OBJECTIVE:

Technology transfer innovations, combined with systemic behavioural changes, are necessary to protect the global society.

Sex Male | Date of birth 03/05/1976 | Nationality Pakistan

Dr. Tahir Munir Butt, HEC Ph.D. Approved Supervisor, earned his Ph.D. in Rural Development with a specialization in Rural Development and Management Sciences; Agricultural Extension Education from China Agricultural University in Beijing, China. He completed his graduate, and master's studies in Agricultural Extension Education at the University of Agriculture in Faisalabad, Pakistan. He currently holds the position of Associate Professor and serves as a permanent faculty member at the University of Agriculture in Faisalabad, Pakistan. With over 17 years of experience, I possess valuable practical knowledge. Throughout my career, I have worked in diverse organizations/assignments, successfully integrating my academic background with practical work assignments. This experience has demonstrated my self-motivation, organizational skills, and ability to thrive under pressure. I approach problem-solving with a clear, logical mindset, and I am adept at addressing challenges in a professional setting. I find satisfaction in working both independently and as part of a team. In summary, I am a reliable, trustworthy, hardworking individual who is eager to learn and has a genuine interest in the field of Public Relations. Presently, he holds the roles of Incharge/HOD- Department of Agricultural Extension & Sociology program, Ex-Coordinator- Bachelor of Education (B.Ed.) Program & Short Courses, and Ex-Focal Person, Diploma in Agricultural Sciences (DAS) at the University of Agriculture, Faisalabad (Okara Campus) in Punjab, Pakistan. Previously, Dr. Butt worked as the Deputy District Officer (Extension) and Agriculture Officer (Extension Wing) in the Punjab Agriculture Department. He also worked as a Program Officer in the project which was funded by UNICEF, and worked as a Consultant/Advisor in a multicultural NGO environment, contributing to project design, implementation, monitoring, and evaluation, among other responsibilities. He also took on the role of Leader and Evaluator in International Cultural Exchange Trips (CET) in Beijing, China. Dr. Butt has authored two books on Agricultural Extension and Rural Development and has published numerous research articles in high-quality International and National Journals. Furthermore, he actively participates in various boards, committees, and serves as a focal person and reviewer for both International and National Organizations.
