

CURRICULUM VITAE

1. PERSONAL DATA

Name:	Dr. Muhammad Kashif Saleemi	
Qualification:	DVM. M.Sc. Hons., PhD	
Father's Name:	Bashir Ahmed Saleemi	
Date of Birth:	December 1, 1978	
Nationality:	Pakistani (Faisalabad)	
Religion:	Islam	
N.I.C. No:	33100-8753449-1	
Positions:	Professor, Department of Pathology, University of Agriculture Faisalabad Chairman/Head, Department of Pathology, University of Agriculture Faisalabad Director External Linkages University of Agriculture Faisalabad (23-01-2024 to 24-04-2025)	
Home Address:	H / No 313-B Gulistan Colony No 2 Faisalabad, Pakistan.	
Telephone:	Res: 041-8784074, Mob 0300-6644072	
E-mail:	drkashif313@gmail.com , drkashif313@yahoo.com	

Personal Information

Currently am heading/Chairman, Department of Pathology University of Agriculture Faisalabad (UAF), Director External Linkages, UAF and Head Diagnostic Laboratory of University of Agriculture Faisalabad to provide extension services to poultry farmers through this lab for diagnosis of poultry diseases. By training am a Veterinary Pathologist having expertise in veterinary pathology focusing on clinical pathology and poultry pathology. I have won research productivity award (RPA) two times from PCST from 2012-2014. I am on editorial board of many international journals. I was among top 10 young scientists in agriculture category in 2013-14 by PCST. I have completed One Health Fellowship from US-National Academies of Science, Engineering and Medicine (US-NASEM) from 2016-17. I am National Branch Secretary of WVPA Pakistan and Treasurer of WPSA Pakistan. Member of National Disease Control Committee of Pakistan Poultry Association

Professional Training Education

Degree/Class	Specification	Year of Passing	Mark obtained/CGPA	Division	Institution
Fellowship	One Health	2016-17	Completed		US National Academy of Science, Engineering and Medicine (US-NASEM)
Ph.D	Veterinary Pathology	2010	Qualified	1st	University of Agriculture, Faisalabad
M.Sc. (Hons.)	Veterinary Pathology	2003	3.93/4.00	1st	University of Agriculture, Faisalabad
D.V.M	Veterinary Sciences	2001	3.31/4.00	1st	University of Agriculture, Faisalabad
F.Sc	Premedical	1997	810+20/1100	1st	Govt. College, Faisalabad
S.S.C	Science	1994	639/850	1st	Govt. Muslim H. School Faisalabad

2. ACADEMIC CAREER:

1994 SECONDARY SCHOOL CERTIFICATE (Matriculation)

Government Muslim High School, Tariqabad, Faisalabad, (First Division)

1996 INTERMEDIATE (F.Sc. Pre-medical)

Government College, Faisalabad (First Division)

2001 D.V.M (Doctor of Veterinary Medicine)

Faculty of Veterinary Sciences, University of Agriculture Faisalabad, Pakistan.
(First Division)

2003 M. Sc. Hons (Veterinary Pathology: Silver Medal)

Department of Veterinary Pathology, University of Agriculture Faisalabad, Pakistan.
(First Division)

2010 Ph.D (Veterinary Pathology)

Department of Veterinary Pathology, University of Agriculture Faisalabad, Pakistan.
(First Division)

2016-17 (One-Health Fellowship)

US-NAS One Health Fellowship (2016-17), Chulalongkorn University Bangkok, Thailand.

3. ACADEMIC AND RESEARCH DISTINCTIONS:

i). SILVER MEDALIST (2003-2004)

ii). First Position in M.Sc (Hons) Veterinary Pathology in University of Agriculture Faisalabad

iii) . XVITH Star Award 2005-2006/ “Star Laureate 2005”

By South Asia Publication

iv). Young Scientist Award by Worlds Poultry Science Association (WPSA) for 2012-2016.

v). Research Productivity Award (RPA) by Pakistan Council for Science and Technology (PCST) for the year 2012-13

vi). Research Productivity Award (RPA) by Pakistan Council for Science and Technology

(PCST) for the year 2013-14

vii). M. Sc Thesis Research

A Study of Pathological Effects of Gentamicin Administered Intramuscularly into Day-old Broiler Chicks

viii). Ph. D Thesis Research

Mycobiota of Poultry Feed, Feed Ingredients and Pathological Effects of *Aspergillus* Fungi in Chicken Embryos

ix). Gold Medal by WPSA Pakistan Branch (2018)

x). Gold Medal awarded in VIV Asia Bangkok by Poulta International USA in recognition of services for poultry industry **(2023)**

xi). Gold Medal awarded in VIV Asia Bangkok by WPSA Pakistan Branch in lieu of services for poultry industry **(2023)**

PROFESSIONAL TRAININGS/WORKSHOPS (National and International)

1. “One Day Sin-Pakistan Workshop on Control of Major Livestock Diseases” organized by Department of Pathology, FVS, UAF in collaboration with China Agricultural University Beijing China on 17 November 2023 at Faculty of Veterinary Science University of Agriculture Faisalabad.
2. National Academies of Sciences Training on Regional Guidelines for Collecting and Transporting priority pathogens samples in the Punjab province of Pakistan” organized by Health Security Partners and US National Academies of Science, engineering and medicine at Peral Continental Hotel Lahore from 19-21, June 2023.
3. Boehringer Ingelheim and Saadat Avian Academy on “Future of Pakistan’s Poultry” at Nishat Hotel Lahore from 13-14 June 2023
4. National Academies of Sciences Workshop on Regional Guidelines for Collecting and Transporting priority pathogens samples in the Punjab province of Pakistan” organized by Health Security Partners and US National Academies of Science, engineering and medicine at Marriot Hotel Islamabad from 30 May to 01 June 2023.
5. Grant Reviewers Capacity Building Workshop “ HEC-BC Reviewers Capacity Building Program 13-17 February 2023” organized by Higher Education Commission of Pakistan in collaboration with British Council at Serena Hotel Faisalabad Pakistan
6. Consultative Meeting to Deliberate on National Laboratory Guidelines for Diagnostic and Animal Health Labs on 9th June 2022 Organized by office Animal Husbandry Commissioner under Fleming Fund Country Grant at Merit Hotel Islamabad
7. Three Days Workshop on “Ruminant Diseases including wild Ruminants” held on 21-23 March 2022 organized by Department of Pathology, UVAS in collaboration with Davis Thompson Foundation, USA (as member organizing committee)
8. Consultative Meeting & Workshop for Deliberations on Veterinary Drug prescriptions AMR and AMU in Animal Health Sector March 03,2022 organized by office Animal Husbandry Commissioner under Fleming Fund Country Grant at Islamabad Hotel Islamabad,
9. 3rd National Training Course on “Diagnosis of Poultry Diseases through Modern Diagnostic

