Completed: 4 (wheat and maize-focused)
 - o Ongoing: 5 (fine rice and mercury dynamics in rice, AWD limit, plant geometry and NPK interaction on rice)
- Key Focus Areas: Tillage systems, irrigation regimes, sowing methods and micronutrient applications.

3.2 Research Publications

- Total Papers Published: 15 peer-reviewed articles in 2024–2025 in national and international journals such as Agronomy, Irrigation and Drainage, Pak. J. Agri. Sci. and Biomass Conversion and Biorefinery.
- Highlighted Topics:
 - o Water and nutrient stress management
 - o Crop modeling under climate change scenarios
 - o Sustainable rice–wheat systems
 - o Nanotechnology and environmental remediation in agriculture

3.3 Publication of Brochures and Flyers on World Water Day 2025

WMRC published a series of brochures covering critical topics such as Pakistan's agriculture and drought, advanced water-saving techniques, the impact of water shortages on Punjab's food security, violations of the Indus Water Treaty by India, water losses during conveyance and the severe effects of water scarcity in Punjab.

3.3 Academic Integration

- Student Engagement: Graduate and postgraduate students actively conducted field experiments under faculty guidance.
- Interdisciplinary Supervision: Diverse supervision across agronomy, irrigation, plant nutrition and climate studies enhanced scientific rigor.

4. Contributions

- Industrial Collaboration: Syngenta Pakistan Ltd. actively partnered with WMRC for rice residue trials. The demonstration plot at Plot 17/12 is facilitating year-over-year studies.
- Departmental Partnerships:
 - o With Department of Irrigation & Drainage (climate monitoring)
 - o With Department of Agronomy (DSR demonstration trials)
- Capacity Building: Enhanced student learning through practical exposure and research publications.

5. Plans and Objectives

- Short-Term Plans:
 - o Initiate planned experiments on AWD tube optimization and rice productivity under varying planting geometries and nutrient doses.
 - o Expand stakeholder field engagement for knowledge dissemination.
- Long-Term Objectives:
 - o Enhance collaborative research with private sector and international partners.
 - o Strengthen climate-smart agriculture through sensor-based monitoring and modeling tools.
 - o Develop technologies to support national food security goals through water-efficient cropping systems.

CHINESE CONFUCIUS INSTITUTE (CI-UAF)

Between July 2024 and June 2025, CI-UAF successfully conducted multiple basic and intermediate Chinese language courses, benefiting over 670 students and hosted 11 HSK and YCT proficiency tests with more than 14,60 participants. The institute marked its 10th anniversary by inaugurating a new Model Confucius Institute building and expanding its presence with three new sub-campuses in Punjab. CI-UAF organized various cultural events, competitions and training programs, including a fully funded summer camp in China and scholarship awareness seminars, fostering deep cultural and academic exchanges.

Recognized as a top Model Confucius Institute and HSK Testing Center, CI-UAF has trained over 23,000 students, facilitated more than 600 scholarships and strengthened Pakistan-China collaboration through research and innovation initiatives.

OBJECTIVE:

To promote Chinese language, culture and academic as well as research collaboration between Pakistan & China

The summarized details of CI-UAF activities from July 2024- June 2025 are as under:

Basic Level Language Classes (HSK-1+2)

Ten (10) classes of basic Level Language course (HSK-1+2) were completed including physical as well as online class benefiting more than 550 students.

Intermediate Level Language Classes (HSK-3)

More than 120 students benefitted from the three (3) classes of the Intermediate Level Course (HSK-3).

Elective Classes in UAF (CHIN-405)

Chinese language course CHIN-405 was offered as an elective course for the Faculty of Agriculture, Faculty of Agriculture Engineering and Technology, Faculty of Veterinary Sciences, Faculty of Animal Husbandry, Faculty of Food, Nutrition & Home Sciences and in the Institute of Business and Management Sciences in 30 sections, each of about 50 students.

Hanyu Shuiping Kaoshi (HSK) & Young Chinese Test (Chinese Proficiency Test)

- Eleven (11) HSK tests were conducted from July 2024 to June 2025 at the CI-UAF test center.

Board of Director's meeting

The 11th BOD meeting of CI-UAF was held on 24th March, 2025, that was in the meeting room of the Vice Chancellor's office at UAF whereas Chinese Dean and Board members from Xinjiang Agricultural University joined virtually.

Events/Competitions:

- A high-level Pakistani academic delegation led by Dr. Saddam Hussain visited China to strengthen collaboration in science, agriculture and innovation, resulting in agreements on establishing an Agri-Tech Center, joint research, technology transfer and capacity-building initiatives. These efforts

aim to enhance food security, climate resilience and deepen Sino-Pak friendship through shared agricultural and technological advancements.

- The Confucius Institute at the University of Agriculture Faisalabad (CI-UAF) has significantly expanded its presence in Punjab with the establishment of three new sub-campuses. Formal agreements were signed with the University of Faisalabad (TUF), Cholistan University of Veterinary and Animal Sciences (CUVAS, Bahawalpur) and Ghazi University (GU, Dera Ghazi Khan).
- On September 26th, UAF celebrated the 10th anniversary of the Confucius Institute and inaugurated its new Model Confucius Institute building, highlighting its role in promoting Chinese language and cultural exchange. The event featured cultural performances, scholarship distributions and virtual participation from Chinese university leaders, marking a decade of strengthened Pakistan-China academic collaboration.
- A two-week fully funded summer camp tour to China was arranged by road, exploring Pakistan's northern areas and vibrant Chinese cities like Tashkurgan, Kashgar and Urumqi. The trip included language and cultural classes, ending with certificate awards and unforgettable memories.
- In August 2024 an online teacher training program was conducted for Chinese language instructors across Pakistan. Participants learned innovative teaching methods and cultural insights to enhance their expertise. Outstanding performers received the awards and prizes.
- On December 27th, CI-UAF hosted an awareness seminar on Chinese scholarships alongside a Chinese Singing Competition, attracting active participation from students across universities. The event was honored by the Vice Chairman/Local Dean in person and the Chinese Dean virtually.
- A heartfelt farewell honored the former Local Dean of CI-UAF, whose visionary leadership since 2019 led to the establishment of a Model Confucius Institute building and significant academic growth, elevating CI-UAF to global recognition. His transformative contributions have left a legacy, earning deep gratitude and best wishes for his future endeavors.
- CI-UAF showcased a vibrant stall at the Kissan Mela, attracting many students eager to learn the Chinese language and explore its rich cultural heritage.
- The Confucius Institute at UAF commemorated the 75th anniversary of the People's Republic of China, emphasizing strong cultural and educational ties between China and Pakistan. The celebration fostered mutual understanding and promoted cooperation in education, trade and cultural exchange.
- CI-UAF welcomed a delegation from Alliance Française Lahore, led by Director Mr. Fabrice Disdier and Deputy Director Mr. Imran Arif, with Pakistani Dean Dr. Saddam Hussain hosting and guiding them through the institute's facilities. The visitors praised CI-UAF's progress and cross-cultural initiatives, concluding the visit with an exchange of souvenirs.
- In 2025, three outstanding students from CI-UAF participated in the 24th Chinese Bridge competition, earning Excellence Performance Awards for their singing, dubbing and calligraphy entries. The event provided a valuable platform to showcase their Chinese language skills and promote cultural exchange internationally.
- The Chinese New Year (Snake Year) celebration at CI-UAF was a grand event attended by the UAF Vice Chancellor, university officials, foreign delegates and students, featuring cultural performances, cuisines and traditional fireworks. Media coverage highlighted its role in promoting cultural exchange and strengthening Sino-Pak ties.
- CI-UAF celebrated the Chinese Dragon Boat Festival on June 2, 2025, featuring cultural performances, a dramatic skit and interactive activities that promoted cross-cultural understanding. The event concluded with souvenir distribution and a festive lunch, strengthening bonds between Chinese and Pakistani communities.
- CI-UAF celebrated International Chinese Language Day with a poster competition themed "Chinese Language: A Gift Across Time and Space," attracting over 200 enthusiastic students. The event highlighted the artistic talent and cultural appreciation of participants, with awards and certificates distributed to recognize their contributions to linguistic diversity and intercultural understanding.

