## PERSONAL INFORMATION

I have knowledge of both Civil and Mechanical Engineering because Agricultural Engineering is a combination of these two fields. I also have strong knowledge of Civil Engineering, as I hold a Diploma in Associate Engineering (Civil) and my graduation in Agricultural Engineering is also closely related to Civil Engineering.

### EDUCATION:

YEAR	EDUCATION	MARKS	BOARD
2017-2021	B.Sc(Agri Engineering)	3.43/4.00 CGPA	University of Agriculture Faisalabad
2014-2017	DAE(Civil)	3039/3500 86.83%	PBTE
2012-2014	Matric	888/1100 80.72%	B.I.S.E FAISALABAD

### Field Expertise:

- Water Supply & Sewerage
- Survey and leveling
- Soil Mechanics
- Project Management

### Software Expertise:

- MS Word
- MS Excel
- MS Power Point
- Auto Cad
- Google Earth Pro
- Arc GIS

### Experience:

- Completed an internship in drip irrigation at Jaffer Brothers, Faisalabad
- I participated in a 4-month wheat improvement training program held in my village (442 G.B), organized by the Punjab Skills Development Fund (PSDF) in collaboration with JPL under the guidance of the Agriculture Department. I took part as both a village representative/host and a trainee.
- Worked as a Sub Engineer (BPS-14) in the Public Health Engineering Department from 21st Oct 2023 to 20th Oct 2025
- Working as Assistant Executive Engineer/Lab Engineer in University of Agriculture Faisalabad from (21 Oct 2025 – continue)

### Skills:

- Honest
- Hardworking
- Punctual