Techniques” Organized by Faculty of Veterinary Sciences, Bahauddin Zakariya University Multan and World Veterinary Poultry Association Pakistan Branch from 08-09 February 2022 at Faculty of Veterinary Sciences, Bahauddin Zakariya University Multan .

10. Two days workshop on “Promoting Research Excellence in Academics across Pakistan” (1st and 2nd February, 2022) at Higher Education Commission, Pakistan, organized by ELSEVIER & Higher Education Commission of Pakistan
11. Three-day workshop on Establishing Zoonoses Control Committees for Integrated Surveillance, Detection, and Reporting of High Risk Pathogens in Punjab, November 25-27, 2021
12. One Day Workshop on “Pathobiology & Molecular Epidemiology of Chicken Infectious Anemia & Infectious Bronchitis (IB) in Commercial Poultry & Immunopathogenesis of IB Variants” organized by Department of Pathology, Faculty of Veterinary Science, University of Agriculture Faisalabad in collaboration with Pakistan Agricultural Research Council at Meeting Room Faculty of Veterinary Science, UAF on 29th June 2021.
13. Consultative Meeting & Workshop for Antimicrobial Resistance Surveillance in the Animal Health Sector March 8-9, 2021 organized by office Animal Husbandry Commissioner under Fleming Fund Country Grant at Ramada Hotel Islamabad,
14. 2nd National Training Course on “Diagnosis of Poultry Diseases through Modern Diagnostic Techniques” Organized by Department of Pathology, Faculty of Veterinary Science, University of Agriculture Faisalabad and World Veterinary Poultry Association Pakistan Branch from 07-08 October 2020 at Diagnostic Laboratory Faculty of Veterinary Science, University of Agriculture Faisalabad Pakistan.
15. Workshop on “Monitoring of the quantities and usage patterns of antimicrobial agents used in animals” organized office Animal Husbandry Commissioner under Fleming Fund Country Grant at Hill view Hotel Islamabad from 05-06 March 2020.
16. 4th WPSA Technical Workshop on “Flock Health Monitoring in Poultry” on 27th August 2019 at UVAS Lahore as Invited Speaker Organized by Worlds Poultry Science Association-Pakistan Branch & Department of Pathology, University of Veterinary and Animal Sciences Lahore Pakistan.
17. Workshop on Joint Risk Assessment (JRA) of Zoonotic Influenza and Rabies organized by Ministry of Health and Regulations and Ministry of Food Security and Research in collaboration with OIE-WHO-FAO at Ramada Hotel Islamabad from 06-08 August, 2019.
18. Two Days Hands-on Training on “**Disease Diagnosis Through Necropsy**” organized by Department of Pathobiology, College of Veterinary and Animal Sciences, Jhang Pakistan at CVAS-Jhang Campus from 24-25 April, 2019.
19. Workshop on Joint Risk Assessment (JRA) of Zoonotic Influenza and Rabies organized by

- Ministry of Health and Regulations and Ministry of Food Security and Research in collaboration with OIE-WHO-FAO at Ramada Hotel Islamabad from 15-18 April 2019.
20. International Training Workshop on “Basic Techniques in Mesenchymal Stem Cell Culture and Toxicity Assays” organized by Department of Anatomy, Faculty of Veterinary Science, University of Agriculture Faisalabad from 26-28 February 2019.
 21. “National One Health Strategic Framework Development Workshop” organized by CDC and NIH Pakistan at Marriot Hotel Islamabad from 16-20 July, 2018.
 22. National Workshop on Necropsy Techniques at University of Veterinary and Animal Sciences, April 23-24, 2018 organized by Department of Pathology, University of Veterinary and Animal Sciences, Lahore, Pakistan. (Attended as Invited Speaker and Trainer).
 23. Internees-Stakeholders Interactive Workshop at Meeting Room Faculty of Veterinary Science, University of Agriculture Faisalabad organized by Internship Working Group, FVS, UAF on 08-01-2018.
 24. Training Course on “Advanced Isolation and Quarantine Response Strategies for Biological Disease Outbreak Training Program” organized by University of Tennessee, USA in Bangkok Thailand from May 22-25, 2017.
 25. “Joint Pakistan-U.S. Workshop on Strengthening & Sustaining a Network of Public & Animal Health Clinical Laboratories in Pakistan” on September 27-29, 2016 at Pakistan Academy of Sciences, Islamabad Pakistan organized by U.S, The National Academies of Sciences-Engineering- Medicine and Pakistan Academy of Sciences.
 26. Training Program on “Isolation and Quarantine Response Strategies for Biological Disease Outbreak Training Program” on May 30- June 02 2016 at Kulalumpur Malaysia, Organized by The Center for Agriculture and Food Security and Preparedness, The University of Tennessee, Knoxville, USA
 27. “MONTANIDE: Oil Adjuncts for Quality Vaccine Production: Training course organized SEPPIC France in collaboration with Ottoman Pharmaceuticals at Faletti's Hotel Lahore on May 10 2016.
 28. “National Grants Writing Workshop” organized by U.S. Pakistan Center for Advanced Studies in Agriculture and Food Security (USPCAS-AFS) on April 4-5, 2016 at University of Agriculture Faisalabad.
 29. Workshop on Stakeholder Consultation on finding of small ruminant rapid assessment on May 11-12, 2015 at Islamabad Hotel Islamabad organized by ILRI in collaboration with ICARDA.
 30. Awareness Workshop on Bovine Spongiform Encephalopathy (BSE-Mad Cow Disease) organized Faculty of Veterinary Science in collaboration with National Veterinary Laboratories, Islamabad on 30th April, 2015 at Meeting Room FVS, UAF Faisalabad.
 31. 8th National Training Course on “Molecular Diagnosis of Infectious Diseases of Livestock and