DIRECTORATE OF PRESS & PUBLICATIONS

Directorate of Press & Publications, University of Agriculture Faisalabad is an index of the University and responsible for overseeing the planning, production and dissemination of university publications that promote academic, research and outreach activities. The Directorate consists of two components:

- (i) **Office of University Books & Magazines (OUBM)**
- (ii) **University Press**

OFFICE OF UNIVERSITY BOOKS & MAGAZINES (OUBM)

OUBM carries out a wide array of publication-related tasks such as:

- o Publishing University Periodicals (Quarterly Zarai Digest, Kisht-e-Nau, Special Issues of Zarai Digest and Istara)
- o Development and Printing of Educational and Informative Materials (Books, Manuals, Reports, Pamphlets and Brochures etc.)
- o Institutional Publications (Annual Reports, Newsletters and Campus News)

UNIVERSITY PRESS

The University Press plays a vital role in the dissemination of knowledge, research and institutional communication. Its key responsibilities include:

1. Printing and Publishing
2. Designing and Layout
3. Standardization and Quality Assurance
4. Timely Delivery of Publications
5. Record Maintenance and Archiving
6. Coordination with Office of University Books and Magazines (OUBM)
7. Support for Outreach and Events

EDITORIAL BOARD FOR UNIVERSITY PUBLICATIONS

To maintain the academic and professional integrity of its publications worthy Vice Chancellor Prof. Dr. Zulfiqar Ali, has approved an Editorial Board. This board ensures the quality, accuracy, relevance and linguistic correctness of all published materials. It also plays a consultative role in developing new publication initiatives in line with the university's strategic goals. The approved editorial board for the University Publications vide Notification No. A-4/318/9891 dated 13-05-2025 is as under:

1.	Prof. Dr. Zulfiqar Ali (Vice Chancellor)	Patron-in-Chief
2.	Mr. Muzaffar Hussain Salik Principal Officer (Publications)	Editor-in-Chief
3.	Mr. Mumtaz Ali Deputy Registrar /Incharge University Press	Managing Editor
4.	Rana Muhammad Asif Siddique Deputy Registrar/Technical Staff Officer to VC	Editor (Coordination)

5.	i) Mr. Azmat Ali (Artist) ii) Mr. Muhammad Asif (Artist) iii) Mr. Muhammad Ismail (Office Assistant)	Associate Editors
6.	Mr. Muhammad Amin (Urdu Typist) Mr. Asif Mehmood (Urdu Typist)	Editorial Assistance/ Composers
7.	Mr. Qaisar Mahmood (Naib Qasid)	Circulation

The other publication related key personals working in the Directorate of Press and Publication are.
Mr. Hafiz Shahzad Majeed, Senior Clerk/Sub Editor
Mr. Muhammad Nadeem Akhter, Junior Clerk/Graphic Designer

OUTREACH

Office of University Books and Magazines (OUBM) publishes a number of books, digests and magazines in both languages Urdu and English and seems a big source of information for general public through Zarai Digest, University Annual Report, Kisht-e-Nau, Ista'ara, Project Reports, Agri. Pamphlets, Brochures, Leaflets and Special Numbers regarding cash crops, livestock, fisheries, fruits and vegetables, baking, poultry, etc.

Regular Quarterly Zarai Digest	04
Special Issues/Books	04
Pamphlets	09
Kisht-e-Nau	01
Annual Report	01

DIRECTORATE OF PUBLIC RELATIONS

The department consists two components:

- (i) Public Relations (PR) (ii) UAF FM Radio 100.4

The Directorate of Public Relations plays a central role in protecting the University's image and promoting the achievements of its scientists, scholars and students across print, electronic and social media. It handles official publicity, issues press releases and produces pictorial and video coverage of university events. The department also provides information on university infrastructure, academic programs, admission schedules and other public inquiries.

Media Coverage (Print / Electronic / Social Media)

The Directorate of Public Relations ensures full media coverage for special and routine university events, engaging renowned electronic channels, national/international press and social media. The department provides professional media support, residential arrangements for journalists and facilitates TV channels for expert interviews, documentaries and talk shows with students, researchers and scientists.

UAF FM Radio 100.4

The FM Radio section plans, produces and broadcasts informative and awareness-based content for both the university and the public.

- Scripting/recording educational programs, interviews, public announcements.
- Broadcasting updates on research, student affairs and campus activities.
- Hosting live shows with faculty, alumni and guest experts.
- Providing agricultural guidance and public service messages, especially for farmers.
- Collaborating with departments to highlight events and initiatives.

Record-Breaking Digital Campaign

During the UAF Admission Campaign 2025–26, Directorate of Public Relations achieved the highest-ever reach, shares and engagement on social media through pictorial publicity, professional video promos, reels and student-focused content. The campaign strengthened industry, academia Minister and community linkages.

Event Coverage

The Directorate of Public Relations provided comprehensive coverage for convocations, seminars, expos, policy visits and campaigns. Events were amplified via live streaming, photography, reels and FM Radio broadcasts.

Historical Content Creation

- Produced documentaries on UAF milestones and personalities.
- Archived audio/video of lectures, speeches and events.
- Integrated historical content into fundraising, alumni outreach and student orientation.

Hosting UAF Events

The Directorate of Public Relations organized flagship academic/research exhibitions, national seminars, career fairs, innovation expos, sports galas, cultural festivals and international delegations. National/international days were celebrated with themed activities and outreach initiatives.

Awareness Campaigns

Launched targeted campaigns on agriculture, food security, rural development and public health. Media was engaged to highlight specific drives, such as the wheat campaign.

Prime Minister & Chief Minister Citizen's Portals

Acting as focal person, Directorate of Public Relations handled all portal complaints, liaising with relevant offices to ensure timely resolutions. Feedback was used to improve procedures and remove operational bottlenecks.

Right to Information Act Compliance

The Directorate of Public Relations processed public requests under the Punjab Transparency and Right to Information Act, 2013, collecting information from relevant offices and responding within legal timeframes.

Protocol Duties

Managed visits of high-level delegations, prepared briefing notes, maintained VIP contacts and coordinated campus tours to ensure a professional reception.

Audio-Visual Lab

Equipped to produce high-quality documentaries on research, academics, co-/extra-curricular activities and funded projects.