- Poultry April, 06-08 2015 Organized by National Institute of Biotechnology and Genetic Engineering (NBGE) Jhang Road Faisalabad.
32. Workshop of Focal Persons on Bovine Spongiform Encephalopathy (BSE-Mad Cow Disease) Surveillance and Capacity Building Leading to OIE Negligible Risk Country Status for Pakistan from March 13-14 2015 organized by National Veterinary Laboratories, NARC, Islamabad,.
 33. **“Project Formulation Workshop”** organized by Pakistan Science Foundation at University of Agriculture Faisalabad from December 3-4, 2013.
 34. Merial Avian Forum Asia, 2013 **“Future Challenges for the poultry industry”** Organized by Merial France from 02-05 September, 2013 Ammari Watergate Hotel Bangkok Thailand.
 35. International training course **“Main Poultry Diseases in Middle East”** organized by Intervet MSD Animal Health at Regional Service Lab at Amman Jordan from 21-26 April, 2012.
 36. National Workshop on **Equine Breeding** organized by Faculty of Veterinary Science and Remount Veterinary Farm Corps (RVFC) Chenab Breeding Area Faisalabad at New Senate Hall UAF on November 26, 2011.
 37. Workshop on **Statistical Methods** Organized by Department of Stat and Mathematics
 38. Awareness Workshop on **“Improving Bio-safety & Bio-security at Veterinary Labs in Pakistan”** at COMSTECH, Islamabad, Pakistan March 1-2, 2011.
 39. **Workshop on “Identification of Plant Pathogenic Fungi”** February, 24-26, 2011 organized by Department of Plant Pathology, University of Agriculture Faisalabad Pakistan. (Participated as Invited Speaker and Trainer).
 40. **National Workshop on Avian Mycoplasmosis**, January, 7-8 January 2011, organized by University Diagnostic Laboratory (UDL), UVAS Lahore Pakistan.
 41. **National Workshop/Training on Animal Forensics: DNA Fingerprinting**, September, 21–22, 2010 Organized by Institute of Biochemistry and Biotechnology University of Veterinary and Animal Sciences Lahore Pakistan
 42. **8th National Training course on Modern Techniques in Biotechnology**, April 12-16, 2010 Organized National Institute for Biotechnology and Genetic Engineering (NIBGE)
 43. **Workshop (2007) on “Food and Feed Security”** organized by WTO Quality Control Laboratory, UAS, Lahore and Higher Education Commission Islamabad, Pakistan.
 44. **A-IMBN (Asian Molecular Biology Organization) Training (2006) in Institute of Medical Science University of Tokyo Japan**. Entitled “Infectious Disease Threats” from 6-13 May, 2006.
 45. **Research Orientation Program (2005)**, Conducted by Directorate of Academics, University of Agriculture, Faisalabad. Entitled “Research Methodology and analytical Techniques”.
5. **PROFESSIONAL BACKGROUND/EXPERIENCE:**
- (I) Worked as Poultry Pathologist in Poultry Industry in Islamabad Feeds for two years

- (II) Lecturer, Department of Veterinary Anatomy, University of Agriculture Faisalabad.
- (III) Lecturer, Department of Veterinary Pathology, University of Agriculture Faisalabad
- IV) Focal Person nominated by the Vice Chancellor to provide the Extension Services to University Livestock & Poultry Farms regarding Disease Diagnosis, Laboratory Aids and Postmortem conduction
- V) Working as Assistant Professor Department of Pathology

6. ACADEMICS:

Degree/Class	Specification	Year of Passing	Mark obtained/CGPA	Division	Institution
Ph.D	Veterinary Pathology	2010	Qualified	1 st	University of Agriculture, Faisalabad
M.Sc. (Hons.)	Veterinary Pathology	2003	3.93/4.00	1 st	University of Agriculture, Faisalabad
D.V.M	Veterinary Sciences	2001	3.31/4.00	1 st	University of Agriculture, Faisalabad
F.Sc	Premedical	1997	810+20/1100	1 st	Govt. College, Faisalabad
S.S.C	Science	1994	639/850	1 st	Govt. Muslim H. School Faisalabad

7. EXTRACURRICULAR & CO-CURRICULAR ACTIVITIES:

Tutor, Tutorial Group No 209
 Senior Academic Advisor Faculty of Veterinary Science (2007-to date)
 Player Pictures Collecting (Hobby)
 National Cadet Corps Training (N.C.C.)
 Gang Shaker Educational Award

8. MEMBERSHIP OF PROFESSIONAL /INSTITUTIONAL BODIES:

- a) Member HEC TTS Committee of University of Agriculture Faisalabad
- b) Member US-NASEM Committee for Developing Guidelines for Transportation of High risk Pathogen Laboratory Samples
- c) Member Senate, University of Agriculture Faisalabad
- d) Member Academic Council University of Agriculture Faisalabad
- e) Associate Editor Pakistan Veterinary Journal (2006-2022)
- f) Member Editorial Board Journal of Elementology (Poland)
- g) Member Editorial Board Pakistan Journal of Life and Social Sciences
- h) Section Editor Asian Journal of Agriculture and Biology
- i) Member National Disease Control Committee of Pakistan Poultry Association
- j) International Society of Mycotoxicology
- k) World Veterinary Poultry Association (Secretary WVPA Pakistan Branch)

- l) Worlds Poultry Science Association (WPSA: Assistant Secretary/Treasurer)
- m) Pakistan Veterinary Medical Counsel (PVMC)
- n) Pakistan Poultry Association (PPA)
- o) Pakistan Veterinary Medical Association (PVMA)
- p) Pakistan Society of Veterinary Pathology
- q) Secretary FVS Event Management Committee
- r) Secretary Internship Working Group FVS (FIWG)
- j) Member Faculty Board of Study, FVS UAF.
- k) Member Board of Studies Department of Pathology
- l) President Young Scientist Forum, Faculty of Veterinary Science
- m) Member Board of Studies Department of Anatomy
- n) Member Syndicate University of Agriculture Faisalabad

9. COMPUTER SKILL

MS Office, MS PowerPoint and Internet etc.

10. LANGUAGES:

English, Urdu and Punjabi

11. AWARDS AND DISTINCTIONS IN

1. **SILVER MEDAL & Certificate**, First Position in M.Sc (Hons.) Veterinary Pathology in University of Agriculture Faisalabad in 2003-04.
2. **STAR AWARD & Certificate** of Excellence by South Asia Publications (Star Laureate 2005).
3. **YOUNG SCIENTIST AWARD- 2012** by Worlds Poultry Science Association (WPSA) Netherland (2012).
4. Appreciation Certificate by Vice Chancellor University of Agriculture Faisalabad and ORIC office for winning ALP Research Project 2018.
5. **Certificate of Merit** by the Faculty of Veterinary Science for securing 1st position in M.Sc. Examination.
6. **Certificate of Honor & Award** Faculty of Veterinary Science for securing 1st position in M.Sc. Examination.
7. **Certificate of Honor** for participation in Exhibition.
8. **NCC**, National Cadet Corps.
9. **Sanad-i-Izaz** (Cricket)
10. **Sanad-i-Imtiaz** (for 1st position in Middle standard Examinations).
11. Gang Shakar Educational Board **Award**.
12. **Shield/ Award of honor** awarded by Pakistan Veterinary Medical Association in recognition of diagnostic services provided to Poultry Industry in Pakistan.

12. CONFERENCES / SEMINARS / SYMPOSIUM ATTENDED NATIONAL & INTERNATIONAL

1. World Veterinary Poultry Association Asia Conference 2024 organized by Philippine college of Poultry Practitioners at Marriot Hotel
2. International Conference on Biodiversity and Biosafety organized by University of Agriculture Faisalabad from 27-29 May 2024 at CAS Auditorium University of Agriculture Faisalabad.
3. International Layer Quality Conference 2024 : “Challenges in Layer Health, Nutrition, Production and Management” organized by Faculty of Veterinary Science and Faculty of Animal Husbandry in collaboration with World Poultry Science Association Pakistan Branch, on 18 April 2024 at CAS Auditorium University of Agriculture Faisalabad Pakistan.
4. International Symposium on Poultry Health challenges in Pakistan jointly organized by Department of Pathology, University of Agriculture Faisalabad in collaboration with World Veterinary Poultry Association Pakistan Branch on 28 December 2023 at Serena Hotel Faisalabad.
5. “Poultry Science Conference” (PSC-223) & I-Pex 2023 at Expo Center Lahore from 21-23 September 2023 organized by Pakistan Poultry Association in collaboration with University of Veterinary and animal Sciences Lahore Pakistan.
6. XXII World Veterinary Poultry Association Congress (WVPAC-2023) organized by World Veterinary Poultry Association and Italian Branch of WVPA at Verona fire Verona, Italy from 04-08 September 2023.
7. “International Seminar on Collaborative Opportunities for UAF Faculty with Chinese Academic, Research Institutes and Industry” organized by Department of Pathology, Faculty of Veterinary Science, University of Agriculture Faisalabad on 26 June 2023 at FVS meeting room.
8. Global Alliance for Research on Avian Diseases (GARAD) One Health Poultry Conference (GARAD-OHP-2023) at Harbor Hotel, Gilford United Kingdom from 21-24 May 2023.
9. Pakistan Poultry Industry Symposium at VIV Asia Bangkok Thailand from 8-10 March 2023 organized by Poultia International USA and WPSA Pakistan Branch
10. 1st International Conference on Transboundry Diseases of Animal and Public Health (IC-TD&PH-23) from March 1-2, 2023 at Shaheed Benazir Bhutto University of Veterinary and Animal Sciences (SBBUVAS), Skrand, Sindh Pakistan
11. An International conference on Current and Innovative Trends in Applied Bio-Sciences 21-22 November 2022 Organized by Lahore Garrison University Lahore
12. Scientific Advocacy and Awareness symposium on ONE HEALTHY organized by Allied Oncology Center, Allied Hospital Faisalabad, Faisalabad Medical University at Prof. Fateh Muhammad Auditorium on 15th October 2022 (As Invited Speaker)