Event Management & Documentaries

Organized seminars, conferences and special lectures on national priorities. Produced documentaries highlighting UAF-developed technologies for farmers and the public.

Admission Advertisements

Created admission documentaries for UG/PG programs to guide prospective students. Coordinated with DGPR for ads related to admissions, jobs, tenders and other notices, managing the DGPR online portal. The PR Directorate continues to strengthen UAF's visibility, credibility and outreach nationally and internationally through innovative media strategies, impactful campaigns and professional event management.

DIRECTORATE OF GRADUATE STUDIES

VISION

The Directorate of Graduate Studies desires to be a national ground breaker with healthy and impactful advanced degree programs in agriculture, animal and allied sciences to produce skilled, diverse graduates that will be successful, trendy leaders in knowledge, innovation and creativity as well as embody an awareness of engagement of individual and societal inclusion to influence the world.

MISSION

The mission of the Directorate of Graduate Studies is to maximize student success, serve the public and transform the region through University of Agriculture graduate programs. The Directorate of Graduate Studies leads the development and administration of UAF postgraduate programs by:

1. Facilitating the development of new and existing programs
2. Establishing and implementing effective academic policy
3. Recruiting, retaining and graduating high-quality students
4. Assuring graduate program quality
5. Implementing efficient and effective best practices

RESPONSIBILITIES OF THE DIRECTORATE OF GRADUATE STUDIES

Postgraduate Admission

- Processing the applications for admission to MS/MPhil/MSc (Hons)/MBA and PhD. courses in different Institutes/departments.
- Collect the information from the teaching Department/Directorate/Constituent Colleges for seats available for admission to MS/MPhil/MSc (Hons)/MBA and PhD degree program
- Prepare Advertisement for postgraduate Admission and announce the Entry Test for MS/MPhil/MSc (Hons)/MBA and GRE for PhD programs
- Scrutinized the admission application to different degree programs according to eligibility criteria
- Guideline/Training to the Scrutiny committee members for admission applications
- Propose the amendments in Statutes and Regulations on the recommendation of the Dean's Committee.
- Coordination with IT for Campus Management System
- Preparation for GAT/GRE test for admission purposes at the postgraduate level.
- Information to Candidates and their parents for admission
- Preparation of Merit list for admission and display for the candidates
- Working paper for the admission on the nomination from the competent authority
- Process the admission of the Different candidates on the nomination (Govt, Army, University employees, employees Son/Daughter, other provinces etc.)
- Process the applications for campus transfer

Postgraduate Degree Programs offered during 2024-25

Faculty of Agriculture
Morning Programs MSc (Hons.)/MPhil/MS Agronomy, Entomology, Horticulture, Plant Breeding and Genetics, Seed Science & Technology, Plant Pathology, Agri. Biotechnology, Biotechnology, Forestry, Soil Science, Environmental Science and Climate Change PhD Agronomy, Entomology, Horticulture, Plant Breeding and Genetics, Seed Science and Technology, Plant Pathology, Biotechnology, Genetics, Forestry, Soil Science and Environmental Science
Evening Programs MSc (Hons.)/MPhil/MS Biotechnology and Environmental Science
Faculty of Social Sciences
Morning Programs MSc (Hons.)/MPhil/MS Agricultural Extension, Rural Development, Agri. Economics, Development Economics, Environmental & Resource Economics, MS (Management) Specialization Agribusiness and Rural Sociology PhD Agricultural Extension, Agri. Economics, Development Economics, Environmental and Resource Economics, Economics, Marketing & Agribusiness and Rural Sociology
Evening Programs MSc (Hons.)/MPhil/MS MBA (E), Management Specialization in Marketing (E), Management Specialization in Finance (E), Sociology (E/W), Economics (E/W), Education (W) and MBA Executive (W)
Faculty of Agricultural Engineering and Technology
Morning Programs MSc (Hons.)/MPhil/MS Agricultural Engineering, Water Resource Engineering, Food Engineering, Environmental Engineering, Energy System Engineering, Textile Technology PhD Agri. Engineering and Water Resource Engineering
Faculty of Food Nutrition & Home Sciences
Morning Programs MSc (Hons.)/MPhil/MS Food Technology, Dairy Technology, Human Nutrition and Dietetics, Food Safety & Quality Management, Food Service Management, Home Economics (Food and Nutrition), Home Economics (Human Development and Family Studies), Home Economics (Clothing and Textile) PhD Food Technology and Human Nutrition and Dietetics
Evening Programs MSc (Hons.)/MPhil/MS Food Technology and Human Nutrition & Dietetics

Faculty of Animal Husbandry
Morning Programs MSc (Hons.)/MPhil/MS Animal Breeding and Genetics, Animal Nutrition, Livestock Management and Poultry Science PhD Animal Breeding and Genetics, Animal Nutrition, Livestock Management and Poultry Science
Faculty of Veterinary Sciences
Morning Programs MSc (Hons.)/MPhil/MS Anatomy, Clinical Medicine & Surgery, Microbiology, Parasitology, Pathology, Physiology, Pharmacology Theriogenology and Epidemiology and Public Health PhD Anatomy, Clinical Medicine & Surgery, Microbiology, Parasitology, Pathology, Physiology, Pharmacology, Theriogenology
Evening Programs MSc (Hons.)/MPhil/MS Microbiology
Faculty of Sciences
Morning Programs MSc (Hons.)/MPhil/MS Botany, Biochemistry, Chemistry, Statistics, Physics, Zoology and Mathematics PhD Botany, Biochemistry, Chemistry, Zoology, Physics, Computer Science and Statistics
Evening Programs MSc (Hons.)/MPhil/MS Computer Science, Software Engineering, Botany, Biochemistry, Chemistry, Zoology, Physics and Mathematics
UAF Constituent College (PARS)
Morning Programs MSc (Hons.)/MPhil/MS Chemistry, Botany, Physics and Zoology
Evening Programs MSc (Hons.)/MPhil/MS Chemistry, Botany, Physics and Zoology
UAF Constituent College Depalpur/Okara
Morning Programs MSc (Hons.)/MPhil/MS Agronomy, Horticulture, Soil Science, Environmental Science, Entomology, Plant Pathology, Plant Breeding & Genetics, Agri Extension
Evening Programs MSc (Hons.)/MPhil/MS Chemistry, Botany, Physics, Zoology, Mathematics

UAF Constituent College Depalpur/Okara
Morning Programs MSc (Hons.)/MPhil/MS Agronomy, Horticulture, Soil Science, Plant Pathology, Food Technology, Entomology, Plant Breeding & Genetics and Computer Science
UAF Constituent College Toba Tek Singh
Morning Programs MSc (Hons.)/MPhil/MS Poultry Science, Animal Nutrition, Computer Science, Chemistry and Zoology PhD Poultry Science

Number of Seats Reserved for Admission to Postgraduate Degree Programs under Different Categories