13. One Day Seminar on “Disease Challenges in Poultry Industry and Their Solutions” on 4th August 2022 Organized by Department of Pathobiology, College of Veterinary and Animal Sciences, Jhang Sub Campus UVAS Lahore (as Invited Speaker)
14. Awareness Seminar on “Antimicrobial Resistance (AMR), Antimicrobial Use (AMU), Transboundary Animal Diseases (TADs) and Herd Health Management” held at University of Agriculture Faisalabad Organized by AHC office and Fleming Fund Country Grant on 3rd June 2022
15. 4th WPSA One Health Conference, Organized by World’s Poultry Science, Association Pakistan Branch and University of Veterinary and Animal Sciences, Lahore Pakistan (Virtual) from 9-10 September 2021.
16. “3rd National Symposium on One Health” Organized by Faculty of Veterinary Science, University of Agriculture Faisalabad on 8th September 2021 at CAS Auditorium
17. Seminar on “Most Common Viral Diseases of Poultry” Organized by M/S HIPRA Pakistan at Royalton Hotel Canal Road Faisalabad on 6th August 2021.
18. Seminar on “Update on Prevalent Avian Respiratory Diseases & Their Control” Organized by M/S Boehringer Ingelheim & Saadat International at Serena Hotel Faisalabad on 26th February 2020.
19. National Seminar on “Diagnosis and Control of Poultry Diseases” organized by World Veterinary Poultry Association Pakistan Branch at Q,s Hotel Sargodha on 28 November 2019.
20. International Seminar on “ Nutrition of Commercial Layers and Egg Branding Trends” on November 27, 2019 at CAS Lecture Theater organized by Institute of Animal and Dairy Sciences and DSM Pakistan.
21. Seminar by Better Traders International on “Current Disease Situation in Poultry” as Invited Speaker on 26th November 2019 at Serena Hotel Faisalabad
22. One-Health Research Symposium organized by Pakistan Academy of Sciences and The National Academies of Sciences- Engineering-Medicine at Pakistan Academy of Sciences Islamabad on 17 November 2019.
23. Seminar on “*Control of Mycoplasma in Poultry*” organized by M/S Boehringer Ingelheim & Saadat International on 8th October 2019 at Serena Hotel Faisalabad
24. XXI World Veterinary Poultry Association Congress (WVPAC-2019) organized by World Veterinary Poultry Association and Thai Veterinary Poultry Association at Bangkok International Trade and Exhibition Centre (BITEC) Bangkok Thailand from 16-20 September 2019.
25. Poultry Science Conference and IPEX 2019 at Lahore Expo Centre Lahore on 13-15, September 2019 Organized by Pakistan Poultry Association (As Moderator)
26. 3rd WPSA International Layer Quality Conference Organized by World,s Poultry Science

Association Pakistan Branch and Institute of Animal and Dairy Sciences from 23-24 October 2019 at CAS Theater University of Agriculture Faisalabad Pakistan

27. National Camel Conference, Organized by Department of Anatomy, UAF at New Senate Hall, University of Agriculture Faisalabad June 25, 2019.
28. Seminar on “Bio Security & Management of Control Sheds” organized by Cherry Pharmaceutical International, participated as Invited Speaker at Royalton, Hotel Canal Road Faisalabad on 19th June 2019.
29. Conference on Prevention and Control of Animal Diseases organized by Chinese Society of Immunology 21-23, May 2019, or Hangzhou, China
30. Seminar on “Poultry Respiratory Disease Complex” organized by Huzaifa International at Serena Hotel Faisalabad on 10-01-2019 (As Invited Speaker)
31. National Disease Control Committee of PPA Meeting at Poultry House Johar Town Lahore on 05-01-2019. (Presented Disease Current Poultry Diseases Situation)
32. 2nd National One Day Symposium on One Health organized by Faculty of Veterinary Science and The Brooke Pakistan on December 12, 2018 at New Senate Hall, University of Agriculture Faisalabad. (Member Organizing Committee).
33. National Poultry Symposium on Health and Welfare, December 11-12, 2018 organized by PMAS-Arid Agriculture University and WPSA Pakistan branch at PMAS-Arid Agriculture University Rawalpindi Pakistan (Member Organizing Committee and Moderator)
34. 2018 International Poultry Science Summit, Weifang, China, organized by Shandong Vocational Animal Science and Veterinary College (SVASVC) at Dong Fing Hotel 02-04 November 2018.
35. 4th World Veterinary Poultry Association Asia Meeting (WVPA- Asian), 01-02 October 2018 Kulalumpur Malaysia Organized by WVPA Malaysia in KLCC Pullman Hotel.
36. Poultry Science Conference and IPEX 2018 at Lahore Expo Centre Lahore on 27-29 September 2018 Organized by Pakistan Poultry Association (As Invited Speaker, organizer and Moderator)
37. Technical Seminar on “Key Elements of Biosecurity: A Scientific Approach” organized by Ghazi Brothers Pakistan on 13 September 2018 at Royalton Hotel West Canal Road Faisalabad.
38. National Seminar on “Respiratory and Immunosuppressive Diseases of Poultry” organized by World Veterinary Poultry Association (WVPA) Pakistan Branch on 06 September 2018 at Serena Hotel Faisalabad.
39. Seminar and Interactive Session on Avian Influenza with Dr. Munir Iqbal from Pirbright Institute, UK at Conference Hall, University of Veterinary and Animal Sciences, Lahore on August 02, 2018.
40. Technical Seminar on “Immunological Shield against Noxious Respiratory Pathogens in Poultry” Organized by Vaxxinova Ghazi Brothers on June 20, 2018 at Serena Hotel Faisalabad.
41. Seminar on “Advanced Approach in Commercial Poultry Farming” organized by Orient Traders

International on 3rd May 2018 at Serena Hotel Faisalabad.