Khyber Pakhtunkhwa (KPK)	Seats
Agriculture Department KPK (Employee)	06
Livestock & Dairy Development Department, KPK. (Employee)	08
Two seats in each discipline for unemployed Veterinary/Animal Husbandry graduates. However, they will have to bring NOC Khyber Pakhtunkhwa Government and compete on merit.	24
FATA	Seats
MSc (Hons) in any Department of the Faculty of Agriculture	06
MPhil in any Department of the Faculty of Sciences	08
AZAD Jammu and Kashmir (AJK)	Seats
Department of Agriculture, Veterinary Sciences and Animal Husbandry, Government of Azad Jammu and Kashmir	5 = Agriculture 3 = A. Husbandry 3 = Vet. Science
BALUCHISTAN	Seats
Agriculture Department Balochistan. (Employee)	9
Two seats in each discipline for unemployed Agriculture Graduates. However, they will have to bring the nomination from Baluchistan Government and compete on merit.	22
Livestock and Dairy Department Nominees. (Employee)	21
Two seats in each discipline for unemployed Veterinary/Animal Husbandry Graduates. However, they will have to bring the nomination from the Baluchistan Government and compete on merit.	48
Gilgit Baltistan	Seats
Northern Area Gilgit Baltistan, However, they will have to bring NOC from Gilgit Baltistan Government and compete on merit	08
Sindh	Seats
In all postgraduate degree programs	05

Khyber Pakhtunkhwa (KPK)	Seats
Pakistan Agri. Research Council	Unlimited
In-service Military Officers	2 in each discipline
Sons/daughters of Military Personnel	One in each faculty
Agriculture Department, Punjab, Lahore	(Res = 10 + Ext. = 5)
Livestock & Dairy Dev. Department Punjab, Lahore	10
Pakistan Central Cotton Committee	02
NIAB	02
NIBGE	02
Disabled persons	2% minimum of one seat
Chamber of Commerce	02 in MBA
Minorities	2% in each degree
Sports	2%

Other Activities

The office of the Directorate of Graduate Studies has processed the different kinds of documents for postgraduate students during the semester as per the requirement of statutes, rules/regulations and general regulations and instructions approved by the graduate studies and research board for all postgraduate degrees like: -

- Checking of enrolment forms (GS/10) of postgraduate students in each semester
- To process approval of new/revised postgraduate courses through GSRB.
- Scrutiny of the synopses of theses, coursework programs and supervisory committees of MS/MPhil/MSc (Hons) and PhD. students and arranging their approval by GSRB.
- Scrutiny of the theses of postgraduate students to ensure their proper format as laid down by GSRB.
- Processing the Course work according to the HEC guideline keeping in view the Major/Minor and deficiency courses
- Process to get permission to enrol the extra credit hours, from Vice Chancellor
- Supervise the updated courses offered during the winter/spring semester to postgraduate students in the database

- Process the permission to take Co-supervisor from other DAI/Research Institutes
- Process to discontinuation of the semester of Postgraduate student only once, from the Vice Chancellor
- Cancellation of admission of those students who did not enrol their next semester without permission
- Cancellation of admission of those students who are unable to maintain their GPA/CGPA after each academic year. With the help of the Controller of Examinations
- Readmission of the students whose admission has been cancelled on account of non-enrolment
- Revision/Correction of GS-10, Course work, synopsis
- Guideline for thesis format approved by the GSRB to the Scholars/Faculty
- Submission of semifinal thesis on prescribed format of GSRB
- Process the request for an extension for hardbound copy thesis submission
- Implementation of Statutes on Govt. and University Employee
- Prepare the agenda and conduct the meetings of the GSRB and Processing of Faculty Board minutes for the GSRB meeting
- Execution of the policies and decisions of GSRB
- Preparation of GS Calendar for the postgraduate students
- Process the approval of statutes and regulations for the award of different postgraduate degree programs from the statutory bodies
- Issuance of the certificate to the enrolled students for their enrolment.
- Provide the information to the authorities regarding the enrolment
- Issuance of NOC to scholars to IRSP candidates
- Training of the Staff for maintaining the Files/Records, admission/enrolment/files after the thesis submission
- Any other assignment given by the Competent Authority and Director Graduate Studies

Yearly Detailed Preparation and Processing of Documents	Total No. of Documents

DIRECTORATE OF FINANCIAL ASSISTANCE AND UNIVERSITY ADVANCEMENT

1) OFFICE OF THE FINANCIAL ASSISTANCE

Professional and higher studies in Pakistan during the recent years have become very expensive. In view of the increasing expenses day by day, it is becoming very difficult for the poor section of society to educate their children. Under such critical circumstances, financial sponsorship of deserving and meritorious students may help to create a soothing impact on the community, particularly the rural masses and bring a positive and healthy social change in the long run. True to its motto "Education with public spirit and market dynamism," the University has instituted a comprehensive and well-developed scholarship scheme/ Career Services/ University Advancement to extend financial support to the talented but deserving students. We continue to increase its extent and amount in order to meet our obligations. An amount of Rs. 416/- million was distributed among 5460 Students during 2024-25.

VISION

To provide higher education to the talented, deserving and marginalized segments of society.

MISSION

To assist students & their families in meeting financial needs for higher education

STUDENT FINANCIAL ASSISTANCE MECHANISM AT UAF

Financial Assistance to meritorious and deserving students is extended in the following: -

Scholarship Program: Scholarships are awarded to deserving and meritorious students. The award is based on merit, financial need or a combination of both merit and need. Scholarships can come from different sources and the awarding criteria may vary. The university is awarding 5% merit scholarships to graduate and undergraduate students on a CGPA basis.

FEE CONCESSION:

1. Tuition fee concession (50%) to 10% students of the class by the academic heads of different faculties and institutes
2. Brother/sister tuition fee concession up to 50% on application through the academic heads
3. Fee exemption to disabled persons admitted on the disabled quota on application through the academic heads.

INTERNSHIP PROGRAM

An internship is a work-related learning experience for students who wish to develop hands-on work experience in a certain occupational field. Most internships are temporary assignments and can be shorter or longer depending on the program requirements. These may be paid, unpaid or partially paid in the form of a stipend.

Work-Study Program

A form of financial assistance in which students perform work in exchange for money for their education. A number of students are working on various research projects sponsored by HEC/ Government Departments/ organizations. The students are also being hired on an hourly basis in different departments of the university. A ratio of 50% of the total budget (DPL) was allocated to hire students for different services in the respective departments.

Student Loan Scheme

Students of this University can also apply to the National Bank of Pakistan to get interest-free loan in order to support their education. Students are facilitated in processing their applications to the NBP, University Branch. Some organizations are also extending loan facilities to students of UAF. This Directorate is also offering UAF loans to University students.

Test for Foreign Scholarships

This office has organized GRE mock activities for the preparation of the international GRE for Fulbright Scholarship and many more. More than 1000 students benefited from these activities.

Miscellaneous Facilities

A Facility to deposit dues in installments for financially constrained students and those affected by natural calamities.

Sr.#	Scholarships Source	Nos.	No. of Applications	No. of Awardees	Amount (Millions)
1	Govt. Funded	9	3171	885	43.95
2	HEC Funded	8	19203	3554	333.88
3	UAF	2	136	482	5.16
4	Private Donors	35	3137	539	31.55
	TOTAL	54	25647	5460	414.54

2) OFFICE OF THE UNIVERSITY ADVANCEMENT

The mission of University Advancement is to present a clear, consistent and focused message about the university's mission, goals, priorities and performance to the public and to all stakeholders that will increase public understanding and support for improving the quality and effectiveness of academic programs, research and services. The office will also be responsible for the design, implementation and management of programs to raise funds for the students of the university from different sources other than the Government of Pakistan, with particular emphasis upon the corporate sector, alumni, individual private donors and international partners.

AIMS & OBJECTIVES:

- Consulting regularly with key stakeholders and staff about priorities, goals and progress in fundraising and university advancement
- Alumni network database development
- Monitoring of online registration of Alumni

- Arrangement of Alumni meetings
- Arrangement of Donor meetings
- Proposal Development for Donors
- Stewardship to Donors
- Observing international standards of best practice adapted to the Pakistani context
- Observing a code of ethics that reflects best practices in dealing with donors and supporters
- Ensuring openness, accuracy, timeliness, efficiency and effectiveness in providing service and support
- Maintaining complete and accurate records of all transactions and programs

ALUMNI AFFAIRS

UAF Alumni Association is also a growing community and the alumni manager is committed to facilitating alumni from all parts of the world. Through this online Alumni Association, UAF keeps Alumni updated on the Campus News and the Alumni Events. Alumni will soon be able to locate their fellows, add them to their friends list, send and receive messages and browse through alumni events Photo gallery. After joining UAF Alumni Network Association, Alumni will also be able to post success stories, pictures, events and messages.

VISION

The Alumni Association will be a dynamic, member-focused organization, driven by unique values and directed towards meeting the social, intellectual and spiritual needs of all present and future alumni of the University of Agriculture Faisalabad.

MISSION

Keep in touch with your Institution, be in touch with your Fellows, post your Updated Personal Details, post your Professional Achievements, provide services and benefits for current students and alumni and glance through the events and reunions Photo gallery.

STRATEGIC PLAN

The purpose of this plan is to create and put into practice a meaningful set of strategic goals to promote and support the Alumni Association and build perpetual relationships with the University, its alumni, students and friends.

STRATEGIES

This strategic plan concentrates on the following goals:

- a. Awareness - to increase awareness of and membership in the Alumni Association through promotion, contact and collaboration with alumni, students, the community and other University groups
- b. Value - to offer valuable programs to promote lifelong relationships with alumni and position ourselves as a "Must contribute" organization
- c. Community Service - Giving confidence to alumni to share their knowledge, talents and resources with the community
- d. Family - to give the impression of being after the bonds that connect the UAF family, while reconnecting alumni and their families to the University Festivals.
- e. Growth - to promote significant growth in membership through creating and developing partnerships and alliances inside and outside the University

- f. Support Structure - promote the development of an Alumni Affairs Office to continue The mission of the Alumni Association is time without end. To develop an Alumni Association structure, Board and by-laws.
- g. Advancement - Position the UAF Alumni Association to Advance the University.

3) CAREER COUNSELING CENTER

Career Counseling Center was established in 2010 as a section of Directorate of Financial Assistance & University Advancement at University of Agriculture Faisalabad (UAF) to produce better employees and better employers using the potential of students and graduates of University of Agriculture Faisalabad and making use of available opportunities in public and private sector thus contributing positively in the development of the country.

VISION: "To develop youth of Pakistan in achieving educational, career, & Professional Goals by making use of available opportunities, thus contributing positively to the development of the country."

MISSION

"To become a bridge between the students and the employers for well-judged career opportunities."

AIMS & OBJECTIVES

- o Career counselling & guidance of the students.
- o Liaising with Employers.
- o Job Opportunities for Students.
- o Conducting training for students in the form of workshops & seminars.

- o Provision of Residential Facilities: Ensures safe, secure and affordable accommodation for students pursuing higher education.
- o Support for Academic Excellence: Offers an environment conducive to study, collaboration and intellectual growth.
- o Fostering Community Living: Encourages intercultural understanding and social harmony through shared living spaces and communal activities.
- o Development of Discipline and Self-Governance: Promotes responsibility and leadership through hostel rules and student-led councils.
- o Health and Wellbeing Support: Provides access to healthcare services, nutritious meals and recreation for holistic student development.

Chief Hall Warden (Female)

In the vibrant community of the University of Agriculture, Faisalabad (UAF), we are proud to offer a welcoming and enriching residential experience for our female students! With 17 charming female hostels accommodating over 6,000 students, including the esteemed Fatima-Tul-Zuhra, Khadija-Tul-Kubra, Ayesha Siddiqua, Maryam, Amina and Zainab Halls, etc., there's a supportive environment for everyone. Our dedicated Chief Hall Warden, Prof. Dr. Siddra Ijaz, leads the charge in fostering a nurturing community, ensuring that over 4,000 female students can thrive in a safe and empowering atmosphere. We are particularly excited about the newly established Maryam Hostel, a remarkable addition to our campus facilities! As the largest women's hostel in the country, with a capacity of around 1,000 beds, it exemplifies our commitment to providing modern living spaces that support the holistic development and safety of our female students. The hostels are equipped with a range of thoughtful amenities designed for comfort and convenience, including:

Comfortable Living Conditions

Each residence boasts ceiling fans, electric water pumps, chillers and gas geysers for hot water.

Spiritual and Community Spaces

Every hostel features a private mosque, complete with wooden racks for Qur'ans and other sacred texts, fostering a sense of community and spiritual well-being.

Dining with Care

Our resident-managed mess prioritizes hygiene and affordability, offering nutritious meals that reflect our commitment to student well-being. Each hostel also has a dining hall and a canteen, all regularly inspected for quality.

Support for Academic Success

We understand the importance of academic resources, which is why every hostel is equipped with a modern computer lab and internet access.

Areas for Relaxation and Fun

Common rooms encourage social interaction and relaxation, complete with color televisions and indoor games. We also provide newspapers in both English and Urdu, keeping everyone informed and connected. Beyond these facilities, UAF female hostels offer a diverse range of Islamic food options, mess services and dynamic sports facilities, including football, cricket, handball, athletics and swimming. Our library and digital library, along with ICT block facilities, provide invaluable academic support. For health and well-being, we have a dedicated female dispensary and medical facilitation center on campus. In June 2023, we proudly inaugurated an e-library at our ICT center, conveniently located near the girls' hostels, equipped with modern resources to inspire research and foster learning. Together, we strive to create not just a place to live, but a community where our female students can grow, excel and create lasting memories.

UNIVERSITY GOVERNANCE

The Senate

- (1) the Senate consists of:
 - (i) the Chancellor;
 - (ii) the Pro-Chancellor;
 - (iii) the Vice-Chancellor;
 - (iv) the members of the Syndicate;
 - (v) the Deans;
 - (vi) the Directors;
 - (vii) the University Professors and Professors Emeritus;
 - (viii) the Chairmen of the Teaching Departments;
 - (ix) the Officer or Teacher incharge of Students Affairs (by whatever designation called);
 - (x) as many University teachers as may be prescribed, subject to the maximum of fifteen including at least three female teacher of the university having at least three years service, to be elected by the university teacher from amongst themselves;
 - (xi) two students' representatives from the University Students' Union;
 - (xii) eight Experts including at least two female experts in Agriculture, Animal Husbandry and Allied Disciplines to be nominated by the Chancellor;
 - (xiii) the Registrar;
 - (xiv) the Treasurer;
 - (xv) the Controller of Examinations;
 - (xvi) the Librarian;
 - (xvii) members of the Provincial Assembly of the Punjab to be elected in the following manner:
 - (a) one member from each Division excluding Faisalabad Division to be elected by the Members of the Provincial Assembly from that Division; and
 - (b) one member from each District of the Faisalabad Division to be elected by the Members of the Provincial Assembly from that Division;
 - (xviii) two representatives of farmers and livestock members including at least one female representative to be nominated by the Chancellor; and
 - (xix) three Registered Graduates to be elected by all such graduates from among themselves.