42. One day Seminar at Serena Hotel Faisalabad on Fowl Typhoid and Viral Diseases of Layers Organized by BTI Pakistan in Collaboration with Kepro B.V Holland on 1st May 2018.
43. International Livestock, Dairy and Poultry Congress at Awane-Iqbal Lahore from 19-20 March, 2018 Organized by Pakistan Veterinary Medical Association.
44. Seminar on “Investigation of Circulatory Liver Specific MicroRNAs as non-invasive diagnostic biomarkers of Hepatitis: A novel diagnostic tool, February 27, 2018, organized by Institute of Microbiology at Meeting Room Faculty of Veterinary Science, UAF
45. Conference to “Promote Safe & Secure Science in the Middle East/North Africa & South/Southeast Asia” from 05-09 February 2018 organized by US-National Academies of Sciences, Engineering and Medicine (NASEM) and Academy of Sciences Malaysia at Sunway University Kulalumpur Malaysia.
46. 1st International Collaborative Mycology Conference: Impact of Fungi on Health and Environment organized by Agha Khan University Karachi in Pearl Continental Hotel Karachi from 04-05 December 2017,
47. One Health International Conference (OHC-2017), November 13-15, 2017 Organized by CVS Jhang at University of Veterinary and Animal Sciences Lahore Pakistan.
48. 1st International Conference on Poultry Processing “Farm to Fork Management” November 1-2, 2017 organized by Department of Poultry Production, University of Veterinary and Animal Sciences Lahore Pakistan.
49. First MycoKey International Conference at NH-Belfort Hotel Ghent Belgium organized by MycoKey Project and University of Ghent Belgium from 11-14 September 2017.
50. XXTH World Veterinary Poultry Association Congress (WVPAC-2017) at Edinburgh International Convention Centre, Edinburgh United Kingdom from 04-08, September 2017 organized by British Veterinary Poultry Association in collaboration with WVPA.
51. International Poultry Expo (*I-Pex* 2017) 24-26 August 2017 organized by Pakistan Poultry Association (PPA) at Lahore International Expo Centre Lahore Pakistan.
52. International One Health Research Symposium organized by the U.S. National Academy of Sciences at Mandarin Oriental Hotel, Bangkok Thailand from 23-29 July 2017.
53. Technical Seminar on Antioxidant Supplements with Antiviral, Hepatoprotective and Immunomodulative Effects organized by Ghazi Brothers Pakistan at Serena Hotel Faisalabad on March 07, 2017.
54. 3rd World Veterinary Poultry Association Asian Meeting/Conference organized by WVPA in collaboration with Philippine College of Poultry Practitioners at Crown Plaza Manila Galleria Hotel, Manila Philippine, and October 20-21, 2016.

55. CEVA Seminar on Vector Vaccines; Perfect Pair for Poultry at Serena Hotel Faisalabad
56. The XXV World's Poultry Congress, 2016 (WPC-2016) Organized by World Poultry Science Association China Branch and Chinese Association of Animal Science and Veterinary Medicine from September 05-09, 2016 at China National Convention Center, Beijing China
57. Seminar on "Secondary Plant Ingredients as a superior natural alternative to antibiotic growth promoters in poultry" organized by Ghazi Brothers Pakistan at in Crystal Hall, Royalton Hotel West Canal Road Faisalabad on August 11, 2016.
58. National Symposium on One Health, August 08, 2016 Organized by U.S-Pakistan Center for Advanced Studies in Agriculture and Food Security at New Senate Hall, University of Agriculture Faisalabad Pakistan.
59. Seminar on "Feed Hygiene and Perspective in Animal Nutrition" organized by Ghazi Brothers Pakistan at Serena Hotel Club Road Faisalabad on July 22, 2016
60. 1-Health Fellowship Research Projects Symposium organized by United States National Academy of Sciences (US-NAS) in collaboration with Pakistan Academy of Sciences in Sofitel Hotel Dubai from 29-02-2016 to 04-03-2016
61. Two Days International Seminar on Poultry Diseases jointly organized by Department of Pathology, University of Agriculture Faisalabad and World Veterinary Poultry Association (WVPA: Pakistan Branch) at New Senate Hall University of Agriculture Faisalabad from 14-15 December 2015.
62. Seminar on "Practical Approach to Mycoplasmosis (CRD) and ORT in Poultry Operations" on Thursday, 19th November, 2015 at Royalton Hotel Faisalabad.
63. XIX Congress of World Veterinary Poultry Association (WVPAC-2015) organized by World Veterinary Poultry Association and South African Veterinary Poultry Association at Cape Town International Convention Centre (CTICC) Cape Town, South Africa from 07-11 September 2015.
64. Seminar on "Best Way to Overcome Heat Stress and Prevention of Early Chick Mortality & Bacterial Diseases" on Thursday, 30 July 2015 at Serena Hotel Club Road Faisalabad organized by Poultry Health Division Ghazi Brothers Pakistan.
65. National Disease Control Committee (NDCC) of Pakistan Poultry Association Meeting on 16th May 2015 in PPA House, Johar Town, Lahore to discuss Disease situation in national poultry industry organized by Pakistan Poultry Association.
66. Seminar on "**Recent Updates on Respiratory Diseases of Poultry**" on May 07, 2015 at Hotel One Organized by SAADAT International (Merial Pakistan).
67. Seminar on "**The Highly Effective and Ecofriendly Disinfectant with Significant Advantages**" organized by Ghazi brothers Pakistan at Serena Hotel Faisalabad on January 26, 2015.

68. National seminar on “**Avian Respiratory Diseases: A Serious Threat to Poultry Industry**” on December 09, 2014, organized by the Department of Pathology in collaboration with World Veterinary Poultry Association (Pakistan Branch) in meeting room Faculty of Veterinary Science, University of Agriculture Faisalabad Pakistan. .
69. 1st International conference on Zoonoses-2014 organized by Faculty of Veterinary Sciences in collaboration with Higher Education Commission, Pakistan from October 16-17, 2014 in Bahauddin Zakariya University Multan Pakistan.
70. International Poultry Expo (*I-Pex* 2014) 25-27 September 2014 organized by Pakistan Poultry Association (PPA) at Lahore International Expo Centre Lahore Pakistan.
71. Merial Avian Forum Asia 2014”**Impact and Control of Respiratory Diseases of Poultry**” Organized by Merial Asia from September, 17-18 2014 at Grand Hai Lai Hotel, Kaohsiung, Taiwan.
72. 2nd World Veterinary Poultry Association Asia conference “**Testing and Monitoring**” from September 11-12, 2014 organized by WVPA-Asia at Park Royal Hotel Bangkok Thailand
73. Seminar on “ **Role of Yeast in Gut Health of Birds**” on April 15, 2014, organized by Ghazi Brothers Pakistan on 23 April, 2014 at Serena Hotel Faisalabad.
74. Seminar on “**Cleaning and Disinfection of Drinking Lines in Environmental Control Poultry Houses**” on April 15, 2014, organized by Ghazi Brothers Pakistan at Royalton Hotel West Canal Road Faisalabad
75. International Livestock Dairy and Poultry Congress (ILDPC) organized by Pakistan Veterinary Medical Association from 11-12 April, 2014 at Awan-e-Iqbal Egerton Road Lahore Pakistan.
76. 6th Asian Society of Veterinary Pathology and 5th Malaysia Association of Veterinary Pathology conference at Mines Wellness Hotel Seri Kembangan, Selangor Kulalumpur, Malaysia from 22-24 November, 2013.
77. “Merial Avian Forum Asia 2013: **Future Challenges for the Poultry Industry: Lets Grow Together**” organized by Merial Asia, Avian in Bangkok Thailand from 03-04, September 2013.
78. International Poultry Expo (*I-Pex* 2012) 28-30 September 2012 organized by Pakistan Poultry Association (PPA) at Lahore International Expo Centre Lahore Pakistan.
79. XXIV World Poultry Congress (WPC-2012), 5-9 August 2012, Bahia Convention Center, Salvador Brazil, Organized by World Poultry Science Association (WPSA)
80. 3rd Mediterranean Poultry Summit and 6th International Poultry Conference 26-29 March, 2012 Porto Marina Alexandria Egypt organized by WPSA Egyptian branch.
81. National Equine Breeding Conference organized by Faculty of Veterinary Science and Remount Veterinary and Farm Corps on March, 15 2012 at Iqbal Auditorium University of Agriculture Faisalabad, Pakistan.