The Chancellor, or in his absence, his nominee Chairs the Senate.

 - (2) Members of the Senate, other than *ex-Officio* members, hold office for three years.
 - (3) The Senate meets at least twice in every year on dates to be fixed by the Vice-Chancellor with the consent of the Chancellor.
 - (4) The quorum for a meeting of the Senate is one-third of the total number of members, a fraction being counted as one.

Powers and duties of the Senate

Subject to the provisions of this Act, the Senate have the power-

- (a) to consider the drafts of Statutes proposed by the Syndicate and deal with them in the manner indicated in sub-section (2) of section 30;
- (b) to consider and pass resolutions on the annual report, the annual statement of accounts and the annual and revised budget estimates;
- (c) to appoint members to the Syndicate and other Authorities in accordance with the provisions of this Act;

- (d) to delegate any of its powers to an Authority or officer or a committee or sub-committee; and
- (e) to perform such other functions as may be prescribed by Statutes.

The Syndicate

- (1) The Syndicate consists of-
 - (i) the Vice-Chancellor, who shall, subject to section 42, be its Chairman;
 - (ii) the Pro Vice-Chancellor, if any;
 - (iii) one member of the Provincial Assembly of the Punjab to be nominated by the Speaker of the Assembly;
 - (iv) two members including at least one female member of the Senate to be elected by the Senate;
 - (v) the Chief Justice of the Lahore High Court, Lahore or his nominee from amongst the Judges of the Lahore High Court;
 - (vi) Secretary to Government of the Punjab, Agriculture Department or his representative not below the rank of Additional Secretary;
 - (vii) One nominee of the University Grants Commission;
 - (viii) One Dean to be nominated by the Chancellor on the recommendation of the Vice-Chancellor;
 - (ix) One Professor, one Associate Professor, one Assistant Professor and one such Lecturer out of whom at least one shall be a women as has completed a minimum of two years service in the University to be elected, respectively by and from amongst themselves;
 - (x) three persons of eminence including one Scholar of Islamic Jurisprudence and one woman not serving in any educational institution to be nominated by the Chancellor;
 - (xi) one female Principal of the affiliated colleges to be nominated by the Chancellor;
 - (xii) the President of the University Students Union;
 - (xiii) Secretary to Government of the Punjab, Live-stock & Dairy Development Department or his representative not below the rank of Additional Secretary;
 - (xiv) Secretary to Government of the Punjab, Finance Department or his representative not below the rank of Additional Secretary;
- (2) Members of the Syndicate, other than ex-officio members, shall hold office for three years.
- (3) The quorum for a meeting of the Syndicate shall be one-third of the total number of members, a fraction being counted as one.

Powers and duties of the Syndicate

- (1) The Syndicate be the executive body of the University and subject to the provisions of this Act and the Statutes, takes effective measures to raise the standard of teaching, research and publication and other academic pursuits and exercise general supervision over the affairs and management of the property of the University.
- (2) Without prejudice to the generality of the foregoing powers and subject to the provisions of this Act and the Statutes, the Syndicate have the powers
 - (a) to take effective measures to raise the standard of teaching, research and publication in the light of national needs

19	Numbers of new laboratory tests are added in this year like Thyroid function tests, HBA1c, Vit. D3-Levels, CRP, etc.	All tests were provided to the university students, Employee and their Families.

Emergency and OPD services are available 24/7 in Medical & Health Centre, University of Agriculture, Faisalabad.

ENDOWMENT FUND SECRETARIAT

Executive Summary

The Government of Pakistan and United States of America recalling the close ties in scientific and technological cooperation signed a US\$ 12.4 million Food for Progress, Agreement on September 15, 2003. Under this Agreement, University of Agriculture, Faisalabad (UAF) has established FDTTPC Endowment Fund. The Ministry of Finance transferred Rs. 650.00 million to UAF in 2006. The income generated through investment of the principal amount in Government approved banks/institutions is used for fund's activities in line with the Pakistan's long term research and development goals for the agriculture sector. The goals focus on food security, poverty alleviation and promoting broad based equitable and sustainable agriculture.

Vision

To innovate the agriculture in becoming competitive and profitable for sustainable growth and commercialization

Mission

1. To support UAF faculty, the national scientific community and agricultural industry working for the cause of agricultural and rural development.
2. To promote competitiveness in agriculture through adaptive Research & Development initiatives.
3. To explore ways and means for strengthening of Endowment Fund for Research & Product Development.

Objectives

Endowment Fund was established with the assistance of USDA as given the Executive Summary. The Syndicate under Section 25(2)(i) of the University of Agriculture Faisalabad Act, 1973 approved the MOU to establish Endowment Fund at UAF. The major objectives of funds are:

- a) To support UAF programs for advanced training in biotechnology, agricultural sciences research, technology transfer and product commercialization.
- b) To strengthen faculty and support R&D activities of UAF.
- c) To support similar programs with other institutions of higher learning, private sector, not-for profit organizations, domestic and international organizations.
- d) To encourage increased cooperation among scientists conducting agriculture-related research at universities in Pakistan and the United States of America.

Management of the Fund

The Board of Directors (BoD) is the governing body of this Fund and is responsible for Fund's program, its financial and managerial policies. Following is the composition of the Board:

- | | |
|---|-------------|
| • Vice Chancellor, UAF (Chairman) | Ex-off |
| • Vice Chancellor, Agriculture University Peshawar, KPK | Ex-off |
| • USDA Agri. Attache in Pakistan or his nominee | Ex-off |
| • Agri. Specialist, USDA, US Embassy in Pakistan | Ex-off |
| • Eminent Scientists (Two) | For 3-years |
| • Progressive Farmer (One) | For 3-years |
| • Executive Director, ALP (PARC), Islamabad | Ex-off |
| • Registrar, UAF | Ex-off |
| • Treasurer, UAF | Ex-off |
| • Executive Director, EFS, UAF (member/Secretary) | Ex-off |

Endowment Fund Secretariat

Endowment Fund Secretariat is responsible for the operation of the FDTTPC Endowment Fund which consists mainly of the selection, processing, approval, monitoring, evaluation and coordination of projects supported in whole or in part by it. All the activities are planned, approved and coordinated through Endowment Fund Secretariat (EFS) under the supervision of Executive Director. The Endowment Fund Secretariat staff is as under:

1. Executive Director, Professor nominated by Vice Chancellor, UAF
2. Additional Director, Regular (One)
3. Deputy Director, Regular (One)
4. Administration/Supporting Staff

Programs

With the approval of Board, the following programs are being sponsored by EFS, UAF

1. Faculty Development (FD)
2. Technology Transfer (TT)
3. Product Commercialization (PC)
4. Research & Development (RD)

Achievements since its inception

Since its inception in 2006, Endowment Fund Secretariat (EFS) has been able to support diverse activities in the university and national level. Up till now EFS has granted 213 projects, 217 international travel grants and 361 seminars/workshops/Conferences/ Trainings. Endowment Fund has provided technical assistance to all segments of the rural community through Faculty Outreach Program started in 2011 with the focus on skill development and gender mainstreaming. Up till now, EFS has supported 184 outreach activities conducted by UAF faculty at the door steps of farmers.

Geographical distribution of EFS funded projects

Endowment Fund Secretariat (EFS) provided widespread financial support throughout Pakistan. EFS regularly publishes CALL FOR PROJECT PROPOSALS in the domains of Technology Transfer, Research & Development and Product Commercialization throughout Pakistan via different print media and also issues individual invitation letters to different organizations. EFS had awarded projects to following institutions (other than UAF) since its inception.

SN	Year	Institution	No. of Projects
1.	2007-08	University of Arid Agriculture, Rawalpindi	01
2.	2008-09	Lesbela University of Agriculture, Water & Marine Sciences, Uthel, (LUAWMS), Baluchistan	01

Description	Up-to-date Expenditures
Scholar Block for working women's (completed & handed over).	11.107
Farm Display & Lodging Facility for UAF staff (Ongoing)	334.144

The Endowment Fund Secretariat, UAF has successfully completed the new Scholar Block, specifically designed to offer essential lodging facilities for working women. This initiative aims to alleviate housing challenges, offering a safe, supportive and conducive environment that enables women to pursue their professional endeavors without the added burden of finding suitable accommodation. By investing in this state of the art infrastructure, the EFS has directly contributed to increase female labor force participation and promoting greater gender equality within the workforce.

The Endowment Fund Secretariat, UAF has introduced dedicated lodging facility for UAF staff members holding positions at BPS-17 and above. This development aims to provide comfortable and convenient accommodation for senior university personnel, directly contributing to their well-being and enhancing their overall productivity. By addressing a crucial aspect of staff welfare, this facility underscores the EFS's commitment to creating a supportive environment that attracts and retains high-caliber talent within the UAF community, thereby strengthening the institution's human capital.

DIRECTORATE OF PROCUREMENT AND INVENTORY CONTROL (DPIC)

OBJECTIVE

University of Agriculture, Faisalabad Procurement and Inventory Control Department is responsible to ensure that inland/outland procurement are as per Govt. Rules/PPRA.

Digital Procurement Platform Launch

EPADS/ERP system launch of online procurement platform which will streamline the requisition process and improve visibility into spending. Moreover, Petty/Rfq (Request for Quotations) procurements are made on new established EPADS Systems successfully through trained UAF faculty staff with familiar the system

i.	Petty Purchase through Single Vendor	upto Rs.200,000/-
ii.	RFQ Purchase through Purchase Committee with three vendors	upto Rs.500,000/-
iii.	Through Open Tender	Above Rs.500,000/-

Roles and Responsibilities

- Developing and implementing policies, procedures and systems related to the organization's purchasing / inventory activities
- Identifying cost savings opportunities and its implementation
- Negotiating contracts and managing supplier relationships
- Managing the procurement budget and monitoring spending
- Overseeing the procurement staff and ensuring compliance with applicable laws and regulations
- Tracking and reporting on procurement performance metrics
- Maintaining accurate records of all procurement activities
- Necessary arrangements for provision of neat and tidy Gowns for Learned members and supply of chilled water to the participants and services thereon at the Mega events (Convocation/Senate/Entry Test etc.)
 - o Uploaded Thirty-Four (34) tenders at UAF, PPRA and EPADS websites. A number of tenders have been finalized.
 - o In accordance with the Rule 8 of UAF Procurement Rules 2014, in every financial year July to June, the Annual Procurement Plan is uploaded on PPRA website after having information from following departments of the University for various inland & outland procurement through tenders, framework contracts etc.,
 - i. The Director ORIC, UAF
 - ii. Executive Director, Endowment Fund Secretariat
 - iii. Principal Officer, Schools
 - iv. Principal Officer (ECD-M&P)
 - v. The Treasurer, UAF
 - vi. The Director (P&D), UAF

The information from above departments have been received except two departments. A soft reminder has been issued to provide the requisite information. The Annual Procurement Plan will be uploaded on PPRA website before 31.07.2025.

- o Necessary arrangements made for smooth conduct of two entry tests (Postgraduate & Undergraduate) for the session 2025-26 and arrangements are also being made for next tests to be held on 27th July, 2025 and 3rd August, 2025.
- o Provided assistance for clearance of UAF items from Customs.
- o Data of stock & stores from all the UAF departments/units have been collected through prescribed proforma on excel sheet for physical verification of the items, which is under process.

PLAN OF ACTION

PROCUREMENT PROCESS

The office will ensure: -

- o Achieve 100% publication of bid and award contracts online through UAF Procurement Portal & PPRA by December, 2025.
- o Reduce average procurement cycle (Request to delivery) by December, 2025.
- o Conduct of six one-week internal training session of focal persons, departments/sections, offices of UAF of new e-procurement procedures.
- o Implementation of barcode based tracking system of store items through ERP System.
- o New Framework Contracts of Food Items etc. and Stationery Items etc. is under process.
- o Establishment of performance based dashboard for suppliers/vendors measuring delivery time and quality through ERP.
- o Increasing of active prequalified vendors by December, 2025.

INVENTORY OF STORES MADE BY DPIC

- o The DPIC has been assigned task of physical verification of stocks/stores of all the departments across the University. In this regard, Incharge of departments/offices/directorates etc. have been requested to provide the requisite information on prescribed proforma of Excel sheet. On receipt of data, the physical verification of stocks/stores will be conducted and integrated into the ERP System. The approach will however be cost effective, time saving during ERP data migration of all the departments.
- o Presently, all store items are examined by the University Inspector(s) to ensure the quality / quantity before stock taking.
- o Store items are issued through indent/requisition by concerned DDO / Incharge.

DIRECTORATE OF FARMS

The Directorate of Farms consists of following research/demonstration farms located at Campus (212/RB), PARS (221/RB), Ochkera (217/RB), Proka 1 (218/RB), Proka II (218/RB), Rajawala (123/JB), Hafizabad Seed Farm, Toba Tek Singh Farm, Narowal Seed Farm, Toba Tek Singh Campus Farm(UAF Constituent College T.T. Singh), Haveli Lakha Farm(UAF Constituent College Okara) and Burewala Farm(UAF Constituent College Burewala). The Cultivated area of all these farms is 1805 Acres. By pooling farm resources, it became possible to bring this area under cultivation. These farms provide excellent opportunities for students and faculty to conduct research, education and training. The outreach activities involving field trials, field demonstrations, student field trips, outdoor laboratories and classrooms prepare students to become future natural resource managers.