82. International Livestock and Poultry Congress (ILPC) 13-14 March 2012 organized by Pakistan Veterinary Medical Association at Awan-e-Iqbal Lahore, Pakistan.
83. Seminar on poultry diseases organized by Tec-Man International Pakistan on Marc,7 2012 at Serena Hotel Faisalabad, Pakistan.
84. Mycored Argentina: International Society of Mycotoxicology Conference (ISM) 2011 Conference organized jointly by UNRC (Argentina), International Society of Mycotoxicology and Mycored (EU) at Dr. Angelo Bustelo convention Centre Mendoza Argentina from November 15-18, 2011
85. Seminar on “Use of Antibiotics in Poultry Farming Economic Approach” Organized by Orient Animal Health on September 12, 2011 at Serena Hotel Faisalabad.
86. International Mycotoxin Conference, 2010 organized by University Sains Malaysia, International Society of Mycotoxicology and Mycored (EU) at Park Royal Hotel Batu Feringghi Beach, Penang Malaysia from 1-4 December 2010.
87. Mycored Workshop organized by National Research center and Mycored Project of EU at NRC, Dokki, Cairo Egypt from 25-27 October 2010.
88. National Poultry and Food Expo 2010 organized by Pakistan Poultry Association at Expo Center Johar Town Lahore from 24-25 September 2010.
89. Workshop on Developing Modules for Trainers and Trainees of DVM Internship Programme on February, 02, 2010 organized by Faculty of Veterinary Science in collaboration with USDA Endowment Fund.
90. Seminar on “ *Nanotechnology Applications in Animal feeds ECO CONCEPT*” Organized by Orient Animal Health on 20th January, 2010 in Serena Hotel Faisalabad, Pakistan.
91. 16th Congress of World Veterinary Poultry association 8-12th November 2009 **Marrakech, Morocco** and presented research paper.
92. International Poultry Congress organized by Pakistan Poultry association in Pearl Continental Hotel Lahore in 2009.
93. 15th Congress of World Veterinary Poultry association 10-15th September 2007 **Beijing China** and presented research paper
94. Seminar on Role of Biosecurity in Poultry Farming by Pakistan Poultry Association(Faisalabad) at Dynasty Hotel Faisalabad in 2007
95. National Poultry Congress by Pakistan Poultry Association (Punjab) at Serena Hotel Faisalabad Lahore in 2007
96. International Poultry Congress organized by Pakistan Poultry Association at Pearl Continental Hotel Lahore in 2006

97. Symposium on Characterization and Management of Emerging Viral Diseases in the Developing World at National Institute of biotechnology and Genetic Engineering Faisalabad (NIBGE) in 2006.

98. International Poultry and Livestock Congress organized by PVMA & SMEDA at Awan-e-Iqbal Lahore in 2005 (Member Organizing Committee)

1. RESEARCH PROJECTS/GRANTS

Completed

Sr. No	Project title and duration (from-to)	Status as PI or Co-PI	Funding Agency	Budget
1	Evaluation of microorganisms, clays and herbs for mycotoxins degradation and their effect upon nutrient availability in chicken. July 2012-June 2015.	Co-PI	ALP-PARC	7.081 Millions
2	Development, Evaluation and Promotion of herbal anticoccidial(s) for the control of coccidiosis in poultry. (Project No. 358)	Team Scientist	Punjab Agricultural Research Board (PARB)	10.127 millions
3	<i>“Relationship of Mycotoxin contaminated foods with Hepatocellular Carcinoma”</i> . (One Year Research Fellowship Project) At Chulalongkorn University Bangkok Thailand and University of Agriculture Faisalabad, Pakistan	PI	US-NAS One Health Research Project	25000 USD
4	Pathobiology & Molecular Epidemiology of Chicken Infectious Anemia & Infectious Bronchitis (IB) in Commercial Poultry and Immunopathogenesis of IB Variants. Duration Three Years (AS-74) (2017-2021)	PI	ALP-PARC	4.9115 million PKR
5	Treatment of Poultry Diarrhea with Environment-Friendly Natural Substances: An Innovative and Cost-effective Solution for Gizzard Ulceration induced by Mycotoxins and Bacillus cereus in Pakistan Project. No 14160 (2021-2024)	PI	NRPU-HEC	6.535404 million PKR
6	Development of Aflatoxins Reducing Strategies For Zea mays (DARSZ)"(2018-2021)	Co-PI	NRPU-HEC	4.152478 Millions PKR
7	Molecular epidemiology of buffalo pox in Pakistan, comparison of conventional and	Co-PI	NRPU-HEC	2.963182 Millions

	molecular diagnosis, polypeptide mapping, restriction enzyme analysis and sequence homology Project No: 7590 (2018-2021)			PKR
--	---	--	--	-----