Salient Achievements of the Directorate of Farms

The staff of the Directorate is working around the clock. The layout of farms, especially at the main Campus, Ochkera and Proka, is being developed. Moreover, agriculture is at a great pace and the results are appearing with time. The following are some significant achievements of the Directorate of Farms:

- Provided facilities to the faculty and students to undertake research in a befitting manner.
- Served as outdoor laboratories, classrooms and educational centers for the students studying in various agricultural disciplines.
- Mechanical cutting of fodder for Livestock to enhance labour efficiency.
- Established date palm plantation and fruit nursery at PARS.
- Participatory Community Service Centre, in consultation with City District Government at Ghulam Muhammad Abad Farm.
- At Campus, Ochkera and Proka farms developed a separate research area.
- Installed two Turbines at PARS farm which will help in meeting water requirements of crops.
- Bed Planting of different crops for water saving, e.g: Rice(DSR), Sorghum etc.
- Cropping schemes at the University farms are being changed. To facilitate transportation of farm produce, new farm roads are being constructed.
- Despite severe shortage of water coupled with unusual seasonal changes/stresses, the situation was taken care of without substantial losses.
- Guided to a large number of visiting farmers for practical solutions of their agriculture related problems.
- Revival of integrated approach of fisheries, poultry, livestock, crops, vegetables at Proka-II Farm.
- Arrange Tent pegging, Cattle/ Camel Shows, Grey Hound Race, Gur Mela and Kabaddi for Farmer Community.

LIVESTOCK FARM MANAGEMENT

When animal scientists want to conduct research on new ideas in outdoor laboratories, their first choice is often Campus Livestock and Poultry Farms (LPF), UAF. These farms include field laboratories and housing for many types of livestock. In addition, the farms have a central feed mill to provide special feed ration for the research animals kept on the farm. The LPF is used by almost all disciplines in the faculty of Animal Husbandry, UAF. The livestock and poultry strength of LM Farm is given below:

Class	Species							Total

DIRECTORATE OF MONITORING AND EVALUATION

INTRODUCTION

The report provides a comprehensive overview of the monitoring and operational review initiatives conducted over the 2024-25. The objective of these initiatives was to ensure alignment with institutional directives, foster a culture of accountability and promote continuous improvement across all operational facets. During the reporting period, a dedicated team undertook extensive fact-finding and compliance checks across various institutional functions. This included a review of academic, administrative and operational activities through routine audits and follow-up meetings.

VISION

To review performance of all ongoing & completed projects, University programs and other official activities; identifying achievements, shortcomings and areas of improvement supportive to strategic planning, decision-making, ensuring quality, accountability and effectiveness in the academic institution.

MISSION

To help management of the Institute by extracting relevant information from past and ongoing activities that can be used as the basis of programmatic fine-tuning, re-orientation and future planning. Ensuring development projects completed on time within budgetary provisions, improving public service delivery, maintaining transparency.

GOALS

- To see, if work is going in right direction, whether progress and success can be claimed and how future efforts can be improved?
- To propose corrective and preventive actions.
- To define ongoing process by which the authority may obtain regular feedback on the progress, being made by certain projects.
- To provide true picture of ground realities and ongoing activities to the authority.
- To suggest findings and proposals for betterment of the Community as well as the Institute.

SUMMARY OF M&E ACTIVITIES

- A systematic review was conducted to reinforce adherence to leadership directives. Non-compliance issues were promptly addressed through formal communication and coordination.
- Major institutional events, including academic and cultural programs, were monitored to ensure effective planning, smooth execution and optimal resource utilization.
- Routine inspections of facilities were performed to evaluate safety, functionality and maintenance needs. Immediate preventive actions were recommended where necessary.
- New Standard Operating Procedures were developed and approved by the Competent Authority to enhance the institutional environment.
- A process was established to systematically collect and submit financial documents, ensuring timely clearance and improved financial discipline.
- Active participation in various Committees facilitated timely decision-making and alignment with strategic priorities.
- Multiple fact-finding investigations were conducted, addressing issues ranging from technical malfunctions and maintenance lapses to procedural discrepancies and personnel-related concerns.

Each investigation resulted in detailed reports with actionable recommendations.

- Regular reporting and dissemination of finding to the Competent Authority.
- Preventive measures communicated to respective departments, with follow-up inspections to ensure the Vice Chancellor's vision.
- The monitoring efforts led to the identification and resolution of several key issues. Immediate preventive measures were implemented to address problems related to power supply, equipment malfunctions, data inaccuracies and structural maintenance. The submission of detailed findings and recommendations contributed to an improved operational environment and a foundation for sustained progress.

FUTURE PLAN

To sustain and enhance the momentum of progress achieved, the Directorate aims to develop a comprehensive Monitoring and Evaluation (M&E) Framework for submission and approval by the Competent Authority. This framework will serve as a foundational tool to standardize compliance assessments, streamline reporting protocols and support evidence-based decision-making. Recognizing that monitoring and evaluation is a continuous process, the Directorate will conduct regular compliance checks, departmental reviews and follow-up inspections under the guidance and instructions of University leadership. Emphasis will be placed on digital transformation, capacity-building initiatives and proactive identification of institutional gaps to ensure alignment with strategic goals and foster a culture of accountability and continuous improvement. The future aims to address these challenges through targeted interventions, digital innovation and enhanced coordination. We remain committed to fostering an efficient, safe and academically vibrant university environment.

LABORATORY SCHOOLS & COLLEGE SYSTEM

The Laboratory Schools & College System, an integral unit of the University of Agriculture Faisalabad continued its mission of providing quality education and character-building opportunities during the year 2025. The Honourable Vice Chancellor, Prof. Dr. Zulfqar Ali, under his dynamic leadership, provided a new direction and vision to the institution. In line with this vision, the Principal, Muhammad Jamil made untiring efforts to achieve the set goals with dedication and commitment.

The Senior Headmaster of the Laboratory Higher Secondary School, PARS Campus also played a significant role in the upgradation and development of his branch. Moreover, under the Laboratory Schools and College System a chain of schools is functioning successfully, where the Principal Officer Schools, Prof. Dr. Abdul Ghaffar, has instilled a new spirit, strengthening the overall academic and administrative framework. Academic performance remained exemplary with students securing excellent results in the Secondary School Certificate (SSC) examinations. Teachers employed modern teaching techniques, supplemented by remedial classes for academically weak students, ensuring effective learning outcomes.

The school also excelled in co-curricular activities. Students participated in debates, quizzes, science exhibitions, sports competitions and inter-school events, enhancing their skills and self-confidence. Special programmes were organized to commemorate national days and to instill patriotism, including events demonstrating solidarity with the brave armed forces of the country.

Religious, moral and civic education was given equal importance. Daily assemblies included Qur'anic recitation, Naat and moral lessons, while awareness sessions on health, hygiene and environmental protection reinforced the importance of discipline, cleanliness and mutual respect.

Through the sustained support of the University of Agriculture Faisalabad and the visionary guidance of the Honourable Vice Chancellor, the Laboratory Higher Secondary School is steadily progressing towards its mission of producing academically sound, morally upright and socially responsible citizens ready to contribute to the nation's development.

Panel Profile

Annual Report 2024-25

Prof. Dr. Zulfiqar Ali

Vice Chancellor/Patron-in-Chief

Prof. Dr. Rao Zahid Abbas

Convener

Prof. Dr. Asif Kamran

Registrar

Mr. Muzaffar Hussain Salik

Editor-in-Chief

Members Advisory Board