Ongoing

Sr. No	Project title and duration (from-to)	Status as PI or Co-PI	Funding Agency	Budget	Status
2	Treatment of Acute Mycotoxicosis in Poultry and Animals Through Development of Indigenous Mycotoxins Inactivating Liquid Product Project No. PSF/NSLP/P-UAF (857) (2021-2024)	PI	NSLP-PSF	5.299104 million PKR	On going
3	Evaluation of Tibetan Tea Extract in Prevention and Treatment of Necrotic Enteritis in Broilers (2021-2024)	PI	CEPEC Sichuan University of Science and Engineering	200000 RMB	Approved
4	Epidemiological Surveillance and pathology of Avian influenza (H9), Infectious bronchitis (IB) and Fowl adenovirus (FAdV) Viruses for Selection of Suitable Vaccine Strains from Pakistan	PI	SINDER PR China-UAF Project	35000 USD	Ongoing

Submitted After Revisions and Under Review and Submitted

Sr. No	Project title and duration (from-to)	Status as PI or Co-PI	Funding Agency	Budget	Status
1	Research on Key Technologies for Multidimensional Prevention and Control of Mycotoxins Hazards in Feed with Nano Selenium (2024-2026)	PI	PSF-NSFC	20 Millions PKR and 2.0 Millions RMB	Under Review
2	Molecular Characterization of	PI	ALP-PARC	20 Millions	Under Review

	Chicken Anemia Virus and Development of Killed Vaccine for Poultry (2024-2027)			PKR	
4	Characterization of Chicken Infectious Anemia Virus and Development of Killed Vaccine for Poultry (2023-2026)	PI	Planning Commission Ministry of Planning, Development and Special Initiatives	14 Millions PKR	Under Review
5	Development of Cost Effective Mycotoxins Binder from locally available substances: An Innovative Solution for Poultry Feed Mycotoxins	PI	AIP-PARB	4.5 Millions PKR	Under Review

Projects Submitted and Rejected

1. Characterization of Chicken Infectious Anemia Virus and Development of Killed Vaccine for Poultry (2023-2026) Submitted to Planning Commission Ministry of Planning, Development and Special Initiatives (14 Millions PKR)

Combating Poultry Diarrhea with Environment-Friendly Natural Substances: An Innovative and Economical Solution for Gizzard Ulceration induced by Mycotoxins and Bacillus cereus in Pakistan and China submitted to PSF-NSFC in 2018 (10.0 Millions PKR).

2. Diagnostic Pathology of Neoplastic Diseases of Poultry submitted under NRPU-2104 to HEC costing 4.0774 Million PKR as PI. Three Years Duration

3. Mycobiota and mycotoxins in the fish farming system and their effects on fish health (Project Submitted to ALP-PARC Project No. As-045 as PI). Year 2011

4. Fungal mycobiota and mycotoxins in the agricultural products used as animal feeds and toxicopathological effects of mycotoxins in buffaloes (Project Submitted to ALP-PARC Project no AS-046 as PI). Year 2011

5. Isolation and Molecular identification of Fusarium Fungi and detection of their Mycotoxins from poultry feeds and study of their toxicopathological effects on health of commercial poultry (Submitted As. PI to International Foundation of Science (IFS) Sweden Cost: 12000 USD). Year 2012

6. Rapid diagnostic facilities for major poultry diseases to improve the poultry health status in Faisalabad region ((Submitted As. PI to Endowment Fund Secretariat-UAF) Cost: 2.838982 millions PKR. 2013

7. Molecular Epidemiology and Clinical Picture of Chicken Infectious Anemia in Poultry from Faisalabad Region of Pakistan (Submitted to International Foundation of Science (IFS) Sweden, 12000 USD as PI) Year 2013.

8. Diagnostic Pathology of Respiratory Diseases of Chicken submitted to Pakistan Science Foundation under NSLP as PI revised two times then rejected by PSF 27,74,617 PKR Project No 330. Duration Two Years
 9. Relationship of Mycotoxin Contaminated Foods with Hepatocellular Carcinoma Development in Pakistani Population (Submitted to CAS-AFS as PI) Year 2016
 10. Small scale practical approach for Improvement of storage conditions of corn to prevent aflatoxins contamination of poultry feed (Submitted to CAS-AFS as PI) Year 2016
 11. Hepatoprotective and Mycotoxin Detoxification Water Soluble Product Development from Indigenous Sources to Control Mycotoxins Problem In Poultry (3.11092 Millions PKR) submitted to Endowment Fund Secretariat (EFS) University of Agriculture Faisalabad Year 2016 as PI.
 12. Preparation of Cost Effective Mycotoxin Binder From Indigenous Sources To Control Mycotoxicosis In Poultry (8.98 Million PKR) submitted to HEC under NRPU-2017.
 13. Study of Aflatoxins (AF) Contamination of Poultry Feeds and AF Residues in Poultry Meat and Eggs: A Potential Health Risk for End Users (5.6986 Million PKR) submitted to ALP-PARC
- REPORTS ON INDUSTRIAL PROJECTS UNDERTAKEN WITH THE SUPPORT OF INDUSTRY**
1. First small project on a commercial product (ADDCON-XL and FORMI NDF: Organic acids blend) for poultry as growth promoter was completed by my M.Phil students as Special Problem and it was total sponsored by the Ghazi Brothers Pakistan.
 2. Second project on Sangrovit ® a herbal product of Phytobiotics Germany (Ghazi Brothers Pakistan) was completed by M.Phil (Abdul Qayyum 2004-ag-1619) student entitled as “Growth promoting and possible toxicopathological effects of **Sanguinarine (Sangrovit®)** in growing broilers birds
 3. Use of **MixOil®** as Immunoprotective and antiviral agent in Poultry (Two Students completed M.Phil in this project).
 4. **Hilyses** its use as immune stimulant and mycotoxin inactivator: A product from ICC Brazil, marketed by Naseem Traders International Pakistan.
